Annual Report

2017

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET ("GEM") OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors (the "Directors") of Pak Wing Group (Holdings) Limited (the "Company" and together with its subsidiaries, the "Group") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

CHAIRMAN'S STATEMENT

Dear Shareholders,

On behalf of the board (the "Board") of directors (the "Director") of Pak Wing Group (Holdings) Limited (the "Company"), I am delighted to present the annual report of the Company and its subsidiaries (collectively the "Group") for the year ended 31 March 2017 (the "Year").

REVIEW

The Group achieved a key milestone in its history that the shares of the Company were successfully listed on GEM on 10 August 2015 (the "Listing"). The successful Listing on GEM greatly has greatly enhanced the Group's profile in the industry and also provided a readily accessible capital platform for the Group to tender the projects with larger contract sum in the future. During the Year, the Group tendered two projects with a total contract sum of approximately HK$156.6 million which are expected to be completed in year 2018.

For the Year, the Group recorded an increase in turnover of approximately HK$30.0 million or 28.0% to HK$137.3 million compared with the year ended 31 March 2016. The increase revenue was mainly due to the contribution from three major projects which contributed approximately HK$66.8 million.

PROSPECT

However, the lengthening of the funding approval process in the Legislative Council for the planned public works by persistent filibustering in 2015 deteriorates the construction industry in Hong Kong, which has resulted in fewer projects in the pipeline for the construction industry as a whole and also increased the competition from other contractors seeking to tender projects at low price, which in turn affect the Group's profit margin. The deterioration in economic environment and the increasing labour costs have also posed plenty of challenges to the Group and is expected to continue in 2017.

APPRECIATION

On behalf of the Board, I wish to take this opportunity to express my gratitude to our shareholders, customer, business partners and supplier for their continue support, and to our management and staff members for their commitment and contribution throughout the years.

Pak Wing Group (Holdings) Limited
Zhang Weijie
Chairman and Executive Director

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW AND OUTLOOK

The Group is principally engaged as a foundation subcontractor in Hong Kong. The projects involved LS work (as defined in the prospectus dated 28 July 2015 (the "Prospectus")), mini piling, H-piling and other works. Its customers principally comprise main contractors and subcontractors. The Group is normally required to follow the pre-determined schedule of rates according to the specifications of types of works to be done, with the necessary construction materials and labour to be used.

The successful listing on GEM has greatly enhanced the Group's profile in the industry and also provided a readily accessible capital platform for the Group to tender the projects with larger contract sum in the future. During the Year, the Group tendered two projects with a total contract sum of approximately HK$156.6 million which are expected to be completed in year 2018.

However, the lengthening of the funding approval process in the Legislative Council for the planned public works by persistent filibustering in 2015 deteriorates the construction industry in Hong Kong, which has resulted in fewer projects in the pipeline for the construction industry as a whole and also increased the competition from other contractors seeking to tender projects at low price, which in turn affect the Group's profit margin. The deterioration in economic environment and the increasing labour costs have also posed plenty of challenges to the Group and is expected to continue in 2017.

In view of the significant decrease in the gross profit margin of the Group for the year ended 31 March 2017, while the Group will continue its existing principal business, it will conduct a review of the business activities and assets of the Group for the purpose of formulating business plans and strategies for the future business development of the Group. The Group may explore other business opportunities and consider whether any asset disposal, asset acquisitions, business rationalisation, business divestment, fund raising, restructuring of the existing business and/or business diversification will be appropriate in order to enhance the long-term growth potential of the Group.

FINANCIAL REVIEW

REVENUE

The Group's revenue for the Year was approximately HK$137.3 million, representing an increase of approximately HK$30.0 million or 28.0% as compared to the revenue for the year ended 31 March 2016. The increase was mainly due to the contribution from three major projects which contributed approximately HK$66.8 million.

GROSS (LOSS)/PROFIT AND GROSS (LOSS)/PROFIT MARGIN

For the Year, the Group recorded a gross loss of approximately HK$13.5 million (2016: gross profit approximately HK$1.0 million) and the gross loss margin was approximately 9.8% (2016: gross profit margin 0.9%). The declined gross profit margin was a result of an increase in sub-contracting charges and machinery rental expenses incurred in order to meet additional requirements of certain foundation projects, and the increasing competition from other contractors seeking to tender projects at low price.

ADMINISTRATIVE EXPENSES

The administrative expenses decreased by approximately HK$7.2 million or 28.5% from approximately HK$25.3 million for the year ended 31 March 2016 to approximately HK$18.0 million for the year ended 31 March 2017. The decrease was mainly due to the one-off legal and professional expenses incurred in the year ended 31 March 2016 in connection with the Listing.

FINANCE COSTS

Finance costs increased by approximately HK0.2 million or 28.6% from approximately HK$0.8 million for the year ended 31 March 2016 to approximately HK$1.0 million for the year ended 31 March 2017. The increase was mainly due to an increase in finance leases and interest on loans from directors.

LOSS AND TOTAL COMPREHENSIVE INCOME ATTRIBUTABLE TO OWNERS OF THE COMPANY

Loss and total comprehensive income for the Year was approximately HK$28.9 million (2016: HK$22.2 million). Such decrease was mainly due to the decrease in gross profit for the year ended 31 March 2017.

LIQUIDITY, FINANCIAL RESOURCES AND CAPITAL STRUCTURE

The Group's shares were successfully listed on GEM on 10 August 2015. There has been no change in the capital structure of the Group since the date of Listing and up to the date of this report.

	2017 **HK$'000**	2016 HK$'000
Current assets	**50,032**	49,876
Current liabilities	**42,296**	26,451
Current ratio	**1.18**	1.89

The current ratio of the Group as at 31 March 2017 was approximately 1.18 times as compared to that of approximately 1.89 as at 31 March 2016.

As at 31 March 2017, the Group had total cash and cash equivalents of approximately HK$19.2 million (2016: approximately HK$20.0 million).

As at 31 March 2017 and 31 March 2016, the Group had loans from directors, bank borrowings and finance leases in total of approximately HK$23.3 million and HK$16.6 million respectively. The scheduled repayment date of the Group were as follows:

	2017	2016
	HK$'000	HK$'000
Within 1 year	**6,301**	8,370
Between 1 and 2 years	**5,656**	4,157
Between 2 and 5 years	**11,375**	4,113
	23,332	16,640

GEARING RATIO

The Group monitors capital using a gearing ratio, which is net debt divided by total capital. Net debt is calculated as the total of obligation under finance leases, amount due to directors, loans from directors and bank borrowings and less cash and cash equivalents. Capital represents equity of the Group.

	2017	2016

N/A as the gearing ratio is negative.

DIVIDEND

The Board does not recommend the payment of final dividend for the Year (2016: nil).

CONTINGENT LIABILITIES

As at 31 March 2017, the Group did not have any significant contingent liabilities.

PLEDGE OF ASSETS

As at 31 March 2017, the Group had no assets pledged for bank borrowings or for other purpose.

CAPITAL COMMITMENTS

The Group's capital commitments outstanding as at 31 March 2017, not provided for in the financial statement are as follows:

	2017	2016
	HK$'000	HK'000
Contracted but not provided for: Property, plant and equipment	**–**	1,000

As at 31 March 2017, the Group did not have other significant commitments.

MATERIAL ACQUISITIONS AND DISPOSALS OF SUBSIDIARIES AND AFFILIATED COMPANIES

During the Year, the Group did not have any material acquisitions and disposal of subsidiaries and affiliated companies.

SIGNIFICANT INVESTMENTS HELD BY THE GROUP

During the Year, there was no significant investment held by the Group.

FUTURE PLAN FOR MATERIAL INVESTMENTS AND CAPITAL ASSETS

The Group does not have any concrete plan for material investments or capital assets as at 31 March 2017.

FOREIGN CURRENCY EXPOSURE

As most of the Group's business transactions, assets and liabilities are principally denominated in Hong Kong dollars, the Group's exposure to exchange rate risk is limited.

TREASURY POLICIES

The Group adopts a conservative approach towards its treasury policies. The Group's credit risk is primarily attributable to trade and retention receivables and deposits with banks. The credit risk of the Group's trade and retention receivables is concentrated since approximately 84.8% of which was derived from five major customers as at 31 March 2017 (2016: approximately 86.9%). As the customers of the Group are reputable corporations, the credit risk is considered to be low. The Group's major bank balances are deposited with banks with good reputation and hence the management does not expect any losses from non-performance by these banks. In relation to the management of liquidity risk, the Group's policy is to regularly monitor the liquidity requirements in order to maintain sufficient reserves of cash and adequate committed lines of funding from major banks to meet the liquidity requirements in short and long term.

EMPLOYEES AND REMUNERATION POLICY

As at 31 March 2017, the Group employed a total of 63 staff. The total employee remuneration, including remuneration of the Directors, for the Year amounted to approximately HK$33.7 million.

The Group entered into separate labour contracts with each of our employees in accordance with the applicable labour laws in Hong Kong. The Group provides its staff with various benefits including discretionary bonus, contributory provident fund and medical insurance. The Group also provides and sponsors various types of training to employees and offer options that may be granted to employees under the share option scheme.

USE OF PROCEEDS FROM PLACING

On 19 September 2016, the Group has resolved to change the proposed use of the net proceeds from the placing to determine the most efficient and effective method to deploy the Group's resources. The details of the revised allocation of the net proceeds based on the announcement of the Company dated 19 September 2016 and utilisation of the net proceeds as at 31 March 2017 are set out as follows:

	Revised allocation of net proceeds as stated in the announcement of the Company dated 19 September 2016	**Actual use of net proceeds up to 31 March 2017**
	HK$'000	HK$'000
Acquiring machinery	14,400	10,226
Strengtheing our manpower	4,400	3,169
General working capital	5,500	5,500
	24,300	18,895

PRINCIPAL RISKS AND UNCERTAINTIES

The Group's key risk exposures are summarised as follows:

(i) The Group's past revenue and profit margin may not be indicative of the Group's future revenue and profit margin.

(ii) The Group determined the project price based on estimated time and costs involved in a project, which may deviate from actual time and cost incurred. Inaccurate estimation may adversely affect our financial results.

(iii) The Group's business operations depend on the expertise and continuing performance of the key management personnel and there is no assurance that the Group can hire and retain them.

(iv) Failure to invest in suitable machinery may adversely affect the Group's market competitiveness.

(v) Acquiring machinery may result in an increase in depreciation expenses, machine operator costs, repair and maintenance costs and cash flow used in investing activities and may adversely affect the Group's operating results and financial position.

(vi) As the Group from time to time engages subcontractors, the Group may bear responsibilities for any non-performance, delayed performance, sub-standard performance or non-compliance of the Group's subcontractors.

(vii) The Group is exposed to possible environmental liability.

For other risks and uncertainties facing by the Group, please refer to the section headed "Risks Factors" in the Prospectus.

ENVIRONMENTAL POLICIES AND PERFORMANCE

The Group's operations at work sites are subject to certain environmental requirements pursuant to the laws in Hong Kong, including primarily those in relation to air pollution control, noise control, waste disposal and waste water disposal.

Area	**Measures**
Air pollution control	(i) Dust suppression by use of water (ii) Installation of dust screens as required (iii) Use of low-dust techniques and equipment as required
Noise control	(i) Installation of acoustic barriers as required (ii) Inspection and maintenance of all equipment before use for compliance of permitted noise level (iii) Works to be undertaken in accordance with the permitted work hours as specified by our customers
Waste disposal	(i) Waste to be segregated into general wastes and construction wastes before transporting to landfills
Waste water disposal	(i) Use of sedimentation tanks to reduce the suspended solids in the waste water to be discharged (ii) After the sedimentation process to the waste water, pumping into the filtration plant before discharging into approved discharge points

Our Directors consider that our measures and work procedures adopted are appropriate and adequate. During the Year, the Group has not in violation of applicable environmental laws and regulations which would have a material adverse impact on our business, financial condition or results of operations of the Group.

COMPLIANCE WITH LAWS AND REGULATIONS

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, the Group has complied in material respects with the relevant laws and regulations that have a significant impact on the business and operation of the Company and its subsidiaries during the Year.

RELATIONSHIP WITH CUSTOMERS, SUPPLIERS, SUBCONTRACTORS AND EMPLOYEES

Customers

The Group's customers are principally main contractors and subcontractors of construction projects in the private and public sectors. Set out below is an analysis of the Group's revenues generated from projects in private and public sectors during the years:

	Year ended 31 March			
	2017		2016	
	Revenue HK$'000	**% of total revenue**	Revenue HK$'000	% of total revenue
Private sector	**93,364**	**68.0%**	76,320	71.1%
Public sector	**43,946**	**32.0%**	30,986	28.9%
	137,310	**100%**	107,306	100%

During the Year, the Group generated revenue from a total of 13 customers, among which, our five largest customers accounted for approximately 87.8% (2016: 85.2%) for the Year of our total revenue, and our largest customer accounted for approximately 37.7% (2016: 40.0%) of our total revenue for the Year. The Group generated approximately 43.8% of our revenue from 5 first-time customers for the Year, and for the year ended 31 March 2016, the Group generated approximately 24.0% of our revenue from 6 first-time customers. The Group has had good business relationship with most of the top customers which the Directors believe implying that the Group is the one of the selected subcontractors on such customers' approved lists of subcontractors and the Group being invited to tender or quote from time to time.

To the best knowledge of the Directors, none of the Directors or any of their respective close associates, or any shareholder had any interest in the Group's five largest customers.

Suppliers

The Group's suppliers primarily supply construction materials (such as cement, machinery spare parts and loose tools, diesel fuel and/or steel pile and casing) and/or services which primarily include machinery rental and machinery repair and maintenance. The Group generally orders relevant construction materials and services on a project-by-project basis, and do not enter into any long-term supply agreements with our suppliers. Our largest and five largest suppliers accounted for not exceeding 30% to of our total costs of services for the year ended 31 March 2017 and 2016.

To the best knowledge of the Directors, none of the Directors or any of their respective close associates, or any shareholder had any interest in the Group's five largest suppliers.

Subcontractors

During the Year, the Group subcontracted a portion of the works which primarily consisted of drilling, grouting and geotechnical works to other parties with an aim to utilise the Group's own manpower and machinery in a more cost efficient manner. The Group's subcontracting fees represented approximately 44.5% and 14.9% of our total costs of services for the year ended 31 March 2017 and 2016 respectively. Our largest subcontractors accounted for approximately 24.3% of our total costs of services for the Year (2016: 3.6%). Our five largest subcontractors accounted for approximately 40.2% of our total costs of services for the Year (2016: 12.0%).

To the best knowledge of the Directors, none of the Directors or any of their respective close associates, or any shareholder had any interest in the Group's five largest subcontractors.

The Group selected subcontractors on a project-by-project basis, based on the Group's assessment of their (i) service quality; (ii) timeliness on delivery; (iii) price; and (iv) whether they have a quality assurance system that meets the Group's works requirements. The Group regularly reviews and updates the internal approved list of subcontractors according to the Group's evaluation.

Employees

The Group recognises employees as valuable assets of the Group and during the Year, the Group endeavored to attract and retain appropriate and suitable personnel to serve the Group. The Group assesses the available human resources on a continual basis and will determine whether additional personnel are required to cope with the business development of the Group.

The Directors consider that the Group has maintained good relationship with its employees. The Group does not experience any labour disputes nor does the Group experience any difficulties in the recruitment and retaining of experienced or skilled staff members which would have hand a material impact on the Group business, financial condition or results of operations. The Group has not set up any trade union for its employees.

The Group is principally engaged in the foundation business as a foundation subcontractor in Hong Kong. The projects involved LS work, mini piling, H-piling and other works. The target customers principally comprise main contractors and subcontractors.

The Group has strived to be an enterprise fulfilling social responsibilities. Over the years, the Group has delivered positive messages to key stakeholders and has taken care of their interests, such as creating greater value for shareholders, providing high quality products and services to customers, and providing employees with appropriate and competitive benefits. These enable the Group to become an open, transparent and fair enterprise with social responsibility, and therefore increasing the public understanding of the Group.

During the year, the Company first releases the Group's Environment, Social and Governance Report. This report, which is included in the 2017 annual report, has been published in accordance with the Environmental, Social and Governance Reporting Guide of the GEM Listing Rules.

The details of the Group's environmental, social and governance principles are set out below.

INTRODUCTION

We are committed to achieving and maintaining high standards of corporate governance, as our Board believes that good and effective corporate governance practices are key to obtaining and maintaining the trust of the shareholders of the Company and other stakeholders, and are essential for encouraging accountability and transparency so as to sustain the success of the Group and to create long-term value for the shareholders of the Company.

CORPORATE GOVERNANCE PRACTICE

The Company has applied the principles and code provisions in the Corporate Governance Code and Corporate Governance Report (the "Code") as set out in Appendix 15 to the GEM Listing Rules as its corporate governance practices. As at the date of this report, to the best knowledge of the Board, the Company had complied with the code provisions in the Code, except for the deviation from Rules 5.05(1) and 5.28 of the GEM Listing Rules and code provision A.2.1 of the Code which are explained in the sections headed "Board of Directors" and "Chairman and Chief Executive Officer" in this corporate governance report.

DIRECTORS' SECURITIES TRANSACTIONS

The Company has adopted a code of conduct for dealing in securities of the Company by the Directors in accordance with Rules 5.48 to 5.67 of the GEM Listing Rules. Having made specific enquiries of all Directors, all Directors confirmed that they have complied with the required standard of dealings and the code of conduct regarding securities transactions by directors adopted by the Company during the Year.

BOARD OF DIRECTORS

Up to the date of this annual report, the Board comprised five Directors, including three executive Directors, namely Mr. Zhang Weijie, Mr. Wong Chin To and Mr. Lui Man Wah, and two independent non-executive Directors, namely Mr. Wong Chi Shing and Mr. Lau Yik Lok.

The overall management of the Company's business is vested in the Board which assumes the responsibility for leadership and control of the Company and is collectively responsible for promoting the success of the Company by directing and supervising its affairs. All the Directors should make decisions objectively in the interests of the Company. The Board has the full support from the executive Directors to discharge its responsibilities.

The day-to-day management, administration and operation of the Company are delegated to the executive Directors. The delegated functions and work tasks are periodically reviewed. Approval has to be obtained from the Board prior to any significant transactions entered into by the executive Director(s). The Board also assumes the responsibilities of maintaining high standard of corporate governance, including, among others, developing and reviewing the Company's policies and practices on corporate governance, reviewing and monitoring the training and continuous professional development of Directors, reviewing and monitoring the Company's policies and practices on compliance with legal and regulatory requirements, and reviewing the Company's compliance with the Code and the disclosures in this annual report. All Directors, including independent non-executive Directors, have brought a wide spectrum of valuable business experience, knowledge and professionalism to the Board for its efficient and effective delivery of the Board functions. Independent non-executive Directors are invited to serve on the Audit Committee, the Remuneration Committee and the Nomination Committee (as defined under the paragraph headed "Board Committees").

The biographical details of the Directors and other senior management are set out in the section headed "Biographical Details of Directors and Senior Management" on pages 25 to 27 of this annual report. Save as disclosed in the section headed "Biographical Details of the Directors and Senior Management" in this annual report, each of the Board members has no financial, business, family or other material or relevant relationships with each other.

Corporate Governance Functions

The Board is responsible for performing the corporate governance duties as set out in paragraph D.3.1 of the Code, which include the following:

1. to develop and review the policies and practices on corporate governance of the Group and make recommendations;
2. to review and monitor the training and continuous professional development of the Directors and senior management;
3. to review and monitor the Group's policies and practices on compliance with legal and regulatory requirements;
4. to develop, review and monitor the code of conduct and compliance manual (if any) applicable to the Directors and employees; and
5. to review the Company's compliance with the Code and disclosure in the corporate governance report of the Company.

Composition

The composition of the Board up to the date of this annual report is set out as follows:

Executive Directors

Mr. Zhang Weijie *(Chairman)*	(appointed on 28 April 2017)
Mr. Wong Chin To	
Mr. Tse Chun Kit	(resigned on 19 May 2017)
Ms. Chan Siu Ying	(resigned on 1 September 2016)
Mr. Lui Man Wah	(appointed on 1 September 2016)
Mr. Ee Kok Wai, Thomas	(appointed on 1 September 2016 and resigned on 19 May 2017)

Independent non-executive Directors

Mr. Wong Chi Shing	
Mr. Kuo Tung Ming	(resigned on 20 January 2017)
Ms. Si Tou Man Wai	(resigned on 26 September 2016)
Mr. Yan Chun Fu	(appointed on 26 September 2016 and resigned on 19 May 2017)
Mr. Lau Yik Lok	(appointed on 20 January 2017, resigned on 19 May 2017 and reappointed on 19 May 2017)

Following the resignation of Mr. Yan Chun Fu as an independent non-executive Director on 19 May 2017, the Board has only two independent non-executive Directors, the number of which falls below the minimum number required under Rule 5.05(1) of the GEM Listing Rules. As a result of insufficient number of independent non-executive Directors, the Company has also failed to comply with the minimum number of committee members requirements regarding its Audit Committee under Rules 5.28 of the GEM Listing Rules. The Board will make every effort to ensure that action is taken as soon as possible and in any event within three months to comply with Rules 5.05(1) and 5.28 of the GEM Listing Rules. Further announcement will be made by the Company upon fulfilling such requirements.

The Company has received from each independent non-executive Director an annual confirmation of his independence, and the Company considers such directors to be independent in accordance with each and the various guidelines set out in rule 5.09 of the GEM Listing Rules.

TERMS OF APPOINTMENT AND RE-ELECTION OF DIRECTORS

Each of our executive Directors has entered into a service contract with our Company and we have issued letters of appointment to each of our independent non-executive Directors. The service contracts and letters of appointment are subject to termination in accordance with their respective terms. The service contracts may be renewed in accordance with our articles of association and the applicable GEM Listing Rules.

According to Article 108 of our articles of association (the “Article”), one-third of the Directors for the time being shall retire from office by rotation at every annual general meeting of the Company, provided that every Director shall retire from office by rotation and are subject to re-election at annual general meeting at least once every three years. According to Article 112, Directors who are appointed to fill casual vacancies shall hold office only until the next following general meeting after their appointment, and are subject to re-election by shareholders of the Company.

Each of Mr. Zhang Weijie, Mr. Wong Chin To, Mr. Lui Man Wah, Mr. Wong Chi Shing and Mr. Lau Yik Lok will retire from office as Directors at the forthcoming annual general meeting of the Company to be held on 11 August 2017 pursuant to Articles. Mr. Zhang Weijie, Mr. Wong Chin To, Mr. Lui Man Wah, Mr. Wong Chi Shing and Mr. Lau Yik Lok, being eligible, will offer themselves for re-election.

At the forthcoming annual general meeting of the Company, separate ordinary resolutions will be put forward to the shareholders of the Company in relation to the proposed election of Mr. Zhang Weijie, Mr. Wong Chin To and Mr. Lui Man Wah as executive Directors, Mr. Wong Chi Shing and Mr. Lau Yik Lok as independent non-executive Directors, all for a term commencing from the date of the annual general meeting which approves their appointments and ending at the conclusion of the third subsequent annual general meeting of the Company.

CHAIRMAN AND CHIEF EXECUTIVE OFFICER

Under code provision A.2.1 of the Code, the roles of chairman and chief executive officer (the "CEO") should be separated and should not be performed by the same individual. The division of responsibilities between the chairman and CEO should be clearly established and set out in writing. Mr. Zhang Weijie is the chairman of the Board and is responsible for major decision making, implementation of business strategies and overseeing the overall operation of the Group. Since 19 May 2017, the Company has no such position of the CEO and therefore the daily operations and management of the Group are monitored by the executive Directors. The Board is of the view that, notwithstanding without the presence of CEO, the balance of power and authority is ensured by the operations of the Board, which comprises experienced individuals who would meet from time to time to discuss issues affecting the operations of the Group.

CONTINUOUS PROFESSIONAL DEVELOPMENT

Pursuant to Code Provision A.6.5 of GEM Listing Rules, all Directors should participate in continuous professional development to develop and refresh their knowledge and skills. This is to ensure that their contribution to the Board remains informed and relevant. The Company Secretary reports from time to time the latest changes and development of the Listing Rules, corporate governance practices and other regulatory regime to the Directors with written materials, on the professional knowledge and latest development of regulatory requirements related to director's duties and responsibilities. Up to the date of this report, all Directors have participated in continuous professional development by reading in-house training handbook, relevant materials or attending training seminar on the topics related to corporate governance.

All Directors also understand the importance of continuous professional development and are committed to participating any suitable training or reading relevant materials in order to develop and refresh their knowledge and skills.

BOARD COMMITTEES

The Board has established three board committees, namely, the Remuneration Committee, the Nomination Committee and the Audit Committee, for overseeing particular aspects of the Company's affairs. All Board committees have been established with defined written terms of reference, which are posted on the GEM's website "www.hkgem.com" and the Company's website at "www.pakwingc.com". All the Board committees should report to the Board on their decisions or recommendations made.

The practices, procedures and arrangements in conducting meetings of Board committees follow in line with, so far as practicable, those of the board meetings set out below.

All Board committees are provided with sufficient resources to perform their duties and, upon reasonable request, are able to seek independent professional advice in appropriate circumstance, at the Company's expense.

The Board is responsible for performing the corporate governance duties set out in the Code which includes, amongst others, developing and reviewing the Company's policies and practices on corporate governance, training and continuous professional development of Directors, and reviewing the Company's compliance with the code provision in the Code and disclosures in this report.

AUDITOR'S REMUNERATION

The amount of fees charged by the external auditor generally depends on the scope and volume of the external auditor's work performed. For the Year, the remuneration paid or payable to the external auditor of the Company in respect of the statutory audit services and non-audit services for the Group are as follows:

	Fees paid/payable for the services rendered HK$'000
Statutory audit services	500
Non-audit services	127

The non-audit services mainly consisted of the reporting on the agreed-upon-procedures in relation to the circular.

INTERNAL CONTROLS

The Board has overall responsibility for the establishment, maintenance and review of the Group's internal control system to safeguard shareholder investments and the assets of the Group. The internal control system of the Group aims to facilitate effective and efficient operation which in turn minimises the risks to which the Group is exposed. The system can only provide reasonable but not absolute assurance against misstatement or losses.

The Board has conducted a review of the implemented system and procedures, covering financial, operational and legal compliance controls and risk management functions. The Directors consider that the Group has implemented effective and adequate procedures safeguarding the Group's assets against unauthorised use or misappropriation, maintaining proper accounting records, execution with appropriate authority and compliance of the relevant laws and regulations.

The Company does not have an internal audit department. The Board has reviewed the need for an internal audit function and is of the view that in light of the size, nature and complexity of the business of the Group, as opposed to diverting resources to establish a separate internal audit department, it would be more cost effective to appoint external independent professionals to perform independent review of the adequacy and effectiveness of the risk management and internal control systems of the Group. Nevertheless, the Board will continue to review at least annually the need for an internal audit department.

COMMUNICATION WITH SHAREHOLDERS AND INVESTOR RELATIONS

The Company has adopted shareholders communication policy with objective of ensuring that the shareholders and potential investors are provided with ready, equal and timely access to balanced and understandable information about the Company.

The Company has established several channels to communicate with the shareholders as follows:

(I) corporate communications such as annual reports, quarterly reports, interim reports and circulars are issued printed form and are available on the GEM website "www.hkgem.com" and the Company's website at "www.pakwingc.com";

(II) periodic announcements are made through the Stock Exchange and published on the respective websites of the Stock Exchange and the Company;

(III) corporate information is made available on the Company's website;

(IV) annual and special general meetings provide a forum for the shareholders to make comments and exchange views with the Directors and senior management; and

(V) the Hong Kong share registrar of the Company serves the shareholders in respect of share registration, dividend payment and related matters.

The Company keeps on promoting investor relations and enhancing communication with the existing shareholders and potential investors. It welcomes suggestions from investors, stakeholders and the public. Enquires to the board or the Company may be sent by post to the Company's principal place of business in Hong Kong.

During the Year, there is no significant change in the Company's memorandum and articles of association.

SHAREHOLDERS' RIGHT

As one of the measures to safeguard shareholders' interest and rights, separate resolutions are proposed at shareholders' meetings on each substantial issue, including the election of individual directors, for shareholders' consideration and voting. All resolutions put forward at shareholders' meeting will be voted by poll pursuant to the GEM Listing Rules and the poll voting results will be posted on the GEM website and the Company's website after the relevant shareholders' meeting.

Extraordinary general meeting may be convened by the board on requisition of shareholders holding not less than one-tenth of the paid up capital of the Company or by such shareholders who made the requisition (the "Requisitionists") (as the case may be) pursuant to Article 64 of the articles of association. Such requisition must state the object of business to be transacted at the meeting and must be signed by the Requisitionists and deposited at the registered office of the Company or the Company's principal place of business in Hong Kong. Shareholders should follow the requirements and procedures as set out in such article for convening an extraordinary general meeting. Shareholders may put forward proposals with general meeting of the Company by sending the same to the Company at the principal office of the Company in Hong Kong.

For putting forward any enquiries to the Board, shareholders may send written enquiries to the Company. Shareholders may send their enquiries or requests in respect of their rights to the Company's principal place of business in Hong Kong.

DIRECTORS' RESPONSIBILITY FOR CONSOLIDATED FINANCIAL STATEMENTS

The Directors acknowledge and understand their responsibility for preparing the consolidated financial statements and to ensure that the consolidated financial statements of the Group are prepared in a manner which reflects the true and fair view of the financial position, financial performance and cash flows of the Group and are in compliance with the relevant accounting standards and principles, applicable laws and disclosure provisions required of the GEM Listing Rules. The Directors are of the view that the consolidated financial statements of the Group for the Year has been prepared on this basis.

To the best knowledge of the Directors, there is no uncertainties relating to events or conditions that may cast significant doubt upon the Company's ability to continue as a going concern, therefore the Directors continue to adopt the going concern approach in preparing the consolidated financial statements. The Company's external auditor's responsibilities in respect of the consolidated financial statements is set out in the Independent Auditor's Report on pages 48 to 52 of this report.

CORPORATE GOVERNANCE

Details of the Company's corporate governance practices are set out in the Corporate Governance Report on pages 28 to 37 of this annual report.

CHANGE OF CONTROLLING SHAREHOLDER AND THE OFFER

On 24 February 2017, Get Real Holdings Limited and Dor Holdings Limited (the "**Sellers**") and Steel Dust Limited ("**Steel Dust**") entered into the sale and purchase agreement ("**Sale and Purchase Agreement**"), pursuant to which the Sellers agreed to sell and Steel Dust agreed to purchase a total of 600,000,000 shares, representing approximately 75.0% of the entire issued share capital of the Company at that time, for a total consideration of HK$300,000,000 (equivalent to HK$0.50 per sale shares). Following the completion of the Sale and Purchase Agreement which took place on 8 March 2017, Steel Dust had become the controlling shareholder of the Company and was required under the Code on Takeovers and Mergers to make a mandatory unconditional cash offer to acquire all the issued shares (other than those already owned or agreed to be acquired by the Steel Dust Limited and parties acting in concert with it) at HK$0.50 per offer share (the "**Offer**"). The Offer was closed on 19 May 2017. Having made all reasonable enquiries and to the best knowledge and belief of the Board, Steel Dust held 674,520,000 shares immediately after the close of Offer on 19 May 2017. Details of the change of controlling shareholder and the Offer are set out in the joint announcements dated 6 March 2017 and 8 March 2017 and 19 May 2017 and the composite document dated 28 April 2017 jointly issued by the Company and Steel Dust.

SUFFICIENCY OF PUBLIC FLOAT

Immediately after the close of the Offers on 19 May 2017, the public float of the Shares of the Company has fallen to approximately 15.685%, which is below the minimum public float requirement under Rule 11.23(7) of the GEM Listing Rules. The Company has applied to the Stock Exchange for a temporary waiver from strict compliance with Rule 11.23(7) of the GEM Listing Rules (the "**Waiver**") from the period commencing from 19 May 2017 to 18 July 2017(the "**Waiver Period**"). On 23 May 2017, the Stock Exchange has granted the Waiver to the Company for the Waiver Period.

INDEPENDENCE OF INDEPENDENT NON-EXECUTIVE DIRECTORS

The Company has received from each of the independent non-executive Directors in writing and annual confirmation of his independence pursuant to Rule 5.09 of the GEM Listing Rules and the Company considers all the independent non-executive Directors to be independent.

INDEPENDENT AUDITOR

The consolidated financial statements of the Group for the year ended 31 March 2017 has been audited by BDO Limited. A resolution will be proposed at the forthcoming Annual General Meeting of the Company to re-appoint BDO Limited as auditor of the Company.

TO THE SHAREHOLDERS OF PAK WING GROUP (HOLDINGS) LIMITED

(incorporated in the Cayman Islands with limited liability)

OPINION

We have audited the consolidated financial statements of Pak Wing Group (Holdings) Limited (the "Company") and its subsidiaries (together the "Group") set out on pages 53 to 99, which comprise the consolidated statement of financial position as at 31 March 2017, and the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 March 2017, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the disclosure requirements of the Hong Kong Companies Ordinance.

BASIS FOR OPINION

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the HKICPA's "Code of Ethics for Professional Accountants" (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Accounting for construction contracts

As described in the Significant Accounting Policies in Note 4(h) to the consolidated financial statements, the Group recognises revenue and costs associated with its construction contracts based on the stage of completion of contract activity at the end of the reporting period, when the outcome of construction contracts can be estimated reliably. The stage of completion of contracts is established by reference to surveys of contract work performed. When it is probable that total contract costs will exceed total contract revenue for a contract, the expected loss is recognised as an expense immediately.

As presented in the consolidated statement of comprehensive income, the Group's construction contract revenue and costs for the year ended 31 March 2017 amounted to approximately HK$137,310,000 and HK$150,790,000, respectively.

We identified the accounting for construction contracts as a key audit matter as it requires management to exercise significant judgement on the outcome and stage of completion of each construction contract and to estimate the profitability of each on-going construction contract during the reporting period, and the associated financial statement items are quantitatively significant to the consolidated financial statements as a whole.

Our response:

Our principal audit procedures in relation to accounting for construction contracts are as follows:

– Obtaining an understanding of and evaluating internal controls on recognition of contract revenue and costs;

– Discussing with the Group's management about the progress of the construction projects;

– Checking the basis used for estimating the budgeted revenue to underlying construction contracts entered into with the customers and other relevant supporting documents in respect of variations in construction works;

– Evaluating the reasonableness of budgeted costs, including (i) for subcontracting costs contracted for, agreeing the budgeted costs to the underlying contracts; (ii) for estimation of costs not supported by contracts, checking that the costs are included in accordance with the construction contracts; and (iii) comparing the budgeted data with the actual data recorded, taking into account the stage of completion achieved;

– Assessing the reasonableness of contract revenue recognised and stage of completion by reference to progress certificates issued by customers and other underlying documents;

– Checking, on a sample basis, the contract costs incurred to underlying supporting documents; and

– Reviewing financial budget prepared by management for each on-going construction contract to assess whether expected loss on contract was properly recognised as an expense immediately.

OTHER INFORMATION IN THE ANNUAL REPORT

The directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

DIRECTORS' RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The directors are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the disclosure requirements of the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

The directors are also responsible for overseeing the Group's financial reporting process. The Audit Committee assists the directors in discharging their responsibility in this regard.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with the terms of our engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Audit Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Audit Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

1. GENERAL

Pak Wing Group (Holdings) Limited (the "Company") was incorporated in the Cayman Islands on 15 July 2014, as an exempted company with limited liability under the Companies Law (2004 revision) Chapter 22 of the Cayman Islands. The registered office of the Company is located at the offices of Clifton House, 75 Fort Street, P.O. Box 1350, Grand Cayman KY1-1108, Cayman Islands and the principal place of business was changed from Room 2815-16, 28/F, New Tech Plaza, 34 Tai Yau Street, San Po Kong, Kowloon, Hong Kong to 25th Floor, Progress Commercial Building, No. 9 Irving Street, Causeway Bay, Hong Kong on 9 January 2017. The Company is an investment holding company and its shares were listed on GEM on 10 August 2015 (the "Listing"). The Group is principally engaged in the foundation business as a foundation subcontractor in Hong Kong.

On 8 March 2017, Get Real Holdings Limited and Dor Holdings Limited, the then substantial shareholders of the Company, sold an aggregate of 600,000,000 shares of the Company, representing 75% of the then total share capital of the Company at a cash consideration of HK$300,000,000 to Steel Dust Limited, which became the ultimate parent of the Company.

2. ADOPTION OF HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs")

(a) Adoption of new/revised HKFRSs – effective on 1 April 2016

HKFRSs (Amendments)	Annual Improvements 2012-2014 Cycle
Amendments to HKAS 1	Disclosure Initiative
Amendments to HKAS 16 and HKAS 38	Clarification of Acceptable Methods of Depreciation and Amortisation
Amendments to HKAS 16 and HKAS 41	Agriculture: Bearer Plants
Amendments to HKAS 27	Equity Method in Separate Financial Statements
Amendments to HKFRS 10, HKFRS 12 and HKAS 28	Investment Entities: Applying the Consolidation Exception
Amendments to HKFRS 11	Accounting for Acquisitions of Interests in Joint Operations

The adoption of these amendments has no material impact on the Group's financial statements.

2. ADOPTION OF HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (Continued)

(b) New/revised HKFRSs that have been issued but are not yet effective

The following new/revised HKFRSs, potentially relevant to the Group's financial statements, have been issued, but are not yet effective and have not been early adopted by the Group. The Group's current intention is to apply these changes on the date they become effective.

Amendments to HKAS 7	Disclosure Initiative[1]
Amendments to HKAS 12	Recognition of Deferred Tax Assets for Unrealised Losses[1]
Amendments to HKAS 40	Transfer of Investment Property[2]
Amendments to HKFRS 2	Classification and Measurement of Share-based Payment Transactions[2]
Amendments to HKFRS 4	Applying HKFRS 9 Financial Instruments with HKFRS 4 Insurance Contracts[2]
Amendments to HKFRS 10 and HKAS 28 (2011)	Sales of Contribution of Assets between an Investor and its Associate or Joint Venture[4]
Amendments to HKFRS 15	Revenue from Contracts with Customers (Clarifications to HKFRS 15)[2]
HKFRS 9	Financial Instruments[2]
HKFRS 15	Revenue from Contracts with Customers[2]
HKFRS 16	Leases[3]

1 Effective for annual periods beginning on or after 1 January 2017
2 Effective for annual periods beginning on or after 1 January 2018
3 Effective for annual periods beginning on or after 1 January 2019
4 No mandatory effective date is determined but is available for early adoption

Except as describe below, the directors of the Company anticipate that the application of the new and revised HKFRSs will not have a material impact on the Group's financial performance and financial position.

HKFRS 9 (2014) – Financial Instruments

HKFRS 9 introduces new requirements for the classification and measurement of financial assets. Debt instruments that are held within a business model whose objective is to hold assets in order to collect contractual cash flows (the business model test) and that have contractual terms that give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding (the contractual cash flow characteristics test) are generally measured at amortised cost. Debt instruments that meet the contractual cash flow characteristics test are measured at fair value through other comprehensive income ("FVTOCI") if the objective of the entity's business model is both to hold and collect the contractual cash flows and to sell the financial assets. Entities may make an irrevocable election at initial recognition to measure equity instruments that are not held for trading at FVTOCI. All other debt and equity instruments are measured at fair value through profit or loss ("FVTPL").

2. ADOPTION OF HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") (Continued)

(b) New/revised HKFRSs that have been issued but are not yet effective (Continued)

HKFRS 9 (2014) – Financial Instruments (Continued)

HKFRS 9 includes a new expected loss impairment model for all financial assets not measured at FVTPL replacing the incurred loss model in HKAS 39 and new general hedge accounting requirements to allow entities to better reflect their risk management activities in financial statements.

HKFRS 9 carries forward the recognition, classification and measurement requirements for financial liabilities from HKAS 39, except for financial liabilities designated at FVTPL, where the amount of change in fair value attributable to change in credit risk of the liability is recognised in other comprehensive income unless that would create or enlarge an accounting mismatch. In addition, HKFRS 9 retains the requirements in HKAS 39 for derecognition of financial assets and financial liabilities.

Based on the Group's financial instruments as at 31 March 2017, the directors of the Company anticipate that the application of the new expected credit loss model may result in earlier provision of credit losses which are not yet incurred in relation to the Group's financial assets measured at amortised cost. The Group has yet to assess the full impact of HKFRS 9.

HKFRS 15 – Revenue from Contracts with Customers

The new standard establishes a single revenue recognition framework. The core principle of the framework is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. HKFRS 15 supersedes existing revenue recognition guidance including HKAS 18 Revenue, HKAS 11 Construction Contracts and related interpretations.

HKFRS 15 requires the application of a 5 steps approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligations in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to each performance obligation
- Step 5: Recognise revenue when each performance obligation is satisfied

HKFRS 15 includes specific guidance on particular revenue related topics that may change the current approach taken under HKFRS. The standard also significantly enhances the qualitative and quantitative disclosures related to revenue.

2. ADOPTION OF HONG KONG FINANCIAL REPORTING STANDARDS (“HKFRSs”) (Continued)

(b) New/revised HKFRSs that have been issued but are not yet effective (Continued)

HKFRS 15 – Revenue from Contracts with Customers (Continued)

The application of HKFRS 15 may result in different conclusions about the separately identifiable components when identifying performance obligations, which could affect the timing of the recognition of revenue. Certain costs incurred in fulfilling a contract which are currently expensed may need to be recognised as an asset under HKFRS 15. At this stage, the Group is in the process of assessing the impact of HKFRS 15 on the Group’s financial statements.

HKFRS 16 – Leases

HKFRS 16, which upon the effective date will supersede HKAS 17 “Leases” and related interpretations, introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more 12 months, unless the underlying asset is of low value. Specifically, under HKFRS 16, a lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments. Accordingly, a lessee should recognise depreciation of the right-of use asset and interest on the lease liability, and also classifies cash repayments of the lease liability into a principal portion and an interest portion and presents them in the statement of cash flows. Also, the right-of-use asset and the lease liability are initially measured on a present value basis. The measurement includes non-cancellable lease payments and also includes payments to be made in optional periods if the lessee is reasonably certain to exercise an option to extend the lease, or to exercise an option to terminate the lease. This accounting treatment is significantly different from the lessee accounting for leases that are classified as operating leases under the predecessor standard, HKAS 17.

In respect of the lessor accounting, HKFRS 16 substantially carries forward the lessor accounting requirements in HKAS 17. Accordingly, a lessor continues to classify its leases as operating leases or finance leases, and to account for those two types of leases differently.

As set out in Note 23(b), the total future minimum lease payments under non-cancellable operating leases of the Group in respect of office premises and machinery as at 31 March 2017 amounted to approximately HK$7,436,000. The directors of the Company do not expect the adoption of HKFRS 16 as compared with the current accounting policy would result in a significant impact on the Group’s financial performance, and anticipate that certain portion of the future minimum lease payments under the Group’s operating leases will be required to be recognised in the Group’s consolidated statement of financial position as right-of-use assets and lease liabilities.

3. GROUP REORGANISATION AND BASIS OF PRESENTATION AND PREPARATION

(a) Group reorganisation

Pursuant to a group reorganisation (the "Group Reorganisation") carried out by the Group in preparation for the listing of shares of the Company on the GEM of the Stock Exchange, the Company became the holding company of the subsidiaries now comprising the Group on 6 July 2015. Details of the Group Reorganisation are set out in the section headed "History and Development" to the Prospectus issued by the Company dated 28 July 2015.

(b) Basis of presentation

The Group Reorganisation involved the combination of a number of entities engaged in the Group's business that were collectively controlled by Mr. Wong Chin To and Mr. Tse Chun Kit (the "Then Controlling Shareholders") before and immediately after the Group Reorganisation. The Group is therefore regarded as a continuing entity resulting from the Reorganisation, as there has been a continuation of the risks and benefits to the ultimate controlling parties that existed prior to the Group Reorganisation.

Accordingly, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows of the Group for the year ended 31 March 2016 have been prepared using the principles of merger accounting as if the current group structure had been in existence throughout that year, or since the respective dates of incorporation or establishment of the combining companies, or since the date when the combining companies first came under the control of the Then Controlling Shareholders, whichever was shorter. All significant intra-group transactions and balances have been eliminated on consolidation.

(c) Statement of compliance

The consolidated financial statements have been prepared in accordance with all applicable HKFRSs, Hong Kong Accounting Standards ("HKASs") and Interpretations (hereinafter collectively referred to as the "HKFRS") issued by the Hong Kong Institute of Certified Public Accountants and the disclosure requirements of the Hong Kong Companies Ordinance. In addition, the consolidated financial statements include applicable disclosures required by the Rules Governing the Listing Securities on the GEM of the Stock Exchange.

3. GROUP REORGANISATION AND BASIS OF PRESENTATION AND PREPARATION (Continued)

(d) Basis of preparation and going concern assumption

The consolidated financial statements have been prepared under the historical cost basis.

The Group incurred a loss of approximately HK$28,928,000 for the year ended 31 March 2017 and had accumulated losses of HK$15,628,000 as at 31 March 2017.

The consolidated financial statements have been prepared on a going concern basis as the Company's directors are confident that the Group will be able to meet its financial obligations as and when they fall due within the twelve months from 31 March 2017, on the basis that (a) the Then Controlling Shareholders, who were also the Company's directors as at 31 March 2017, have agreed in writing not to demand repayment of the loans due from the Group amounting to HK$10 million as at 31 March 2017 until the Group is in a position to meets its other financial obligations; (b) the Then Controlling Shareholders have agreed in writing to provide continual financial support to Pak Wing Construction Company Limited, the principal operating subsidiary of the Company, to meet its financial obligations as and when they fall due; and (c) based on the cash flow projections prepared by management which cover a period of twelve months from 31 March 2017, the Group will be able to generate sufficient cash flows to meet its financial obligations as and when they fall due.

(e) Functional and presentation currency

The consolidated financial statements are presented in Hong Kong Dollars ("HK$"), which is also the functional currency of the Company, and all values are rounded to the nearest thousands, except when otherwise indicated.

4. SIGNIFICANT ACCOUNTING POLICIES

(a) Business combination and basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries. Inter-company transactions and balances between group companies together with unrealised profits are eliminated in full in preparing the consolidated financial statements. Unrealised losses are also eliminated unless the transaction provides evidence of impairment on the asset transferred, in which case the loss is recognised in profit or loss.

The results of subsidiaries acquired or disposed of during the year are included in the consolidated statement of comprehensive income from the effective dates of acquisition or up to the effective dates of disposal, as appropriate. Where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with those used by other members of the Group.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(a) Business combination and basis of consolidation (Continued)

Other than business combination under common control for which merger accounting method is used, acquisition of subsidiaries or businesses is accounted for using the acquisition method. The cost of an acquisition is measured at the aggregate of the acquisition-date fair value of assets transferred, liabilities incurred and equity interests issued by the Group, as the acquirer. The identifiable assets acquired and liabilities assumed are principally measured at acquisition-date fair value. The Group's previously held equity interest in the acquiree is re-measured at acquisition-date fair value and the resulting gains or losses are recognised in profit or loss. The Group may elect, on a transaction-by-transaction basis, to measure the non-controlling interests that represent present ownership interests in the subsidiary either at fair value or at the proportionate share of the acquiree's identifiable net assets. All other non-controlling interests are measured at fair value unless another measurement basis is required by HKFRSs. Acquisition-related costs incurred are expensed unless they are incurred in issuing equity instruments in which case the costs are deducted from equity.

Changes in the Group's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amounts of the Group's interest and the non-controlling interest are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, the profit or loss on disposal is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interest. Amounts previously recognised in other comprehensive income in relation to the subsidiary are accounted for in the same manner as would be required if the relevant assets or liabilities were disposed of.

Subsequent to acquisition, the carrying amount of non-controlling interests that represent present ownership interests in the subsidiary is the amount of those interests at initial recognition plus such non-controlling interest's share of subsequent changes in equity. Total comprehensive income is attributed to such non-controlling interests even if this results in those non-controlling interests having a deficit balance.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(b) Subsidiaries

A subsidiary is an investee over which the Company is able to exercise control. The Company controls an investee if all three of the following elements are present: power over the investee, exposure, or rights, to variable returns from the investee, and the ability to use its power to affect those variable returns. Control is reassessed whenever facts and circumstances indicate that there may be a change in any of these elements of control.

In the Company's statement of financial position, investments in subsidiaries are stated at cost less impairment losses, if any. The results of subsidiaries are accounted for by the Company on the basis of dividend received and receivable.

(c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of property, plant and equipment includes its purchase price and the costs directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are recognised in profit or loss during the financial period in which they are incurred.

Property, plant and equipment are depreciated so as to write off their cost net of expected residual value over their estimated useful lives on a straight-line basis. The useful lives, residual value and depreciation method are reviewed, and adjusted if appropriate, at the end of each reporting period. The principal annual rates are as follows:

Leasehold improvements	Over the lease term but not exceeding 5 years
Machineries	20% per annum
Furniture and equipment	20% per annum
Motor vehicles	30% per annum

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Property, plant and equipment (Continued)

An asset is written down immediately to its recoverable amount if its carrying amount is higher than the asset's estimated recoverable amount.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets, or where shorter, the terms of the relevant leases.

The gain or loss on disposal of an item of property, plant and equipment is the difference between the net sale proceeds and its carrying amount, and is recognised in the profit or loss on disposal.

(d) Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to lessee. All other leases are classified as operating leases.

The Group as lessee

Assets held under finance leases are initially recognised as assets at their fair value or, if lower, the present value of the minimum lease payments. The corresponding lease commitment is shown as a liability. Lease payments are analysed between capital and interest. The interest element is charged to the profit or loss over the period of the lease and is calculated so that it represents a constant proportion of the lease liability. The capital element reduces the balance owed to the lessor.

The total rentals payable under the operating leases are recognised in the profit or loss on a straight-line basis over the lease term. Lease incentives received are recognised as an integrated part of the total rental expense, over the term of the lease.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Financial instruments

(i) Financial assets

The Group classifies its financial assets at initial recognition, depending on the purpose for which the asset was acquired. All of the Group's financial assets are classified as loans and receivables, which are initially measured at fair value plus transaction costs that are directly attributable to the acquisition of the financial assets. Regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. A regular way purchase or sale is a purchase or sale of a financial asset under a contract whose terms require delivery of the asset within the time frame established generally by regulation or convention in the marketplace concerned.

Loans and receivables

These assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers (trade receivables), and also incorporate other types of contractual monetary asset. Subsequent to initial recognition, they are carried at amortised cost using the effective interest method, less any identified impairment losses.

(ii) Impairment loss on financial assets

The Group assesses, at the end of each reporting period, whether there is any objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (as incurred "loss event") and that loss event has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated. Evidence of impairment may include:

- significant financial difficulty of the debtor;
- a breach of contract, such as a default or delinquency in interest or principal payments;
- granting concession to a debtor because of debtor's financial difficulty; or
- it becoming probable that the debtor or the group of debtors will enter bankruptcy or other financial reorganisation.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Financial instruments (Continued)

(ii) Impairment loss on financial assets (Continued)

For Loans and receivables

An impairment loss is recognised in profit or loss when there is objective evidence that the asset is impaired, and is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the original effective interest rate. The carrying amount of financial asset is reduced through the use of an allowance account. When any part of financial asset is determined as uncollectible, it is written off against the allowance account for the relevant financial asset.

(iii) Financial liabilities

The Group classifies its financial liabilities, depending on the purpose for which the liabilities were incurred. All of the Group's financial liabilities are classified as financial liabilities at amortised cost, which are initially measured at fair value, net of directly attributable costs incurred. They are subsequently measured at amortised cost using the effective interest method. The related interest expense is recognised in profit or loss. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the amortisation process.

(iv) Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial asset or financial liability and of allocating interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial asset or liability, or where appropriate, a shorter period.

(v) Equity instruments

Equity instruments issued by a group entity are recorded at the proceeds received, net of direct issue costs.

(vi) Derecognition

The Group derecognises a financial asset when the contractual rights to the future cash flows in relation to the financial asset expire or when the financial asset has been transferred and the transfer meets the criteria for derecognition in accordance with HKAS 39.

Financial liabilities are derecognised when the obligation specified in the relevant contract is discharged, cancelled or expires.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Financial instruments (Continued)

(vi) Derecognition (Continued)

Where the Group issues its own equity instruments to a creditor to settle a financial liability in whole or in part as a result of renegotiating the terms of that liability, the equity instruments issued are the consideration paid and are recognised initially and measured at their fair value on the date the financial liability or part thereof is extinguished. If the fair value of the equity instruments issued cannot be reliably measured, the equity instruments are measured to reflect the fair value of the financial liability extinguished. The difference between the carrying amount of the financial liability or part thereof extinguished and the consideration paid is recognised in profit or loss for the year.

(vii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

(f) Employee benefits

(i) Short term employee benefits

Short term employee benefits are employee benefits (other than termination benefits) that are expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related service. Short term employee benefits are recognised in the year when the employees render the related service.

(ii) Defined contribution retirement plan

Contributions to defined contribution retirement plans are recognised as an expense in profit or loss when the services are rendered by the employees.

(iii) Termination benefits

Termination benefits are recognised on the earlier of when the Group can no longer withdraw the offer of those benefits and when the Group recognises restructuring costs involving the payment of termination benefits.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Cash and cash equivalents

Cash and cash equivalents, including cash and bank balances, comprise cash on hand and demand deposits and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. For the purpose of the combined statements of cash flows, cash and cash equivalents include bank overdrafts which are repayable on demand and form an integral part of the Group's cash management.

(h) Construction contracts

Contract revenue comprises the agreed contract amount and appropriate amounts for variation orders, claims and incentive payments. Contract costs comprise direct materials, costs of subcontracting, direct labour and an appropriate portion of variable and fixed construction overheads.

When the outcome of a construction contract can be estimated reliably, revenue and contract costs associated with the construction contract are recognised as revenue and expenses respectively by reference to the stage of completion of the contract activity at the end of each of the reporting periods.

When the outcome of a construction contract cannot be estimated reliably, revenue is recognised only to the extent of contract costs incurred that will probably be recoverable, and contract costs are recognised as an expense in the period in which they are incurred.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

Where progress billings exceed contract costs incurred to date plus recognised profits less recognised losses, the surplus is treated as an amount due to contract customers.

Where contract costs incurred to date plus recognised profits less recognised losses exceed progress billings, the surplus is treated as an amount due from contract customers.

(i) Revenue recognition

Revenue from contract work is recognised based on the stage of completion of the contracts, provided that the stage of contract completion and the gross billing value of contracting work can be measured reliably. The stage of completion of a contract is established by reference to surveys of work performed.

Interest income is accrued on a time basis on the principal outstanding at the applicable interest rate.

Rental income from leasing a machinery is recognised on a straight-line basis over the period covered by the lease term, except where an alternative basis is more representative of the time pattern of benefits to be derived from the use of the leased asset.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Income taxes

Income taxes for the year comprise current tax and deferred tax.

Current tax is based on the profit or loss from ordinary activities adjusted for items that are non-assessable or disallowable for income tax purposes and is calculated using tax rates that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for tax purposes. Except for recognised assets and liabilities that affect neither accounting nor taxable profits, deferred tax liabilities are recognised for all temporary differences. Deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Deferred tax is measured at the tax rates expected to apply in the period when the liability is settled or the asset is realised based on tax rates that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Income taxes are recognised in profit or loss except when they relate to items directly recognised in other comprehensive income in which case the taxes are also directly recognised in other comprehensive income.

(k) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Group has a legal or constructive obligation arising as a result of a past event, which will probably result in an outflow of economic benefits that can be reasonably estimated.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, the existence of which will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(l) Impairment of non-financial assets

At the end of each reporting period, the Group reviews the carrying amounts of assets (other than inventories and financial assets) to determine whether there is any indication that those assets have suffered an impairment loss or an impairment loss previously recognised no longer exists or may have decreased.

If the recoverable amount (i.e. the greater of the fair value less costs of disposal and value in use) of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior periods. A reversal of an impairment loss is recognised as income immediately.

(m) Related parties

(a) A person or a close member of that person's family is related to the Group if that person:

   (i) has control or joint control over the Group;

   (ii) has significant influence over the Group; or

   (iii) is a member of key management personnel of the Group or the Company's parent.

(b) An entity is related to the Group if any of the following conditions apply:

   (i) The entity and the Group are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).

   (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).

   (iii) Both entities are joint ventures of the same third party.

   (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.

   (v) The entity is a post-employment benefit plan for the benefit of the employees of the Group or an entity related to the Group.

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) Related parties (Continued)

(b) An entity is related to the Group if any of the following conditions apply: (Continued)

(vi) The entity is controlled or jointly controlled by a person identified in (a).

(vii) A person identified in (a)(i) has significant influence over the entity or is a member of key management personnel of the entity (or of a parent of the entity).

(viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the Group or to the Group's parent.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity and include:

(i) that person's children and spouse or domestic partner;

(ii) children of that person's spouse or domestic partner; and

(iii) dependents of that person or that person's spouse or domestic partner.

(n) Capitalisation of borrowing costs

Borrowing costs attributable directly to the acquisition, construction or production of qualifying assets which require a substantial period of time to be ready for their intended use or sale, are capitalised as part of the cost of those assets. Income earned on temporary investments of specific borrowings pending their expenditure on those assets is deducted from borrowing costs capitalised. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

(o) Segment information

The Group identifies operating segments and prepares segment information based on the regular internal financial information reported to the executive directors for their decisions about resources allocation to the Group's business components and for their review the performance of those components. The business components in the internal financial information reported to the executive directors are determined following the Group's major operations.

The measurement policies the Group uses for reporting segment results under HKFRS 8 "Operating Segment" are the same as those used in its financial statements prepared under HKFRS 8.

5. CRITICAL ACCOUNTING JUDGEMENT AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the consolidated financial statements of the Group requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of each reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(i) Construction contract revenue recognition

Recognised amounts of construction contract revenue and related receivables reflect management's best estimate of each contract's outcome and stage of completion, which are determined on the basis of a number of estimates. This includes the assessment of the profitability of on-going construction contracts. For more complex contracts in particular, costs to complete and contract profitability are subject to significant estimation uncertainty. The actual outcomes in terms of total cost or revenue may be higher or lower than estimated at the end of each of the reporting periods, which would affect the revenue and profit recognised in future years as an adjustment to the amounts recorded to date.

(ii) Impairment of non-financial assets

The Group assesses at the end of each reporting period whether there is an indication that an asset may be impaired. If any such indication exists, the Group makes an estimate of the recoverable amount of the asset. This requires an estimation of fair value less cost of disposal and the value-in-use of the cash-generating unit ("CGU") to which the asset is allocated. Fair value less costs of disposal is based on management estimates having regard to estimated fair value provided by an independent external valuer, which is a level 3 fair value measurement. Estimating the value-in-use requires the Group to make an estimate of the expected future cash flows from the CGU and also to choose a suitable discount rate in order to calculate the present value of those cash flows. A change in the estimated future cash flows and/or the discount rate applied will result in an adjustment to the estimated impairment provision previously made.

5. CRITICAL ACCOUNTING JUDGEMENT AND KEY SOURCES OF ESTIMATION UNCERTAINTY (Continued)

Estimates and assumptions (Continued)

(iii) Impairment of trade and other receivables

Provision policy for doubtful debts of the Group is based on the ongoing evaluation of the collectability and ageing analysis of the outstanding receivables and on the management's judgement. A considerable amount of judgement is required in assessing the ultimate realisation of these receivables, including creditworthiness and the past collection history of each customer and the related parties. If the financial conditions of the customers and other debtors of the Group were to deteriorate, resulting in an impairment of their ability to make payments, additional impairment may be required.

(iv) Income taxes

Determining income tax provisions requires the Group to make judgement on the future tax treatment of certain transactions. The Group carefully evaluates tax implications of transactions in accordance with prevailing tax regulations and makes tax provisions accordingly. In addition, deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilised. This requires significant judgement on the tax treatments of certain transactions and also assessment on the probability that adequate future taxable profits will be available for the deferred tax assets to be recovered.

(v) Estimated useful lives of property, plant and equipment

In determining the useful lives of property, plant and equipment, the Group has to consider various factors, such as expected usage of the asset, expected physical wear and tear, the care and maintenance of the asset, and legal or similar limits on the use of the asset. The estimation of the useful life of the asset is made based on the experience of the Group with similar assets that are used in a similar way. Depreciation charge is revised if the estimated useful lives of items of property, plant and equipment are different from the previous estimation. Estimated useful lives are reviewed, at the end of each of the reporting periods, based on changes in circumstances.

6. SEGMENT INFORMATION

Operating segments

The Group was principally engaged in the provision of foundation works. Information reported to the Group's chief operating decision maker, for the purpose of resources allocation and performance assessment, focuses on the operating results of the Group as a whole, as the Group's resources are integrated and no discrete operating segment financial information is available. Accordingly, no operating segment information is presented.

Geographical information

All of the Group's revenue was derived from Hong Kong, based on the location of the customers, and all of its non-current assets were located in Hong Kong, based on the location of assets. Therefore, no geographical information is presented.

Information about major customers

Revenue attributed from customers that accounted for 10% or more of the Group's total revenue during the year is as follows:

	2017 HK$'000	2016 HK$'000
Customer A	**N/A**	18,585
Customer B	**16,383**	42,917
Customer C	**28,427**	19,629
Customer D	**51,775**	N/A
Customer E	**16,046**	N/A

N/A: Revenue from the customer during the year did not exceed 10% of the Group's revenue.

7. REVENUE

The Group's revenue represents amount received and receivable from contract work performed and recognised in accordance with accounting policy set out in Note 4(i) above during the year.

8. LOSS BEFORE INCOME TAX

Loss before income tax is arrived after charging/(crediting):

Ms. Si Tou Man Wai	–	91	4	95
	–	273	12	285
Total	–	7,675	60	7,735

During the current and prior years, none of the directors waived or agreed to waive any remuneration and there were no emoluments paid by the Group to any of the directors as an inducement to join, or upon joining the Group, or as compensation for loss of office.

12. DIRECTORS' REMUNERATION AND FIVE HIGHEST PAID INDIVIDUAL (Continued)

(ii) Five highest paid individuals

The five highest paid individuals whose emoluments were the highest in the Group included 2 executive directors of the Company for the year ended 31 March 2017 (2016: 2), whose emoluments are reflected in the analysis as shown above. The remuneration of the remaining highest paid individuals is as follows:

	2017 HK$'000	2016 HK$'000
Salaries, allowances and benefits in kind	5,158	2,993
Pension scheme contributions – defined contribution plans	35	54
	5,193	3,047

Their remuneration fell within the following bands:

	2017 No. of employees	2016 No. of employees
Nil to HK$1,000,000	2	2
HK$1,000,001 to HK$ 2,000,000	–	1
HK$3,000,001 to HK$ 4,000,000	1	–

During the current and prior years, none of the five highest paid individuals waived or agreed to waive any remuneration and there were no emoluments paid by the Group to any of the five highest paid individuals as an inducement to join, or upon joining the Group, or as compensation for loss of office.

(iii) Senior management's emoluments

The emoluments paid or payable to members of senior management, other than the five highest paid employees were within the following bands:

	Number of employees	
	2017	2016
Nil to HK$1,000,000	1	3
HK$3,000,001 to HK$4,000,000	–	2
	1	5

13. INCOME TAX

The amount of income tax in the consolidated statement of comprehensive income represents:

	2017 HK$'000	2016 HK$'000
Current tax		
Hong Kong profits tax		
– charge for the year	**–**	–
– over provision in respect of prior years	**–**	(35)
Deferred tax (Note 24)	**240**	(2,554)
Income tax	**240**	(2,589)

No provision for Hong Kong profits tax has been made for the current and prior years as the group companies which are subject to Hong Kong profits tax at the applicable tax rate of 16.5% either incurred tax losses for the year or have tax losses brought forward to set off with the assessable profit for the year.

The income tax for the year can be reconciled to the loss before income tax expense per the consolidated statement of comprehensive income as follows:

	2017 HK$'000	2016 HK$'000
Loss before income tax	**(28,688)**	(24,820)
Tax calculated at the applicable statutory tax rate of 16.5%	**(4,733)**	(4,095)
Tax effect of non-deductible expenses	**895**	1,541
Tax effect on tax losses not recognised	**4,235**	–
Tax effect of non-taxable income	**(157)**	–
Over provision of income tax in respect of prior years	**–**	(35)
Income tax at the effective tax rate	**240**	(2,589)

14. DIVIDEND

	2017 HK$'000	2016 HK$'000
Interim dividend	**–**	8,000

The interim dividend for the prior year represented those declared and paid by Pak Wing Group Limited to its then shareholders prior to the completion of the group reorganisation.

No dividend has been paid or declared by the Company during the year ended 31 March 2017.

15. LOSS PER SHARE

The calculation of the basic loss per share attributable to the ordinary equity holders of the Company is based on the following data:

	2017 HK$'000	2016 HK$'000
Loss		
Loss for the purpose of basic loss per share	**(28,928)**	(22,231)

	Number of shares '000	Number of shares '000
Number of shares		
Weighted average number of ordinary shares for the purpose of basic loss per share	**800,000**	758,033

There were no potential ordinary shares in issue for the years ended 31 March 2017 and 2016. Accordingly, the diluted loss per share presented is the same as basic loss per share.

At 31 March 2016	418	31,901	1,000	3,596	36,915

The net carrying amount of property, plant and equipment includes the following assets held under finance leases (Note 23).

	2017 HK$'000	2016 HK$'000
Machineries	**16,416**	15,792
Motor vehicles	**4,133**	3,094

Represented by:		
Amounts due from customers for contract work	**960**	3
Amounts due to customers for contract work	**–**	(2,350)
	960	(2,347)

As at 31 March 2017, retentions held by customers for contract work included in trade and other receivables (Note 18) amounted to approximately HK$8,535,000 (2016: HK$4,365,000).

18. TRADE AND OTHER RECEIVABLES

	2017 HK$'000	2016 HK$'000
Trade receivables *(Note (a))*	**16,324**	19,889
Retention receivables *(Note (b))*	**8,535**	4,365
Other receivables *(Note (c))*	**3,593**	613
Prepayments and deposits *(Note (c))*	**1,443**	1,418
	29,895	26,285

(a) Trade receivables were mainly derived from provision of foundation works and non-interest bearing. The Group does not hold any collateral or other credit enhancements over these balances.

The Group grants an average credit period of 30 to 60 days to its trade customers of contract works. Application for progress payments of contract works is made on a regular basis.

The following is an analysis of trade receivables by age, presented based on the invoice dates:

	2017 HK$'000	2016 HK$'000
Less than 1 month	**7,565**	7,360
1 to 3 months	**4,997**	9,058
More than 3 months but less than one year	**3,762**	3,471
	16,324	19,889

The ageing of trade receivables that are not individually nor collectively considered to be impaired is as follows:

	2017 HK$'000	2016 HK$'000
Neither past due nor impaired	**7,565**	7,145
Less than 1 month past due	**4,791**	4,409
1 to 3 months past due	**615**	7,245
More than 3 months past due but less than 12 months past due	**3,353**	1,090
	16,324	19,889

Trade receivables that were neither past due nor impaired relate to customers for whom there is no recent history of default.

Trade receivables that were past due but not impaired relate to customers that have a good track record with the Group. Based on past experience, the directors of the Company are of the opinion that no provision for impairment is necessary in respect of these balances as there has not been a significant change in credit quality and the balances are still considered fully recoverable.

18. TRADE AND OTHER RECEIVABLES (Continued)

(a) (Continued)

Movement in provision for impairment of trade receivables is as follows:

	HK$'000
As at 1 April 2015, 31 March 2016 and 1 April 2016	171
Impairment loss recognised	–
As at 31 March 2017	171

(b)

	2017 HK$'000	2016 HK$'000
Retention receivables	8,535	5,441
Less: provision for impairment on retention receivables	–	(1,076)
	8,535	4,365

Retention monies withheld by customers of contract works are released after the completion of maintenance period of the relevant contracts or in accordance with the terms specified in the relevant contracts. Retention receivables were not yet past due as at 31 March 2017 and 2016.

The below table reconciled the impairment loss of retention receivables on the current and prior years:

	HK$'000
As at 1 April 2015	–
Impairment loss recognised	1,076
As at 31 March 2016 and 1 April 2016	1,076
Reversal of impairment loss rescognised	(1,076)
As at 31 March 2017	–

(c) Other receivables, prepayments and deposits as at 31 March 2017 and 2016 were neither past due nor impaired. Financial assets included in these balances are non-interest bearing and relate to receivables for which there was no recent history of default.

19. CASH AND CASH EQUIVALENTS

Cash and cash equivalents of the Group represent cash at banks and in hand.

20. TRADE AND OTHER PAYABLES

	2017 HK$'000	2016 HK$'000
Trade payables *(Note (a))*	**31,455**	12,471
Other payables and accruals *(Note (b))*	**3,284**	3,260
	34,739	15,731

Notes:

(a) An ageing analysis of trade payables as at the end of the reporting period, based on the invoice dates, is as follows:

	2017 HK$'000	2016 HK$'000
Current or less than 1 month	**7,263**	6,861
1 to 3 months	**14,563**	4,855
More than 3 months but less than one year	**9,421**	750
More than one year	**208**	5
	31,455	12,471

The Group's trade payables are non-interest bearing and generally have payment terms of less than 60 days.

(b) Other payables are non-interest bearing and have average payment terms of one to three months.

21. AMOUNTS DUE TO AND LOANS FROM DIRECTORS

An analysis of the amounts due to and loans from Directors are as follows:

	2017 HK$'000	2016 HK$'000
Amounts due to directors		
Mr. Wong Chin To *(Note (a))*	666	–
Mr. Tse Chun Kit *(Note (a))*	590	–
	1,256	–
Loans from directors		
Mr. Wong Chin To *(Note (b))*	4,574	–
Mr. Tse Chun Kit *(Note (b))*	4,574	–
	9,148	–

Notes:

(a) The amounts due to directors are secured, interest free and repayable on demand.

(b) Mr. Wong Chin To and Mr. Tse Chun Kit, the Then Controlling Shareholders and the directors of the Company as at 31 March 2017, granted a loan of HK$5,000,000 and HK$5,000,000, respectively, to the Group. The amounts are unsecured, carried a fixed interest rate of 3% per annum and are repayable in 2021. On initial recognition, the loans were stated at fair value of approximately HK$9,018,000, determined based on the then market interest rate of 5% as estimated by the Company's directors. The difference between the loan proceeds received and such fair value of approximately HK$982,000 was accounted for as capital contribution from the Then Controlling Shareholders.

22. BANK BORROWINGS, SECURED

	2017 HK$'000	2016 HK$'000
Bank borrowings, secured	–	2,640

The bank borrowings bear interest at the Hong Kong Prime Rate minus 2% per annum (2016: Hong Kong Prime Rate minus 1.75% to 3.1% per annum).

23. LEASES

(a) Finance leases

The Group leases a number of its machineries and motor vehicles for business use. Such assets are generally classified as finance leases as the rental period amounts to the estimated useful economic life of the assets concerned and often the Group has the right to purchase the assets outright at the end of the minimum lease term by paying a nominal amount.

Future lease payments are due as follows:

	Minimum lease payments HK$'000	Interest HK$'000	Present value HK$'000
As at 31 March 2017			
Not later than one year	**6,870**	**569**	**6,301**
Later than one year and not later than two years	**5,906**	**250**	**5,656**
Later than two years and not later than five years	**2,271**	**44**	**2,227**
	15,047	**863**	**14,184**
As at 31 March 2016

24. DEFERRED TAX ASSETS/(LIABILITIES) (Continued)

For the purpose of presentation in statement of financial position, certain deferred tax assets and liabilities have been offset. The following is the analysis of the deferred tax balances for financial reporting purposes:

	2017 **HK$'000**	2016 HK$'000
Deferred tax assets	**–**	114
Deferred tax liabilities	**(190)**	(64)
Net	**(190)**	50

No deferred tax assets has been recognised in respect of certain unused tax losses due to the unpredictability of future profit streams in the relevant entries. At the end of the reporting period, the Group has not recognised certain unused tax losses amounting to approximately HK$25,666,000. The tax losses arising from the operation do not expire under current tax legislation in the relevant tax jurisdiction.

Loss for the year	–	(54,641)	(54,641)
At 31 March 2017	82,525	(70,473)	12,052

The nature and purpose of reserves within equity are as follows:

(a) Share premium

Under the Companies Law (as revised) of the Cayman Islands, the share premium account of the Company is distributable to its shareholders, provided that immediately following the date on which the dividend is proposed to be paid, the Company shall be able to pay its debts as the fall due in the ordinary course of business.

(b) Merger reserve

The merger reserve of the Group represents the difference between the total equity of those subsidiaries and the aggregated share capital of the relevant subsidiaries pursuant to the group reorganisation where the transfer of the relevant subsidiaries to the Company are satisfied by issue of new shares from the Company.

(c) Retained earnings/(accumulated losses)

The amount represents cumulative net gains and losses recognised in profit or loss.

(d) Capital reserve

The amount represents in substance capital contribution from the Then Controlling Shareholders, being the difference between the fair value of the loans from them on initial recognition and the loan proceeds received by the Group. For details of the loans, please refer to Note 21.

28. PARTICULARS OF SUBSIDIARIES

The particulars of the Company's subsidiaries as at 31 March 2017 are set out as follows:

Name of entity	Place and date of incorporation and form of business structure	Percentage of equity attributable to the Company Direct	Indirect	Issued and fully paid ordinary share capital or registered capital	Principal activities and principal place of business

29. RELATED PARTY TRANSACTIONS

In addition to the transactions and balances disclosed elsewhere in the consolidated financial statements, the Group entered into the following related party transactions, which also constitute connected transactions as defined in Chapter 20 of the Listing Rules, during the year:

Name of related parties	Nature of transactions	2017 HK$'000	2016 HK$'000
Oriental Boring & Eng. Ltd (a)	Contract related services charge (c)	5	–
Air Power Limited (b)	Machinery rental expense (c)	5	–

Notes:

(a) Oriental Boring & Eng. Ltd is beneficially owned by the parents of Mr. Tse Chun Kit, a director of the Company.

(b) Mr. Tse Chun Kit, a director of the Company, has beneficial interest of 50% in Air Power Limited.

(c) The transactions were conducted on terms and conditions mutually agreed between the relevant parties. The Directors of the Company are of the opinion that these related party transactions were conducted in the ordinary course of business of the Group.

Key management personnel compensation

The key management personnel of the Group are the Directors of the Company. Details of the remuneration paid to them during the current and prior years are set out in Note 12 to the consolidated financial statements.

30. FINANCIAL RISK MANAGEMENT

The Group's principal financial assets are trade and other receivables and cash and bank balances that derive directly from its operations. Principal financial liabilities of the Group include trade and other payables, amount due to and loans from directors and obligations under finance leases. The main purpose of these financial liabilities is to finance the Group's operations.

The Group has not issued and does not hold any financial instruments for trading purposes at the end of the reporting period. The main risks arising from the Group's financial instruments are credit risk, liquidity risk and interest rate risk.

The Group's financial risk management policy seeks to ensure that adequate resources are available to manage the above risks and to create value for its shareholders.

(a) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily for trade receivables) and from amounts due from a director and a related party and deposits with banks.

The credit risk of Group's trade and retention receivables is concentrated, since 85% and 87% of which was derived from five largest customers as at 31 March 2017 and 2016, respectively.

The Group had a concentration of credit risk as certain of the Group's trade and retention receivables were due from the Group's largest customer and the five largest customers as detailed below.

	2017 HK$'000	2016 HK$'000
Largest customer	12,650	6,340
Five largest customers	21,080	21,074

Further quantitative data in respect of the Group's exposure to credit risk arising from trade receivables are disclosed in Note 18.

The Group's customers are reputable corporations and thus credit risk is considered to be low. Credit risk on other receivables is minimal as the Group performs ongoing credit evaluation on the financial condition of its debtors and tightly monitors the ageing of the receivable balances. Follow up action is taken in case of overdue balances. In addition, management reviews the recoverable amount of the receivables individually and collectively at each reporting date to ensure that adequate impairment losses are made for irrecoverable amounts. The credit policies have been followed by the Group during the reporting period and are considered to have been effective in limiting the Group's exposure to credit risk to a desirable level. None of the Group's financial assets are secured by collateral or other credit enhancements.

The Group's major bank balances are deposited with banks with good reputation and with high credit-ratings assigned by international credit-rating agencies and hence management does not expect any losses from non-performance by these banks.

30. FINANCIAL RISK MANAGEMENT (Continued)

(b) Liquidity risk

In the management of liquidity risk, the Group's policy is to regularly monitor its liquidity requirements in order to maintain sufficient reserves of cash in the short and long term. The liquidity policies have been followed by the Group during the reporting period and are considered to have been effective in managing liquidity risk.

The following table details the Group's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The table includes both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rates at the end of the reporting period.

	Carrying amount HK$'000	Total contractual undiscounted cash flow HK$'000	Less than one year or repayable on demand HK$'000	More than one year HK$'000

	32,371	33,387	24,700	8,687

30. FINANCIAL RISK MANAGEMENT (Continued)

(c) Interest rate risk

The Group is exposed to cash flow interest rate risk in relation to variable-rate bank balances, borrowings and bank overdrafts. Interest charged on the Group's borrowings are at variable rates. The Group currently does not have a policy on cash flow hedges of interest rate risk. However, the management monitors interest rate exposure and will consider hedging significant interest rate risk should the need arise.

The Group is also exposed to fair value interest rate risk in relation to the short-term bank deposits. However, management considers the fair value interest rate risk on these deposits is insignificant as they are relatively short-term. The management monitors interest rate exposure and will consider hedging significant interest rate exposure should the need arise.

Sensitivity analysis

The sensitivity analysis below has been determined based on the exposure to interest rates for variable-rate bank balances and borrowings. The analysis is prepared assuming that the amount of assets and liabilities outstanding at the end of the reporting period were outstanding for the whole year. 50 basis points and 100 basis points increase or decrease represent management's assessment of the reasonably possible change in interest rates of bank balances and borrowings, respectively.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent interest rate risk as the exposures at the end of the reporting period do not reflect the exposures during the year.

If interest rates on bank balances had been 50 basis points higher/lower and all other variables were held constant, the potential effect on the Group's post-tax profit for the years ended 31 March 2017 and 2016 is as follows:

	2017 **HK$'000**	2016 HK$'000
Increase/(decrease) in profit for the year		
– as a result of increase in interest rate	**96**	100
– as a result of decrease in interest rate	**(96)**	(100)

30. FINANCIAL RISK MANAGEMENT (Continued)

(c) Interest rate risk (Continued)

Sensitivity analysis (Continued)

If interest rates on bank borrowings had been 100 basis points higher/lower and all other variables were held constant, the potential effect on the Group's post-tax profit for the years ended 31 March 2017 and 2016 is as follows:

	2017 **HK$'000**	2016 HK$'000
(Decrease)/increase in profit for the year		
– as a result of increase in interest rate	**–**	26
– as a result of decrease in interest rate	**–**	(26)

31. CAPITAL RISK MANAGEMENT

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern in order to provide returns for shareholder and to maintain an optimal capital structure to reduce the cost of capital.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. No changes in the objectives, policies or processes were made during the year.

The Group monitors capital using a gearing ratio, which is net debt divided by total capital. Net debt is calculated as the total of obligation under finance leases, amounts due to directors, loans from directors and bank borrowings and less cash and cash equivalents. Capital represents equity of the Group.

	2017 **HK$'000**	2016 HK$'000
Total debt	**24,588**	16,640
Less: Cash and cash equivalents	**(19,177)**	(19,961)

34. SHARE OPTION SCHEME

Shareholders of the Company have approved and adopted a share option scheme (the "Scheme") on 6 July 2015.

A summary of the Scheme is set out as below:

The Scheme became effective for a period of 10 years commencing on 6 July 2015. Under the Scheme, the directors shall, in its absolute discretion select, make an offer to any eligible participants to subscribe for shares of the Company at a subscription price being not less than the highest of (i) the closing price of shares of the Company as stated in the Stock Exchange's daily quotation sheet on the offer date; or (ii) the average closing prices of the shares of the Company as stated in the Stock Exchange's daily quotation sheets for the five business days immediately preceding the offer date; and (iii) the nominal value of the share on the offer date. The offer of a grant of options may be accepted within seven days from the date of the offer grant.

The maximum number of shares to be issued upon the exercise of all outstanding options granted at any time under the Scheme together with options which may be granted under any other share option schemes for the time being of the Company must not in aggregate exceed 10% of the issued share capital of the Company at the date of the approval of the Scheme.

No options have been granted since the adoption of the share option scheme.

35. APPROVAL OF FINANCIAL STATEMENTS

The financial statements were approved and authorised for issue by the Board of Directors on 23 June 2017.
