FIRST
QUARTERLY
REPORT
2019

* For identification purposes only

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors (the “Directors”) of Zhejiang RuiYuan Intelligent Control Technology Company Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (1) the information contained in this report is accurate and complete in all material respects and not misleading or deceptive; (2) there are no other matters the omission of which would make any statement in this report misleading; and (3) all opinions expressed in this report have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

This report will remain on the GEM website at www.hkgem.com on the “Latest Company Announcements” page for at least 7 days from the date of its posting and on the website of the Company at www.ruiyuanhk.com.

7. DIVIDEND

No dividend was distributed during the period. The Board does not recommend the payment of dividend for the three months ended 31 March 2019 (for the three months ended 31 March 2018: Nil).

MANAGEMENT DISCUSSION AND ANALYSIS

Business review

The principal activities of the Group are sales of controller systems for electronic equipment and electronic component and subassembly for electronic appliances in the PRC.

The Group's activities are primarily operated in the PRC and the Group's revenue is mainly attributable to customers in the PRC.

With respect to product strategies in 2019, the Company took the initiative to develop the businesses of industrial electronic intelligent control equipment, machinery and equipment, industrial electronic automation digital control systems, and gradually enhanced the innovation level of its own products and technologies with the introduction of more high-end technological electronic products. Thanks to marketing staff of the members of the Group for actively developing and expanding its businesses, market and development prospects of the Group are promising.

The marketing team of the Group has extended its business to customers in numerous cities such as Shanghai, Hangzhou, Nanjing, Jiaxing, Zibo, Wuxi, Hefei and Cixi. The Group is now actively exploring more markets.

The Group is waiting for emergence of profitable opportunities before expanding current operation. Actively taking the advantages of the Group's production capability, it is anticipating better opportunities under the latest market situation.

Financial review

For the three months ended 31 March 2019, the Group recorded a turnover of approximately RMB16,690,000 (2018: RMB11,058,000), representing an increase of approximately RMB5,632,000. The main reason for the increase in turnover was due to the increase in revenue generated from the new products introduced and new markets expanded by the Group.

Loss attributable to shareholders was approximately RMB996,000 (2018: RMB1,129,000), representing a decrease of loss of approximately RMB133,000. Such loss has been reduced during the process of corporate development.

For the three months ended 31 March 2019, the gross profit margin was 5.6% (2018: 3.4%). The Group will continue to implement cost control to mitigate the impact of price competition caused by fierce competition in the electronics industry.

For the three months ended 31 March 2019 administrative expenses recorded an increase of approximately RMB386,000 over the previous period, due to the increase in expenses incurred by the Group in the market expansion. In order to reduce the related expenses, the Group will continue to implement cost management.

Finance Costs

For the three months ended 31 March 2019, the finance costs amounted to approximately RMB831,000 (2018: RMB769,000) arising from the imputed interest on loan from a major shareholder.

Contingent Liabilities

(i) Case No. LBTC 3663/2016 (the “Labour Tribunal Proceedings”)

On or around 7 November 2016, a former employee (the “Former Employee”) who was terminated by the Company on or around 5 October 2016 (the “Termination Date”), commenced proceedings in the Labour Tribunal against the Company and its former subsidiary, Hong Kong Wan Li Enterprise Co. Ltd. (“HK Wan Li”) (together, the “Respondents”), claiming a total amount of approximately of HK\$2,600,000 (equivalent to approximately RMB2,340,000) on a number of grounds, including (i) dismissal by reason of redundancy; (ii) failure to grant statutory holidays; (iii) failure to grant annual leave; (iv) failure to pay long service payment; (v) failure to make payment for overtime work; (vi) failure to pay end of year payment; and (vii) failure to pay bonus. Pursuant to the Order of the Labour Tribunal dated 5 May 2017, the Labour Tribunal Proceedings are presently stayed indefinitely with costs reserved.

As of the date hereof, the Company is not aware of any further development to the Labour Tribunal Proceedings since 5 May 2017.

(ii) Mandatory Provident Fund Schemes Authority Case No. CI7080247 (the “MPF Case”)

The Former Employee filed a complaint with the Mandatory Provident Fund Schemes Authority (“MPFA”) alleging that the Company (i) did not arrange for him to be a member of a registered Mandatory Provident Fund (“MPF”) scheme, and (ii) did not make MPF contributions for him. After investigation, the MPFA issued a letter dated 28 December 2017 requesting HK Wan Li to make a payment for the unpaid MPF contribution and surcharges in the total amount of approximately of HK\$3,000, which was paid in early January 2018.

As of the date hereof, the Company is not aware of whether the MPFA intends to, or will, take further steps against the Company in the MPF case.

(iii) Case No. KTS17027/2017 — Summons Hearing against the Company in relation to Section 40(1) of the Employees' Compensation Ordinance

The Company was prosecuted by the Labour Department under a Summons dated 13 September 2017 for employing an employee on 4 October 2016 without there being in force in relation to such employee a policy of insurance issued by an insurer for an amount not less than the applicable amount under the Employees' Compensation Ordinance ("ECO") in respect of the liability of the employer. The Company pleaded guilty and was convicted at a hearing in the Kwun Tong Magistrates' Courts on 12 October 2017 for contravening section 40(1) of the ECO and was ordered to pay a fine in the amount of HK\$2,500, which has been paid by the Company.

The Company had submitted relevant information to the Employees Compensation Assistance Fund Board. On 16 April 2018, the Company received a request from the Employees Compensation Assistance Fund Board pursuant to Section 36A of ECO to pay a surcharge of HK\$226.2 in respect of the abovementioned rulings to the Employees Compensation Assistance Fund Board on or before 20 May 2018. The Company paid the surcharge on 20 April 2018.

(iv) Case No. KTS31/2018 — Summons Hearing against the Company in relation to Sections 11F(3), 63(1) and 63(7) of the Employment Ordinance

During 2017, the Labour Department made enquiries and requested information from the Company in relation to a complaint made by the Former Employee in relation to payment of end of year payment in respect of the period from 1 January 2016 to 5 October 2016.

Subsequently, the Company was prosecuted by the Labour Department under a Summons dated 3 January 2018 for wilfully and without reasonable excuse failing to pay the Former Employee within seven days from the Termination Date the proportion of the end of year payment in respect of the period from 1 January 2016 to 5 October 2016. The Company pleaded guilty and was convicted on 1 February 2018 for contravening Sections 11F(3), 63(1) and 63(7) of the Employment Ordinance and was ordered to pay a fine in the amount of HK\$6,000, which has been paid by the Company.

Taking into account the possible outcome and their obligations for the above cases, the Group has made a provision for claim of approximately RMB86,000 (equivalent to approximately HK\$96,000) for the year ended 31 December 2016. There was no further provision for the year ended 31 December 2018 and the period ended 31 March 2019.

Since the above cases are still in progress, the Directors will continue to exercise their due care in monitoring the progress of the cases and will assess the adequacy of provision of claim and the financial impact on the Group as and when appropriate.

Save as disclosed above, as of 31 March 2019, the Group had no material contingent liabilities.

Event after the Reporting Period

As at the date of this report, the Group has no significant events after the reporting period.

Prospect

The Group understands that its own competitive capability in product innovation and quality is important to future growth in sales and operation. Operation processes are continuously streamlined. The Group is moving forward with realistic measures and goals and in accordance with feasible plans. The Group has established strategic partnerships with various companies and is now actively expanding the products and sales markets, laying the foundation for the increase in the trading business of intelligent control systems. At present, the Group's products for sale include electronic components, communication equipment, industrial electronic intelligent control system and AC servo motors. Such products have gradually been recognized by the market and customers. The application of industrial electronic intelligent control system and intelligent robot developed by the Group has been gradually available to the market, making the market and development prospects of the Group promising.

Dividend

No dividend was distributed during the period. The Board does not recommend the payment of dividend for the three months ended 31 March 2019 (for the three months ended 31 March 2018: Nil).
