CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to higher market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this interim report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this interim report.

This interim report, for which the directors (the "Director(s)") of Max Sight Group Holdings Limited (the "Company"), together with its subsidiaries, the "Group" or "We") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this interim report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this interim report misleading.

This interim report, in both English and Chinese versions, is available on the Company's website at www.maxsightgroup.com.

The shares of the Company (the "Shares") have been listed on GEM of The Stock Exchange of Hong Kong Limited (the "Stock Exchange") since 28 February 2018. Its ultimate and immediate holding company is Causeway Treasure Holding Limited ("Causeway Treasure"), an entity incorporated in the British Virgin Islands (the "BVI"). The address of the Company's registered office and the principal place of business is 14th Floor, McDonald's Building, 48 Yee Wo Street, Causeway Bay, Hong Kong.

The Company is an investment holding company. The Group is principally engaged in provision of photography services by supplying automatic identity (the "ID") photo booths in Hong Kong and Guangdong Province, the People's Republic of China (the "PRC").

The unaudited condensed consolidated financial statements are presented in Hong Kong dollars ("HK\$"), which is also the functional currency of the Company.

GROUP REORGANISATION AND BASIS OF PREPARATION AND PRESENTATION OF THE UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Pursuant to the reorganisation (the "Reorganisation") as full explained in the paragraph headed "Group Reorganisation and Basis of Preparation and Presentation of the Consolidated Financial Statements" of the annual report of the Company dated 23 March 2018, the Company has become the holding company of the companies now comprising the Group on 6 July 2017.

Accordingly, the unaudited condensed consolidated financial statements have been prepared under the principles of merger accounting in accordance with the Accounting Guideline 5 "Merger Accounting For Common Control Consolidations" issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

FOR THE SIX MONTHS ENDED 30 JUNE 2018

The unaudited condensed consolidated statement of profit or loss and other comprehensive income and the unaudited condensed consolidated statement of changes in equity for the six months ended 30 June 2018 have been prepared to present the results of the companies comprising the Group as if the group structure upon the completion of the reorganisation had been in existence throughout for the six months ended 30 June 2018 or since their respective dates of incorporation, where there is a shorter period.

The accounting policies and methods of computation used in the preparation of the unaudited condensed consolidated financial statements are consistent with those adopted in the independent auditor's report in annual report of the Company dated 23 March 2018, except for the adoption of the new revised standards, amendments and interpretations issued by the HKICPA that are adopted for the first time for the current periods financial statements.

The unaudited condensed consolidated financial statements have been prepared on the historical cost basis and in accordance with the following accounting policies which conform with Hong Kong Financial Reporting Standards issued by the HKICPA. In addition, the unaudited condensed consolidated financial statements include the applicable disclosures required by the Rules Governing the Listing of Securities on GEM of the Stock Exchange and by the Hong Kong Companies Ordinance.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

In the application of the Group's accounting policies, the Directors are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revision to accounting estimate is recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

FOR THE SIX MONTHS ENDED 30 JUNE 2018

The condensed consolidated financial statements have not been audited by the Company's auditor, but have been reviewed by the audit committee of the Company.

3. BASIS OF PREPARATION

These condensed consolidated financial statements have been prepared in accordance with the applicable disclosure provisions of the Rules Governing the Listing of Securities on the Stock Exchange (the "Listing Rules"), including compliance with Hong Kong Accounting Standard ("HKAS") 34, Interim financial reporting, issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA"). This interim report is unaudited but has been reviewed and authorized by the audit committee of the Company (the "Audit Committee").

The condensed consolidated financial statements have been prepared in accordance with the same accounting policies adopted in the 2017 annual report dated 23 March 2018, except for the changes in accounting policies that are expected to be reflected in the 2018 annual report. Details of any changes in accounting policies are set out in note 4

The preparation of the condensed consolidated financial statements in conformity with HKAS 34 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses on a year to date basis. Actual results may differ from these estimates.

This interim report contains condensed consolidated financial statements and selected explanatory notes. The notes include an explanation of events and transactions that are significant to an understanding of the changes in financial position and performance of the Group since the 2017 annual report. The condensed consolidated financial statements and notes thereto do not include all of the information required for full set of financial statements prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs").

The financial information relating to the financial year ended 31 December 2017 that is included in the interim report as comparative information does not constitute the Group's annual financial statements for that financial year but is derived from those financial statements.

FOR THE SIX MONTHS ENDED 30 JUNE 2018
