Annual Report 2017 年報

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this annual report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this annual report.

This annual report, for which the directors (the “**Directors**”) of Bar Pacific Group Holdings Limited (the “**Company**”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “**GEM Listing Rules**”) for the purpose of giving information with regard to the Company and its subsidiaries. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this annual report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this annual report misleading.

This annual report will remain on the “**Latest Company Announcements**” page of the GEM website at www.hkgem.com for at least 7 days from the date of its posting and on the Company’s website at www.barpacific.com.hk.

CHAIRLADY'S STATEMENT

To Our Shareholders,

On behalf of the board of Directors (the "**Board**"), I am pleased to present the first annual report of the Company and its subsidiaries (collectively, the "**Group**") for the year ended 31 March 2017 (the "**Year Under Review**") after its successful listing on GEM of the Stock Exchange on 11 January 2017 (the "**Listing Date**").

BUSINESS AND FINANCIAL REVIEW

In 2016, Hong Kong's economy expanded by 1.9%, representing a modest growth underpinned by a strengthening domestic demand. We observed an increase in both medium monthly household income and monthly private consumption expenditure per capita. The lifestyle trend for socialising and hanging out and a rising number of singles amongst the local population become the largest driving factors for the rising expenditure in local drinking spots.

The Group's existing shops are strategically situated at residential and industrial areas responding to the demand of customers and offering entertaining experiences with high accessibility. The strategic locations allow the Group to provide quality drinks and snacks at affordable prices under a pleasant, comfortable and tidy environment and spare the Group from the intense market competitions in central locations.

On 11 January 2017, the Company successfully listed on GEM of the Stock Exchange. The Board believes that the listing enhances the corporate profile and brand awareness of the Group and bring benefits to the future growth and business development as well as its financing flexibility.

The successful listing on the Stock Exchange enhances the Group's capacity and potentiality to achieve superbness in overall performance by way of shop renovation, brand building, personnel development and quality standard advancement. Subsequent to the listing of the Company's shares, improvements in shop operation and overall management took place during the Year Under Review. The Group has adopted standardized prices for all beverage served in the shops and new items of light refreshments have been added into the menu. Regular training and frequent performance evaluation have been provided to management team and all staff in aspects such as managerial skills, standard operating procedures, bartender skills, and latest cocktail trends.

The Group opened Shop LXX in Chai Wan in October 2016 and ceased the operation of Shop XXIII in Kowloon City in December 2016 after careful consideration. The total number of shops as at 31 March 2017 was 32. In terms of number of outlets in Hong Kong, the Group is the largest bar/pub operator in Hong Kong.

The Group's revenue remained relatively stable, amounting to HK\$126,212,000 for the Year Under Review and HK\$126,145,000 for the year ended 31 March 2016 (the "**Previous Year**"). The Group's major source of revenue is the sale of beer which amounted to HK\$85,588,000 (the Previous Year: HK\$81,413,000), accounting for 68% (the Previous Year: 65%) of the total revenue for the Year Under Review.

CHAIRLADY'S STATEMENT

PROSPECTS

Despite intense market competitions in Hong Kong, the Group remains optimistic about its future growth, taking into consideration that the Group strategically targets at residential and industrial areas with lesser competition but potentially high customer demand and the expected growth of the consumer expenditure on alcoholic drinks in Hong Kong. The Board will continue to review the business strategies of the Group from time to time so as to diversify its income source.

As the Group's profile has been lifted up by the listing status, it will enhance its marketing and promotional activities in the coming year. Regular in-shop events in collaboration with suppliers' brands will be continued to enhance the Group's exposure. A myriad of promotion and marketing events will be initiated so as to enhance connection with customers and attract more new customers.

For the sake of quality control and risk management, the Group will ensure quality consistency for both beverage products and services, methods including constant training and up-to-date guidelines for staff strict monitoring over safety issues, and facilities upgrades will be adopted.

The main focuses of Group's growth strategies lie in its networks expansion and personnel development. It intends to open four to five new shops in each of the three years ending 31 March 2020 at locations in industrial and residential areas to continue targeting at customers looking for no-frills drinking venues for relaxation and socialization at affordable prices. Product and service quality will remain the Group's priorities to maintain its customer experience and brand image. The Board believes that continuing to expand the network will strengthen the Group's competitiveness to maintain its leading position in the industry. The Board welcomes advices from staff and believes accepting different ideas especially ones from young generation can ignite breakthrough and encourage innovation in business development.

APPRECIATION

On behalf of the Board, I would like to express my most sincere appreciation to our customers, investors and business partners for their support and trust. I also take this opportunity to express my gratitude to the management and all staff for their contributions to the Group over the past year. Looking ahead, the Group will strive to enhance the competitiveness of its business and steadily expand its market share, bearing the goal to generate better returns for our shareholders.

Tse Ying Sin Eva

Executive Director, Chairlady and Chief Executive Officer

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY REVIEW

Hong Kong's economy has achieved overall stability in the past several years. According to the Hong Kong government statistics, private consumption expenditure has observed positive year-on-year growth rate since 2010. Notwithstanding that the growth rate of private consumption expenditure declined from 2.4% in 2015 to 1.9% in 2016, it is forecast that the real GDP growth for 2017 will reach 2 to 3%.

Given Hong Kong's consumer demand for quality food service and social gathering venues such as vibrant eateries, we believe that bars and pubs become an indispensable part of the city's lifestyle. The city, with its large western expatriate community and growing influence of local young adults, has nurtured drinking culture for socializing and networking, even a form of relaxation. Such trends have continuously encouraged alcoholic beverage consumption and is expected to maintain its rise based on the industry's historic growth.

BUSINESS REVIEW

The Group operates a chained bar mainly offering beverages and light refreshments under the brand "Bar Pacific" with locations scattered over Hong Kong. During the Year Under Review, Shop LXX in Chai Wan district was newly established in October 2016, while Shop XXIII ceased operation in December 2016 after careful consideration. Shop LXX has recorded a satisfactory performance since its commencement of operation, while other existing shops maintained steady growth in their sales performance. Overall sales performance remained stable during the Year Under Review. As at 31 March 2017, the Group operated a total of 32 shops at street level throughout Hong Kong. The Group's listing on GEM of the Stock Exchange on 11 January 2017 is an important step in capital acquisition and future development.

Revenue of the Group is generated from beverages (including beer, other alcoholic drinks and other non-alcoholic beverages), light refreshments and others including electronic dart machines. Sales incentives like bonuses and rewards are applied to all frontline and management staff, while strategic shifting of regional management is in-place to constantly boost the Group's revenue.

During the Year Under Review, the Group carried out internal measures to enhance its products and services. Innovative beverages were introduced to individual shops with reference to customer feedback to widen beverages variety and match customer needs in changing trend. On top of this, shops are being renovated to modernize brand image and increase its visibility. As at 31 March 2017, the Group completed the refurbishment on one of its shops and three shops are now under renovation.

The Group paid efforts in proactively marketing the "Bar Pacific" brand during the Year Under Review with the aim of maintaining its positive brand image and attracting new customers. A myriad of promotion and marketing events were initiated by the brand, in addition to activities co-organized with major suppliers or other parties. The Group devotes increasing efforts in event participation, collaboration and sponsoring to enhance connection with customers and attract more new customers.

The Group puts great emphasis on the staff management, in particular, the frontline staff as they play an essential role in providing quality services to our customers. Thus, it is important to routinely provide professional training for our frontline staff. Standard operating procedures pertaining to service and safety policy are executed to all staff members, while job training is provided to our management to ensure continuous improvement of business operation.

MANAGEMENT DISCUSSION AND ANALYSIS

PROSPECTS

Looking ahead, the Group will ride on its recently raised profile and maintain its core business of bar operation and its existing branding strategy, targeting the mass market, to increase market share in Hong Kong. With the existing client base garnered over the years, there is a superiority to leverage network in Hong Kong. Openings of four to five new shops per year are envisioned in the coming three years ending 31 March 2020. All shops are strategically located with close proximity to the residential or industrial areas rather than at prime retail locations.

To attain better performance, the Group will explore new sources of income such as advertising projects with supplying brands. All in all, the Group will devote itself to quality control, risk management and personnel development in the course of expanding across the city and maintain its leading position in the industry, yielding better returns and goodwill in the long run.

FINANCIAL REVIEW

Revenue

Our revenue remained relatively stable, amounting to approximately HK\$126.1 million for the Previous Year and approximately HK\$126.2 million for the Year Under Review.

Cost of inventories sold

Cost of inventories sold consists of the cost of beverages, light refreshments and tobacco products sold in our shops. Our cost of inventories decreased from approximately HK\$28.4 million for Previous Year to approximately HK\$27.8 million for the Year Under Review, representing a decrease of approximately 2.4%. This was primarily due to the increase in suppliers' rebates received during the Year Under Review.

Other income

Other income recorded a decrease of approximately 26.7% from approximately HK\$1.4 million for the Previous Year to approximately HK\$1.0 million for the Year Under Review. This was primarily due to the decrease in sponsorship income from suppliers.

Staff costs

Our staff costs comprise salaries and benefits, including wages, salaries, bonuses, retirement benefit cost and other allowances to all our employee and staff, including our directors, head office and shop staff. Staff costs increased to approximately HK\$37.0 million for the Year Under Review from approximately HK\$36.4 million for the Previous Year indicating a slight increase of approximately 1.8%. Such increase was primarily attributable to staff hiring for the expansion of our headquarters during the Year Under Review.

Depreciation

Depreciation represents depreciation charges on its property, plant and equipment, as in leasehold improvements, dart machines, computer equipment, furniture and fixtures and motor vehicles. The Group's depreciation charges decreased to approximately HK\$3.6 million for the Year Under Review from approximately HK\$3.9 million for the Previous Year, representing a decrease of approximately 7.7%. Such decrease was primarily attributable to the increase in fully depreciated assets used in bar operations.

MANAGEMENT DISCUSSION AND ANALYSIS

Property rentals and related expenses

The Group's property rentals and related expenses consist of operating lease payments, property management fee and government rate on our shops, storage and office premises. For the Year Under Review, property rentals and related expenses amounted to approximately HK\$23.5 million from approximately HK\$21.3 million for the Previous Year, representing an increase of approximately 10.4%. The increase was primarily attributable to the opening of shop LXX in October 2016 and the general increase in the rental expenses of some of our leased properties upon renewal of leases.

Other operating expenses

Other operating expenses recorded an increase from approximately HK\$19.1 million for the Previous Year to approximately HK\$24.4 million for the Year Under Review, representing an increase of approximately 27.5%. Such increase was mainly attributable to the increase in advertising and promotion expenses to build brand awareness.

Listing expenses

During the Year Under Review, the Group incurred listing expenses of approximately HK\$12.7 million (the Previous Year: HK\$0.3 million) for the purpose of listing on GEM on 11 January 2017.

Finance costs

Finance cost for the Year Under Review amounted to HK\$21,000 which remained stable compared to HK\$17,000 for the Previous Year.

Taxation

Taxation for the Year Under Review amounted to HK\$1.6 million, indicating a decrease of approximately 41.1% from the Previous Year. Such decrease was mainly attributable to the increase in other operating expenses and property rentals and related expenses, resulting in a decrease in taxable profit for the Year Under Review.

Loss for the Year Under Review

Loss of approximately HK\$3.4 million (2016: profit of HK\$15.4 million) was recorded for the Year Under Review, which was mainly due to the combined effects of (i) the recognition of non-recurring listing expenses; (ii) the increase in property rentals and related expenses; (iii) the increase in audit fees; and (iv) the increase in advertising and promotion expenses, as compared to the Previous Year.

Dividend

No dividend was paid or proposed by the Company during the Year Under Review, nor has any dividend been proposed since the end of the Year Under Review.

Dividend of HK\$9,100,000 was paid during the Previous Year, represented the dividend paid to then shareholder of Bar Pacific Group Limited, being one of our wholly-owned subsidiaries.

Commitments

The Group did not have any capital commitments as at 31 March 2017 (as at 31 March 2016: NIL).

Contingent liabilities

As at 31 March 2017, the Group did not have any significant contingent liabilities.

Charges on the Group's assets

The Group did not have any charges on its assets as at 31 March 2017 (as at 31 March 2016: NIL).

MANAGEMENT DISCUSSION AND ANALYSIS

Significant Investments

The Group did not hold any significant investments during the Year Under Review.

Material acquisition or disposal

Save for the corporate reorganisation undertaken in preparation for the Listing as detailed in the prospectus of the Company dated 30 December 2016, there was no material acquisition or disposal of subsidiaries, associates and joint ventures during the Year Under Review.

Bank and other borrowing

During the Year Under Review, the Group had raised a bank borrowing of HK\$4.5 million which was fully repaid in July 2016.

Gearing ratios

Gearing ratio is calculated based on the total debt at the end of the year divided by total equity at the end of the year. As at 31 March 2017, gearing ratio was 0% (as at 31 March 2016: 20.3%).

Foreign currency exposure

Since the Group's business activities are operated in Hong Kong only and all relevant transactions are denominated in Hong Kong dollars, the Directors consider that the Group's risk in foreign exchange is insignificant.

Events after the balance sheet date

There is no significant event subsequent to 31 March 2017.

Use of proceeds

The Company's shares (the "Shares") were successfully listed on GEM of the Stock Exchange on 11 January 2017 by way of placing (the "Placing"). 215,000,000 Shares were placed at HK\$0.29 per Share pursuant to the Placing. The net proceeds from the Placing were about HK\$45.2 million after deduction of listing related expenses. As at 31 March 2017, part of the net proceeds from the Placing was utilized to upgrade our shop's facilities and continue our promotion and marketing efforts. The following is a summary of the use of proceeds after the Placing and up to 31 March 2017:

	Proposed amount to be used HK\$ (million)	Proposed amount used up to 31 March 2017 HK\$ (million)	Approximate amount utilized up to 31 March 2017 HK\$ (million)
Expand our "Bar Pacific" brand to different locations	35.5	3.0	–
Continue to upgrade our shops' facilities	3.4	0.4	0.9
Continue our promotion and marketing efforts	3.5	0.6	0.1
Total	42.4	4.0	1.0

MANAGEMENT DISCUSSION AND ANALYSIS

Employee information

As at 31 March 2017, the Group had 283 employees (as at 31 March 2016: 263 employees). Total staff costs (including Directors' remuneration) were approximately HK\$37.0 million for the Year Under Review (the Previous Year: HK\$36.3 million).

The Group adopted a share option scheme on 17 December 2016. Since its adoption, no options have been granted or agreed to be granted, and therefore, there were no outstanding options as at 31 March 2017 (as at 31 March 2016: NIL).

PRINCIPAL RISKS AND UNCERTAINTIES

The Group's financial condition, results of operations, businesses and prospects would be affected by a number of risks and uncertainties including market risk, credit risk, and liquidity risk. The risk management policies and practices of the Group are shown in note 27 to the consolidated financial statements in this annual report.

The biographical details of each of the Directors are set out in the section headed "Directors and Senior Management" of this annual report.

There was no financial, business, family or other material relationship among the Directors.

The INEDs have brought in a wide range of business and financial expertise and independent judgement to the Board. Through active participation in the Board meetings and serving on various Board committees, all INEDs will make various contributions to the Company.

Throughout the period since the Listing Date and up to 31 March 2017, the Board has at all times met the requirements of the GEM Listing Rules relating to the appointment of at least three INEDs with at least one of them possessing appropriate professional qualifications and accounting and related financial management expertise as required under the GEM Listing Rules.

The Company has received an annual confirmation of independence in writing from each of the INEDs pursuant to Rule 5.09 of the GEM Listing Rules. Based on such confirmation, the Company considers that all the INEDs are independent and have met the independence guidelines as set out in Rule 5.09 of the GEM Listing Rules up to the date of this annual report.

Proper insurance coverage in respect of legal actions against the Directors' liability has been arranged by the Company.

CORPORATE GOVERNANCE REPORT

DIRECTORS' INDUCTION AND CONTINUING PROFESSIONAL DEVELOPMENT

All Directors received induction on the first occasion of his/her appointment, so as to ensure that he/she has appropriate understanding of the business and operations of the Group and that he/she is sufficiently aware of his/her responsibilities and obligations under the GEM Listing Rules and relevant regulatory requirements.

All Directors are continually updated with legal and regulatory developments, and the business and market changes to facilitate the discharge of their responsibilities.

All Directors confirmed that they have complied with the paragraph A.6.5 of the Corporate Governance Code. According to the records maintained by the Company, the Directors received the following training regarding roles, function and duties of a director of a listed company or professional skills in compliance with the requirement of the Corporate Governance Code on continuous professional development during the Year Under Review:

Name of Directors	Type of Trainings

MEETINGS OF BOARD AND DIRECTORS' ATTENDANCE RECORDS

Schedules for regular Board meetings are normally agreed with the Directors in advance. In addition to the above, notice of at least 14 days is given for a regular Board meeting. For other Board meetings, reasonable notice is generally given.

Draft agenda of each Board meeting is usually sent to all Directors together with the notice in order to give them an opportunity to include any other matters in the agenda for discussion in the meeting.

Board papers together with all appropriate, complete and reliable information are sent to all Directors at least 3 days before each Board meeting to provide them with materials relating to the transactions to be discussed in the meeting in order to enable them to make informed decisions. The Board and each Director also have separate and independent access to the senior management whenever necessary.

The Chairlady, other Directors and other relevant senior management normally attend regular Board meetings and, where necessary, other Board and committee meetings to advise on business developments, financial and accounting matters, statutory compliance, corporate governance and other major aspects of the Group.

CORPORATE GOVERNANCE REPORT

MEETINGS OF BOARD AND DIRECTORS' ATTENDANCE RECORDS *(Continued)*

The Company Secretary is responsible to keep minutes of all Board and committee meetings. Draft minutes are normally circulated to Directors for comments within a reasonable time after each meeting and the final version is open for Directors' inspection.

Accounting to current Board practice, any material transaction, which involves a conflict of interest for substantial shareholders or a director, will be considered and dealt with by the Board at a duly convened Board meeting. The M&A contains provisions requiring directors to abstain from voting and not to be counted in the quorum at meetings for approving transactions in which such directors or any of their associates have a material interest.

Since the date of the Listing up to 31 March 2017, one Board meeting was held. The attendance record of each Director at the Board meeting is set out in the table below:

BOARD COMMITTEES

The Board has established three Board committees, namely the Audit Committee, the Remuneration Committee, and the Nomination Committee to oversee particular aspects of the Company's affairs. The Board committees are provided with sufficient resources to discharge their duties.

Remuneration Committee

The Company established the Remuneration Committee on 17 December 2016 pursuant to a resolution in compliance with Rule 5.34 of the GEM Listing Rules with written terms of reference in compliance with paragraph B.1.2 of the Corporate Governance Code. The primary duties of the Remuneration Committee are to make recommendation to the Board on the overall remuneration policy and structure relating to all Directors, senior management and general staff of the Group and ensure that none of the Directors or any of their associates determine their own remuneration. The Remuneration Committee consists of three members, namely Mr. Chin Chun Wing, Ms. Tse Ying Sin Eva and Mr. Yung Wai Kei. Mr. Chin Chun Wing is the chairman of the Remuneration Committee.

For the Year Under Review, the remuneration of Directors was determined by their experience, responsibility, workload and the time devoted to the Group. Executive Directors and employees also participate in bonus arrangements determined in accordance with the performance of the Group and the individual's performance.

During the Year Under Review, no Remuneration Committee meeting was held.

CORPORATE GOVERNANCE REPORT

Nomination Committee

The Company established the Nomination Committee on 17 December 2016 with written terms of reference in compliance with paragraph A.5.2 of the Corporate Governance Code. The primary duties of the Nomination Committee are to review the structure, size and composition of the Board annually; identify individuals suitably qualified to become Board members; assess the independence of independent non-executive Directors; and make recommendations to the Board on relevant matters relating to appointment or reappointment of Directors. The Nomination Committee consists of three members, namely Mr. Chin Chun Wing, Ms. Tse Ying Sin Eva and Mr. Yung Wai Kei. Ms. Tse Ying Sin Eva is the chairman of the Nomination Committee.

During the Year Under Review, no Nomination Committee meeting was held.

Audit Committee

The Company established the Audit Committee pursuant to a resolution of the Directors passed on 17 December 2016 in compliance with Rule 5.28 of the GEM Listing Rules. Written terms of reference in compliance with paragraph C.3.3 of the Corporate Governance Code has been adopted. Among other things, the primary duties of the Audit Committee are to make recommendations to the Board on appointment or reappointment and removal of external auditor; review financial statements of the Company and judgments in respect of financial reporting; and oversee the effectiveness of the procedures of the internal control of our Group. The Audit Committee consists of three independent non-executive Directors, namely Mr. Tang Wing Lam David, Mr. Chin Chun Wing and Mr. Yung Wai Kei. Mr. Yung Wai Kei is the chairman of the Audit Committee.

During the Year Under Review, the Audit Committee has reviewed and ensured the independence and objectivity of the external auditor, Deloitte. Details of the fees paid or payable to Deloitte for the Year Under Review are set out under the paragraph headed "Auditors' Remuneration" on page 17 in this annual report.

During the Year Under Review, one Audit Committee meeting was held and all Audit Committee members attended the meeting for the purpose of reviewing the unaudited condensed consolidated financial statements of the Group for the nine months ended 31 December 2016 and the quarterly report of the Company.

AUDITOR'S REMUNERATION

The Audit Committee has reviewed and ensured the independence and objectivity of the external auditor, Deloitte. Details of the fees paid or payable to Deloitte for the Year Under Review are as follows:

	<i>HK\$'000</i>
2017 annual audit	950
Non-audit related service	1,750

CORPORATE GOVERNANCE REPORT

INTERNAL CONTROLS AND RISK MANAGEMENT

The Board is responsible for the Group's risk management and internal control systems and reviewing their effectiveness. Such systems are designed to manage, rather than eliminate, the risk of failure to achieve business objectives, and can only provide reasonable, but not absolute assurance against misstatement or loss.

Given the relatively simple corporate and operation structure, the Group currently does not have an internal audit function.

The Board has overall responsibility for evaluating and determining the nature and extent of the risks it is willing to take in achieving the Group's strategic objectives, and establishing and maintaining appropriate and effective risk management and internal control systems.

The Audit Committee assists the Board in leading the management as well as overseeing the formation, implementation and monitoring of the risk management and internal control systems.

In addition, the Group engages independent professional advisor to conduct an annual review of the effectiveness of the Group's risk management and internal control system in various material aspects including financial, operational and compliance controls. The risk management report and internal control report are submitted and reviewed by the Audit Committee at least once a year. Summary of findings and recommendations are discussed at the Audit Committee meeting with a view to improve the Group's operations.

For the Year Under Review, the Board is satisfied that the Group's risk management and internal control systems (i) are adequate to meet the needs of the Group in its current business environment; and (ii) comply with the code provisions on internal control as set out in the GEM Listing Rules.

SHAREHOLDERS' RIGHT

Procedures for Shareholders to Convene an Extraordinary General Meeting ("EGM")

ENVIRONMENTAL, SOCIAL AND GOVERNANCE REPORT

We are pleased to present this report in accordance with the Environmental, Social and Governance Reporting Guide (the “ESG Guide”) as set out in Appendix 20 to the GEM Listing Rules. This report describes the Company’s policies in 2016/17 that were designed to fulfill the Company’s obligations with respect to sustainable development and social responsibilities areas, as required by the ESG Guide.

In advancing a strategy of sustainable development, the Group has adopted policies and procedures to: (i) provide a safe and healthy working environment; (ii) cultivate and nurture its work force; (iii) ensure protection of the environment and conservation of resources, and (vi) grow the Company’s involvement in the community with the aim of driving sustainable development and operations. The reporting period of this report is from the Listing Date to 31 March 2017.

ENVIRONMENTAL PROTECTION

To demonstrate the Company’s commitment to sustainable development and compliance with laws and regulations relating to environmental protection, we endeavor to minimize the environmental impact of our business activities and maintain green operations and green office practices.

Emission

The Group has implemented measures to protect the environment so as to minimise the impact of business operation on the environment. For example, the lightings in bars and office are gradually being replaced by LED lightings and other equipment has been being replaced by more environmental friendly equipment.

Use of Resources

The resources used by the Company are principally attributed and water consumed at its bars and office. With the aim to better manage its use of resources, regular assessments of use of resources are performed. Relevant departments collect and analyze data and summarize their respective findings on a regular basis. Initiatives, such as energy, water and paper saving practices, are developed to address departments’ findings.

The Company has adopted green bar and office practices to reduce natural consumption and the impact on the environment. For instance, the lightings as bars and office are being replaced by LED lightings and other equipment are being placed by more environmental friendly equipment.

The Green production cannot be realized without the cooperation of employees. In order to raise employees’ awareness and monitor non-compliance, the Group actively promote environmental protection and provide training for employees. Environmental protection performance indicators are included into the departmental appraisal. The Group also held environmental protection competitions to reward the departments with high resource saving rates and punish the departments and employees with resource wasting behaviours.

The Group has strictly complied with all material laws and regulations throughout the year ended 31 March 2017.

SOCIAL COMMITMENT

The Company believes that one of the key aspects of its success is the good relationship it maintains with employees. With the aim of ensuring employee satisfaction, the Company provides competitive employee benefits and comprehensive training programs to encourage employees to achieve their potential and put their abilities to good use. Furthermore, the Company provides for a number of staff activities to enhance employees’ sense of belonging and to help create a friendly and harmonious working environment.

Caring Our Employees

We provide a suitable working environment to our employees and care about their needs.

We formulate the human resources management measures with reference to relevant laws and regulations. A fair recruitment and promotion policy is adopted by the Group. Candidates or employees are considered based on their qualifications and work experiences regardless of gender, age and race. Illegal acts or child labours are prohibited within the Group. Identification documents of the candidates would be checked during interview to ensure they have reached the legal working age. District Manager, Shop Manager and HR department will communicate with the employees on work arrangement based on the actual situation of different bars and will not require the employees to work overtime against their will. Flexible working hours might apply for some positions based on the operation needs.

The Group has strictly complied with all material laws and regulations throughout the year ended 31 March 2017.

Remuneration and Welfare

The Directors consider that the recruitment in the industry is competitive. To facilitate recruitment of competitive staff, apart from basic salary, the Group also offers its staff with medical benefits. In addition, the Group has also adopted various bonus schemes for its staff in order to incentivise them once their shops have achieved certain pre-set targets, such as a certain amount of revenue per shop during a period of time. Once the staff of a shop achieved the target for three consecutive months, extra bonus will be paid to them.

Occupational Health and Safety

The Group targets to provide safe environment for both its staff and customers. To ensure alcoholic beverages are only sold to legitimate customers, staff will check the identity document of any customers who are suspected to be under 18 years of age. All the shops of the Group are equipped with security system such as CCTV to monitor the shop operation. The senior management will review those CCTV for the shops from time to time to ensure no illegal activities or disorderly behaviour is carried out in our shop. The Group has strict guidelines which are issued to the staff on this area. They have been instructed that, whenever they suspect there are illegal activities or disorderly behaviour taking place in the shop, they should immediately report to the shop manager and the shop manager must immediately report to the police. All the written statement made to the police must be sent to the compliance department for record. In addition, if the customer appears to be intoxicated, the Group will cease to supply any alcoholic beverages and request that customer to leave the shop.

Apart from the above procedures, the Group also has established and implemented workplace safety guidelines for the staff. Any accidents that occur will be reported to the compliance department of the Group and handled accordingly. The Directors believe that measures help reduce the number and seriousness of work injuries of the employees and are adequate and effective to prevent serious work injuries.

Development and Training

Standardised operation manual and training will be provided to new staff and existing staff from time to time. The administration and human resources department of the Group is responsible for staff training. In general, training is provided to all new staff. Regular trainings and briefings are also provided to the staff to update on any new industry regulations and our new marketing events. The Directors believe that relevant training is important to maintain the service quality and enhance the brand.

Labour Standards

Any individuals under legal working age and individuals without any identification documents are disqualified from employment. The Group has committed to protecting the labour rights of staff and established complaint mechanism for staff to report violation of labour right.

Supply Chain Management

To maintain long-term relationship with suppliers, the Group has entered into annual master purchase agreement, with most of its major suppliers.

The Group will conduct a half-yearly evaluation on the performance of its suppliers based on a set of criteria including product range, delivery schedule, service quality, price and credit terms. New suppliers are selected on the list of approved suppliers upon satisfactory results on checking their company websites, business registration, and if necessary, the performance review by the management of the Group on a trial test period.

Product Responsibility

To guarantee the beverage product quality, the Group's procurement policy is to select only suppliers on its approved list who have passed selection procedures. The Group's inventory mainly comprises beverages. Beer typically has shelf life of approximately one year while spirits typically do not state a shelf life. Although beer has shelf life, the inventory turnover rate for them is shorter than one year so the Group can ensure their quality and freshness. The operation department of the head office of the Group is responsible for managing the inventory both at the head office and at the shop level.

The shop managers and operation department will check the outer appearance of the beverage products to identify if there is any abnormality upon delivery to the shops and head office, respectively. Any beverage products which show signs of abnormality will be returned to the supplier for replacement or refund.

Anti-Corruption

The Group centralised the purchase of all beverages and other supplies (except light refreshments) for the shops by the operation department at the head office of the Group. The Directors believe that the centralised purchasing system may prevent any possible kickback arrangements between individual shops and the suppliers. Given that the Group is a retail chained bar group and the estimated average spending per customer is relatively small, the Group has not adopted any anti-money laundering procedures.

COMMUNITY INVESTMENT

The Company is actively involved in a variety of community initiatives. Leveraging the uniqueness of the bar business, the company aligns the resources of the company with the needs of communities, motivating our staffs to serve the community in different areas.

To the Members of Bar Pacific Group Holdings Limited

(Incorporated in the Cayman Islands with limited liability)

OPINION

We have audited the consolidated financial statements of Bar Pacific Group Holdings Limited (the "Company") and its subsidiaries (collectively referred to as "the Group") set out on pages 36 to 66, which comprise the consolidated statement of financial position as at 31 March 2017, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 March 2017, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the disclosure requirements of the Hong Kong Companies Ordinance.

BASIS FOR OPINION

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on those matters.

INDEPENDENT AUDITOR'S REPORT

KEY AUDIT MATTERS (Continued)

Key audit matter	How our audit addressed the key audit matter
<p>Revenue Recognition</p> <p>We identified revenue recognition as a key audit matter, as due to the significance of revenue of the Group to the consolidated statement of profit or loss and other comprehensive income.</p> <p>Revenue of the Group is recognised at the point of sales to customers. The accounting policy for revenue recognition is disclosed in note 3 to the consolidated financial statements. For the year ended 31 March 2017, revenue of the Group amounted to HK\$126,212,000, which is set out in the consolidated statement of profit or loss and other comprehensive income and note 4 to the consolidated financial statements.</p>	<p>Our procedures in relation to revenue recognition included:</p> <ul style="list-style-type: none">• Obtaining an understanding of the Group's revenue recognition policy;• Obtaining an understanding of the revenue business processes, and testing key manual and information technology controls for validity of revenue recognition with the involvement of our internal I.T. specialists;• Applying regression analysis technique to investigate any unusual patterns of revenue of the Group, and obtaining and assessing the management's explanations for any unusual patterns of revenue of the Group identified; and• Analysing the monthly revenue of each bar and assessing the reasonableness of management's explanations for any irregular fluctuations as identified by us.

OTHER INFORMATION

The directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

RESPONSIBILITIES OF DIRECTORS AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The directors of the Company are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

INDEPENDENT AUDITOR'S REPORT

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS *(Continued)*

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in the independent auditor's report is Chu, Johnny Chun Yin.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

1. GENERAL AND BASIS OF PRESENTATION OF CONSOLIDATED FINANCIAL STATEMENTS

The Company is a public limited company incorporated in Cayman Islands and its shares are listed on the GEM of the Stock Exchange since 11 January 2017. The addresses of the Company's registered office and principal place of business are Cricket Square, Hutchins Drive, PO Box 2681, Grand Cayman KY1-1111, Cayman Islands and Room D2, 11/F, Phase 2, Hang Fung Industrial Building, 2G Hok Yuen Street, Hung Hom, Kowloon, Hong Kong, respectively. The Company's immediate holding company and ultimate holding company are Moment to Moment Company Limited and Harneys Trustees Limited, respectively. Both companies are incorporated in the British Virgin Islands ("BVI"). The ultimate controlling parties are Ms. Tse Ying Sin Eva ("Ms. Tse") and Ms. Chan Ching Mandy ("Ms. Chan").

The principal activity of the Group is operation of chain of bars in Hong Kong under the brand name of Bar Pacific.

The consolidated financial statements are presented in Hong Kong dollars ("HKD"), which is also the same as the functional currency of the Company.

In preparation for the Listing, the Group underwent the Reorganisation.

Pursuant to the Reorganisation as set out in the section headed "History, Development and Reorganisation" in the prospectus dated 30 December 2016 issued by the Company (the "Prospectus"), which involved interspersing the Company, and certain companies between the then shareholders and the group entities, the Company became the holding company of the companies now comprising the Group on 15 December 2016.

The Company and its subsidiaries have been under the common control of the controlling shareholders before and after the Reorganisation or since their respective dates of incorporation, where there is a shorter period. Accordingly, the consolidated financial statements for the years ended 31 March 2016 and 31 March 2017 have been prepared under the principles of merger accounting in accordance with the Accounting Guideline 5 "Merger Accounting For Common Control Combinations" issued by the HKICPA. The consolidated statements of profit or loss and other comprehensive income, consolidated statements of changes in equity and consolidated statements of cash flows of the Group for the years ended 31 March 2016 and 31 March 2017 have been prepared as if the group structure upon completion of the Reorganisation had been in existence throughout the year, or since their date of incorporation, where there is a shorter period. The consolidated statement of financial position of the Group as at 31 March 2016 has been prepared to present the assets and liabilities of the companies now comprising the Group as if the group structure upon completion of the Reorganisation had been in existence at 31 March 2016 taking into account the respective date of incorporation, where applicable.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

2. APPLICATION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

The Group has consistently applied Hong Kong Financial Reporting Standards (“HKFRSs”), Hong Kong Accounting Standards (“HKASs”), amendments and interpretations issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) which are effective for annual accounting periods beginning on 1 April 2016 throughout the years reported.

The Group has not early applied the following new and revised HKFRSs and interpretation (the “new and revised HKFRSs”) that have been issued but are not yet effective:

HKFRS 9	Financial instruments ¹
HKFRS 15	Revenue from contracts with customers ¹
HKFRS 16	Leases ³
Amendments to HKFRS 2	Classification and measurement of share-based payment transactions ¹
Amendments to HKFRS 4	Applying HKFRS 9 “Financial instruments” with HKFRS 4 “Insurance contracts” ¹
Amendments to HKFRS 10 and HKAS 28	Sale or contribution of assets between an investor and its associate or joint venture ²
Amendments to HKFRS 15	Clarifications to HKFRS 15 “Revenue from contracts with customers” ¹
Amendments to HKAS 7	Disclosure initiative ⁴
Amendments to HKAS 12	Recognition of deferred tax assets for unrealised losses ⁴
Amendments to HKAS 40	Transfers of investment property ¹
Amendments to HKFRSs	Annual improvements to HKFRSs 2014–2016 cycle ⁵
HK (IFRIC)-Int 22	Foreign currency transactions and advance consideration ¹

¹ Effective for annual periods beginning on or after 1 January 2018

² Effective for annual periods beginning on or after a date to be determined

³ Effective for annual periods beginning on or after 1 January 2019

⁴ Effective for annual periods beginning on or after 1 January 2017

⁵ Effective for annual periods beginning on or after 1 January 2017 or 1 January 2018, as appropriate.

HKFRS 16 “Leases”

HKFRS 16 introduces a comprehensive model for the identification of lease arrangements and accounting treatments for both lessors and lessees. HKFRS 16 will supersede HKAS 17 “Leases” and the related interpretations when it becomes effective.

HKFRS 16 distinguishes lease and service contracts on the basis of whether an identified asset is controlled by a customer. Distinctions of operating leases and finance leases are removed for lessee accounting, and is replaced by a model where a right-of-use asset and a corresponding liability have to be recognised for all leases by lessees, except for short-term leases and leases of low value assets.

The right-of-use asset is initially measured at cost and subsequently measured at cost (subject to certain exceptions) less accumulated depreciation and impairment losses, adjusted for any remeasurement of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at that date. Subsequently, the lease liability is adjusted for interest and lease payments, as well as the impact of lease modifications, amongst others. For the classification of cash flows, the Group currently presents operating lease payments as operating cash flows. Under the HKFRS 16, lease payments in relation to lease liability will be allocated into a principal and an interest portion which will be presented as financing cash flows.

2. APPLICATION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS *(Continued)*

HKFRS 16 “Leases” *(Continued)*

In contrast to lessee accounting, HKFRS 16 substantially carries forward the lessor accounting requirements in HKAS 17, and continues to require a lessor to classify a lease either as an operating lease or a finance lease.

Furthermore, extensive disclosures are required by HKFRS 16.

As at 31 March 2017, the Group has non-cancellable operating lease commitments of HK\$32,946,000 as disclosed in note 24. A preliminary assessment indicates that these arrangements will meet the definition of a lease under HKFRS 16, and hence the Group will recognise a right-of-use asset and a corresponding liability in respect of all these leases unless they qualify for low value or short-term leases upon the application of HKFRS 16. In addition, the application of new requirements may result changes in measurement, presentation and disclosure as indicated above. However, it is not practicable to provide a reasonable estimate of the financial effect until the directors complete a detailed review.

Except as described above, the directors of the Company anticipate that the application of the other new and revised HKFRSs will have no material impact on the Group’s financial performance and positions and/or the disclosure to the consolidated financial statements of the Group.

3. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards issued by the HKICPA. In addition, the consolidated financial statements include applicable disclosures required by the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (“GEM Listing Rules”) and by the Hong Kong Companies Ordinance.

The consolidated financial statements have been prepared on the historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The principal accounting policies adopted are set out below.

Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company and its subsidiaries. Control is achieved when the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

3. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Basis of consolidation *(Continued)*

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary.

Profit or loss and each item of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial information of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

All intra-group assets, liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Changes in the Group's ownership interest in existing subsidiaries

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in other reserves and attributed to owners of the Company.

Revenue recognition

Revenue is measured at fair value of the consideration received or receivable. It represents amounts receivable from operation of bars and net of discounts.

Revenue from bar operations is recognised at the point of sales to customers.

Sponsorship income is recognised when the services have been rendered and the amount can be measured reliably.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts the estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

FOR THE YEAR ENDED 31 MARCH 2017

3. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Property, plant and equipment

Property, plant and equipment held for use in the operation of the bars, or for administrative purposes are stated in the consolidated statement of financial position at cost less subsequent accumulated depreciation and accumulated impairment losses, if any.

Depreciation is recognised so as to write off the cost of assets over their estimated useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Borrowing costs

Borrowing costs are recognised in profit and loss in the period in which they are incurred.

Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined using the first-in, first-out method. Net realisable value is the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Financial instruments

Financial assets and financial liabilities are recognised in the consolidated statement of financial position when the Group becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Financial assets

The Group's financial assets are loans and receivables. The classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial assets, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Interest income is recognised on an effective interest basis for debt instruments.

3. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Financial instruments *(Continued)*

Financial assets *(Continued)*

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in active market. Subsequent to initial recognition, loans and receivables (including trade and other receivables and bank balances and cash) are measured at amortised cost using the effective interest method, less any impairment (see accounting policy on impairment of financial assets below).

Impairment of financial assets

Financial assets are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial assets, the estimate future cash flows of the financial assets have been affected.

Objective evidence of impairment could include:

- significant financial difficulty of the issuer or counterparty; or
- breach of contract, such as default or delinquency in interest and principal payments; or
- it becoming probable that the borrower will enter bankruptcy or financial re-organisation.

For certain receivables that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the Group's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period, observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets carried at amortised cost, the amount of the impairment loss recognised is the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial asset's original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss. When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited to profit or loss.

If, in a subsequent period, the amount of impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment loss was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the asset at the date of the impairment loss is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

3. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Financial instruments *(Continued)*

Financial liabilities and equity instruments

Debt and equity instruments issued by a group entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of a group entity after deducting all of its liabilities. Equity instruments issued by the group entities are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

Financial liabilities including trade and other payables and amount due to a director are subsequently measured at amortised cost, using the effective interest method.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimate future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Interest expense is recognised on an effective interest basis.

Derecognition

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

3. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Impairment

At the end of each reporting period, the Group reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from “(loss) profit before taxation” as reported in the consolidated statement of profit or loss and other comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group’s current tax is calculated using tax rates that have been enacted or substantively enacted by the end of each reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

3. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Group as lessee

Assets held under finance leases are recognised as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the consolidated statement of financial position as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in profit or loss.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

Retirement benefits costs

Payments to defined contribution retirement benefits schemes are recognised as an expense when employees have rendered service entitling them to the contributions.

4. REVENUE AND SEGMENT INFORMATION

Revenue represents amounts receivable from operation of bars, net of discounts.

Operating segments are determined with reference to the reports and financial information reviewed by the directors of the Company and the officers responsible for finance and accounting matters, being the chief operating decision maker ("CODM") of the Group, for assessment of performance and allocation of resources. The Group has only a single operating segment which is operation of a chain of bars in Hong Kong.

For the purpose of resource allocation and performance assessment, the CODM reviews the overall results and financial position of the Group as a whole prepared based on same accounting policies set out in note 3.

No geographical information is shown as the revenue and profit from operations of the Group are all derived from its activities in Hong Kong.

The Group's customer base is diversified and no individual customer had transactions which exceeded 10% of the Group's revenue in both years.

The taxation charge comprises:		
Hong Kong Profits Tax		
— Current year	1,698	2,699
— Overprovision in prior years	(108)	–
	1,590	2,699

Hong Kong Profits Tax is calculated at 16.5% of the estimated assessable profit for both years.

Taxation charge for the year can be reconciled to the (loss) profit before taxation per the consolidated statement of profit or loss and other comprehensive income as follows:

	2017 HK\$'000	2016 HK\$'000
(Loss) profit before taxation	(1,790)	18,054
Tax (credit) charge at the applicable income tax rate at 16.5%	(295)	2,979

28. FINANCIAL INSTRUMENTS *(Continued)*

Financial risk management objectives and policies *(Continued)*

Interest rate risk

The Group is exposed to cash flow interest rate risk in relation to variable-rate bank balances. The Group currently does not have any interest rate hedging policy. The management of the Group monitors the Group's exposure on ongoing basis and will consider hedging interest rate risk should the need arises.

The Group's cash flow interest rate risk is mainly concentrated on the fluctuation of prevailing market interest rates arising from the Group's bank balances.

No sensitivity analysis on interest rate risk is presented as the directors of the Company consider the interest rate fluctuation on variable-rate bank balances is not significant.

Credit risk

The Group's maximum exposure to credit risk in the event of the counterparties failure to perform their obligations, at the end of each reporting period in relation to each class of recognised financial assets, is the carrying amount of those assets stated in the consolidated statement of financial position.

The credit risk on bank balances and trade receivables is limited as such amounts are placed with or due from financial institutions with good reputation or credit rating.

Liquidity risk

The Group's policy is to regularly monitor its liquidity requirements to ensure that it maintains sufficient reserves of cash and adequate committed lines of funding in the short and longer term.

All of the Group's liabilities are carried at amounts not materially different from their contractual undiscounted cash flows as all the financial liabilities are with maturities within one year or repayable on demand at the end of each reporting period.

Fair value measurements of financial instruments

The directors of the Company considers that the carrying amounts of financial assets and liabilities recorded at amortised cost in the consolidated financial statements approximate their fair values at the end of each reporting period.
