FIRST QUARTERLY REPORT 2015

* *For identification purpose only*

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors. Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

6. LOSSES PER SHARE

The calculation of the basic and diluted losses per share attributable to the equity holders of the Company is based on the following:

Basic

	(Unaudited) Three months ended 30 June	
	2015 HK\$'000	2014 HK\$'000
Loss attributable to the equity holders of the Company	(8,513)	(10,538)
Weighted average number of ordinary shares in issue	<u>13,448,488,271</u>	<u>13,448,488,271</u>
Basic losses per share (<i>HK cents</i>)	<u><u>(0.06)</u></u>	<u><u>(0.09)</u></u>

Diluted

Diluted losses per share is calculated by adjusting the weighted average number of ordinary shares outstanding to assume exercise/conversion of all dilutive potential ordinary shares. The Company has 1 category of dilutive potential ordinary shares: share options.

For the share options, a calculation is done to determine the number of shares that could have been acquired at fair value (determined as the average market price of the Company's shares during the period) based on the monetary value of the subscription rights attached to the outstanding share options. The number of shares calculated above is compared with the number of shares that would have been issued assuming the exercise of the share options. Hence, the share options have a dilutive effect only when the average market price of ordinary shares during the period exceeds the exercise price of the share options.

The computation of diluted losses per share for the three months ended 30 June 2015 and 2014 did not assume the exercise of the Company's outstanding share options since the Company's shares were suspended in trading and there is no market price for the shares.

EVENTS AFTER THE REPORTING PERIOD

(i) **Conditional Approval of the Listing Appeals Committee on the Company’s Resumption for Trading**

Trading in the shares of the Company (“**Shares**”) has been suspended since 11 November 2010.

On 4 June 2015, the GEM Listing Committee decided to proceed with the cancellation of the listing of the Shares and the Company was required to submit a resumption proposal by 4 December 2015. On 15 January 2015, the GEM Listing Committee decided that the resumption proposal submitted by the Company on 4 December 2015 was not viable and decided to cancel the listing of the Shares (the “**Listing Decision**”).

Notwithstanding the review application made by the Company in January 2016, on 8 April 2016, the Company was informed that the GEM Listing (Review) Committee decided that the resumption proposal submitted by the Company in March 2016 was not viable and thus uphold the Listing Decision.

The Board appointed Proton Capital Limited as the sole financial adviser of the Company and on 15 September 2016, the Company submitted a revised resumption proposal (“**Resumption Proposal**”) to the Listing Appeals Committee.

Following the review hearing held on 9 December 2016, the Listing Appeals Committee decided to accept the Resumption Proposal, subject to the Company’s compliance with the conditions (“**Conditions**”) as summarised below to the satisfaction of the Listing Department by 14 March 2017:

2. resolution of any audit qualification issues;

3. providing a working capital forecast with: (a) all principal assumptions (including appropriate sensitivity analysis relating to gold and RMB movements) for at least twelve months from the expected trading resumption date; (b) a comfort letter from the auditors or financial advisers confirming that they are satisfied that the working capital forecast of the Group has been made by the Directors after due and careful enquiry; (c) assurance to the satisfaction of the Listing Department that any equity financing including the open offer (the “**Open Offer**”) will be completed; and
4. conduct a follow up review by a professional party to demonstrate to the satisfaction of the Listing Department, all material weaknesses identified have been rectified and that the Group has in place an adequate and effective financial reporting procedures and internal control systems.

The Listing Appeals Committee also stated in its letter that resumption of trading in the Company’s securities should be within a reasonably short period of time after compliance with the Conditions.

(ii) Publication of all outstanding audited consolidated financial statements

On 16 February 2017, the Company published the audited consolidated financial statements for all the outstanding financial results of the Group, i.e. for the years ended 31 March 2011, 2012, 2013, 2014, 2015 and 2016, with no material audit qualifications indicating questions with respect to the consolidation of the results of Taizhou Mining.

(iii) Open Offer of the Company

On 24 February 2017, the Company entered into an underwriting agreement with two underwriters. As disclosed in the announcement of the Company dated 24 February 2017, the Company proposes to conduct the Open Offer to raise approximately HK\$134.48 million before expenses by issuing 6,724,244,135 offer shares on the basis of one offer share for every two existing Shares held on the record date to the qualifying shareholders at the subscription price of HK\$0.02 per offer share.

The Company intends that the estimated net proceeds from the Open Offer of approximately HK\$131 million will be used (i) as to approximately HK\$88 million for repayment of the Company’s debts; and (ii) as to approximately HK\$43 million as general working capital of the Group. As such, upon completion of the open offer, the Company will have sufficient fund to settle all Company outstanding and confirmed debts including the outstanding bond and those claimed in the winding up petitions in Hong Kong as well as the Cayman Islands.

It is expected that the net assets position of the Company will also be strengthened substantially upon completion of the Open Offer.

(iv) Full repayment of bank borrowings and release of security over the Group’s mining rights

In mid-2016, the Group fully repaid its bank borrowings and thus, the security over the Group’s mining rights has been released.

(v) **Litigation instituted by Mr. Lau Kin, a purported creditor, in the Cayman Islands**

The Company had been served with a winding-up petition by Mr. Lau Kin, a purported creditor of the Company to the Grand Court of the Cayman Islands against the Company. The petitioning debt stated in the winding-up petition is an alleged sum due to Mr. Lau Kin by the Company of HK\$19,494,230.43, comprising HK\$16,882,000.00 principal and interest of HK\$2,612,230.43 as of 3 May 2016 (the “**Lau Kin Claim**”). Mr. Lau Kin seeks an order for the appointment of joint official liquidators to the Company.

Mr. Lau Kin alleged that by a deed of assignment made between Dragon Hill Development Limited (“**Dragon Hill**”) and him dated 3 May 2016, Dragon Hill assigned to him a purported debt of the Company in the amount of HK\$19,494,230.43 at a consideration of HK\$2 million only.

The Company considers the validity of the Lau Kin Claim is in question and is investigating into and seeking legal advice in relation thereto. If the Lau Kin Claim is indeed found to be valid, the Lau Kin Claim will be fully settled from the net proceeds of the Open Offer.

With agreement of all parties involved, hearing date of the Grand Court of the Cayman Islands for the aforesaid litigation shall be further adjourned with a hearing to be held on the first available date after 14 March 2017 (Cayman time).

(vi) **Litigation instituted by Mr. Lee Shing, a purported creditor, in Hong Kong**

The Company has been served with a petition for the winding-up of the Company by Mr. Lee Shing (a former executive director, ex-Chairman, an existing substantial shareholder of the Company) to the High Court, Hong Kong Special Administrative Region under the provisions of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32 of the laws of Hong Kong) (the “**Lee Shing Petition**”).

Mr. Lee Shing alleged in the Lee Shing Petition that the Company is indebted to him in the sum of HK\$18,223,125.50 (the “**Alleged Indebtedness**”), comprising (i) a purported loan of HK\$6,925,000.00 assigned by a former Director to Mr. Lee Shing on 12 April 2010; (ii) a loan purportedly provided by Mr. Lee Shing plus interest calculated up to 30 August 2016 of HK\$7,019,020.50 in aggregate; and (iii) director’s emoluments and reimbursements of HK\$4,279,105.00 in aggregate.

Before the presentation of the Lee Shing Petition by Mr. Lee Shing, the Company had been in the course of requesting relevant documents and supportings from Mr. Lee Shing so as to substantiate and verify the Alleged Indebtedness. Although Mr. Lee Shing’s legal adviser has indicated his client’s intention to provide, the Company has never received any of the requested documents up to the date of this report.

The first hearing date of the Lee Shing Petition has been scheduled to take place on 15 March 2017 in the High Court, Hong Kong Special Administrative Region. For the avoidance of doubt, 15 March 2017 is not a winding up date of the Company. According to the legal advice obtained by the Company, the hearing of 15 March 2017 is an endorsed hearing whereby a Master would check whether all procedural matters have been complied with and ascertain whether the Company or any other person would oppose to the Lee Shing Petition. If the Company opposes to the Lee Shing Petition at the hearing to be held on 15 March 2017, the case would be adjourned before a High Court Judge for his/her directions as to filing of evidence and other court documents.

The Company is seeking legal advice and endeavor to vigorously oppose the Lee Shing Petition. In light of the conditional approval to the Resumption Proposal from the Listing Appeals Committee as detailed in the Company's announcement dated 19 December 2016, the Company is implementing the Resumption Proposal whereby the net proceeds of the Open Offer will be applied to fully settle, among others, the Alleged Indebtedness if verified.

PROSPECT

In view of the conditional approval for resumption of trading granted by the Listing Appeals Committee, the Board is intensifying its effort to implement the Resumption Proposal, which include the Open Offer, debt capitalisation, debt settlement and release of all outstanding financial results, so as to fulfill the Conditions as soon as possible for resumption in trading of the shares of the Company.
