2018 Interim Report

# CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET ("GEM") OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors of Shanxi Changcheng Microlight Equipment Co. Ltd. (the "Company") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of the Stock Exchange for the purpose of giving information with regard to the Company. The directors of the Company, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

#### **NOTES TO THE ACCOUNTS**

#### 1. CORPORATE INFORMATION

Shanxi Changcheng Microlight Equipment Co. Ltd. was incorporated in the Mainland of the People's Republic of China (the "PRC") on 10 November 2000 as a joint stock limited company. The Company's H shares are listed on the GEM of the Stock Exchange.

#### 2. BASIS OF PREPARATION

The unaudited condensed consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") (which include all Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants and accounting principles generally accepted in Hong Kong. The unaudited condensed consolidated financial statements also comply with the applicable disclosure requirements of the Hong Kong Companies Ordinance and the applicable disclosure provisions of the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the "GEM Listing Rules").

The principal accounting policies and methods of computation used in the preparation of the unaudited condensed consolidated financial statements are consistent with those adopted in the preparation of the annual report of the Company for the year ended 31 December 2017.

The unaudited condensed consolidated financial statements do not include all the information and disclosures required in the annual report and should be read in conjunction with the Group's annual report for the year ended 31 December 2017.

The unaudited condensed consolidated financial statements are presented in Renminbi ("RMB") and all values are rounded to the nearest thousand except when otherwise indicated

# 3. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

In the current period, the Group has adopted all the new and revised HKFRSs that are relevant to its operations and effective for its accounting year beginning on 1 January 2018. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies, presentation of the Group's financial statements and amounts reported for the current period.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The application of these new HKFRSs will not have material impact on the financial statements of the Group.

#### 4. REVENUE AND OPERATING SEGMENT INFORMATION

Revenue, which is also the Group's turnover, represents the net invoiced value of goods sold, after allowances for returns, trade discounts and other taxes related to sales where applicable.

The Group's revenue and contribution to loss were mainly derived from its sale of fiber optic inverters, fiber optic straight plates, fiber optic face plates, fiber optic tapers, fiber optic tapers billets and microchannel plates, which is regarded as a single reportable segment in a manner consistent with the way in which information is reported internally to the Directors, being the chief operating decision maker ("CODM"), for purposes of resource allocation and performance assessment. The measures of loss and of total assets and liabilities are consistent with the consolidated statement of profit or loss and other comprehensive income and the consolidated statement of financial position which are reported internally to the CODM. Accordingly, no segment analysis is presented other than entity-wide disclosures.

#### MANAGEMENT DISCUSSION AND ANALYSIS

#### **Business Review**

The Company continued to be principally engaged in design, research, development, manufacture, and sale of image transmission optic products. A subsidiary of the Company continued to be engaged in wholesale of household water purifiers. The newly registered two subsidiaries in the year of 2016 have not been commencement of business.

Image transmission fibre optics products manufactured by the Group are image transmission devices containing a rigidly bundle of optical fibres arranged in an ordered fashion so that images can be transmitted from one end of the optical fibre bundle and displayed on the other end of the bundle. A typical image transmission fibre optic product of the Company would consist of over 10 million optical fibres.

The Group currently produces five major products, including fibre optic inverters, fibre optic straight plates, fibre optic face plates, fibre optic tapers and microchannel plates.

Details of the total sales to external customers by product and the percentage of total revenue by product for the six months ended 30 June 2017 and 2018 are set out in note (4) to the notes to the accounts above.

With the overall improvement of the Group's product quality during the six months ended 30 June 2018, it has gradually gained recognition from the market customers. It is expected that the Group's revenue will continue to grow rapidly in the second half of the year. At the same time, the high-definition and high-contrast series of products developed by the Group in the first half of the year are undergoing sample testing and certification, which will bring new revenue growth point to the Group.

12

INTERIM REPORT 2018

#### **Financial Review**

Turnover of the Group for the six months ended 30 June 2018 was approximately RMB11,786,000 (for the six months ended 30 June 2017: RMB8,161,000), representing an increase of approximately 44% as compared to that of the previous financial period.

Cost of sales of the Group for the six months ended 30 June 2018 was approximately RMB8,799,000 (for the six months ended 30 June 2017: RMB6,098,000), representing an increase of approximately 44% as compared to that of the previous financial period.

Administrative and other operating expenses of the Group for the six months ended 30 June 2018 was approximately RMB7,553,000 (for the six months ended 30 June 2017: RMB10,322,000), representing a decrease of approximately RMB2,769,000 as compared to that of the previous financial period. The decrease in the administrative and other operating expenses was mainly attributable to the financial impact resulted in the implementation of cost-control policies by the Group.

The Group reported finance costs amounting to approximately RMB2,001,000 for the six months ended 30 June 2018 (for the six months ended 30 June 2017: RMB1,442,000), representing an increase of approximately RMB559,000 as compared to that of the previous financial period. The increase in the finance costs was mainly due to the increase in the other borrowings.

The loss after tax for the six months ended 30 June 2018 of the Group was approximately RMB6,467,000 (for the six months ended 30 June 2017: RMB9,626,000).

#### **Going Concern**

As at 30 June 2018, the Group's current liabilities exceeded its current assets by approximately RMB98,279,000. In addition, as at 30 June 2018, the Group had an outstanding bank borrowing amounting to approximately RMB13,393,000 which is due for repayment on demand, loans from connected persons, loan from a related company and other borrowings in the aggregate amount of approximately RMB31,203,000 which are due for repayment within the next twelve months, and loans from shareholders amounting to approximately RMB13,950,000 which is due for repayment on demand. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern and therefore the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

To address the issue of going concern, the directors of the Company have taken/will take the following steps:

- continue to negotiate with the Company's banker for renewal of the bank loan:
- strengthen the management of overdue trade receivable;
- implement measures to improve gross profit margin of the Group's products;
- reduce production scale in line with sale results;
- implement stringent cost control measures;
- consider to issue domestic shares and/or other fund raising measures; and
- consider seeking further financial assistance from its shareholders, if appropriate.

The Group has been proactively seeking to raise funds and taking measures to strengthen its financial position. The Group will continue to negotiate with potential investors (including the existing shareholders) the possibilities of raising funds to the Group in order to address the going concern issue of the Group.
