PROFIT WARNING

This announcement is made by Creative China Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market (“**GEM**”) of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the nine months ended 30 September 2017 and the information currently available to the Board, the Group expects to record a significant increase in loss for the nine months ended 30 September 2017 as compared to the loss for the corresponding period in 2016 and a further deterioration from the loss recorded during the interim period of 2017. The main reasons of the increase in loss is similar to the reasons for the recorded loss during the interim period: (i) the decrease in turnover because certain customers had reduced the cooperations in program production with the Group; (ii) the mobile live broadcasting and e-commerce business, which continues to face a challenging outlook and requires continual deployment of resources to develop new contents to attract users and therefore the Group incurred higher content production costs, network operating costs and marketing expenses; and (iii) the Group incurred more cost on marketing and customer supporting services to stimulate the development and increase the market share of entertainment contents on demand system business.

The Company is still in the process of finalising its consolidated financial results for the nine months ended 30 September 2017. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the preliminary unaudited consolidated management accounts and information currently available to the Board and may be subject to adjustment. Details of the Group's financial information and performance will be disclosed when the Group's third quarterly results for the nine months ended 30 September 2017 are announced in November 2017.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
