# CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and midsized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors of VBG International Holdings Limited (the "Company") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The directors of the Company (the "Directors"), having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

The Condensed Consolidated Financial Statements were approved and authorised for issue by the Directors on 7 August 2019.

#### 2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The Condensed Consolidated Financial Statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("**HKFRSs**"), which collective term includes all applicable HKFRSs, Hong Kong Accounting Standards ("**HKASs**") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants (the "**HKICPA**") and the applicable disclosure requirements of the GEM Listing Rules.

The Condensed Consolidated Financial Statements do not include all the information and disclosures required in the annual financial statements and thereby should be read in conjunction with the annual financial statements of the Group for the year ended 30 September 2018 (the "2017/18 Annual Report") which have been prepared in accordance with HKFRSs issued by the HKICPA. The Condensed Consolidated Financial Statements have been prepared in accordance with the same accounting policies adopted by the Group in the 2017/18 Annual Report except for the adoption of new or revised HKFRSs issued by the HKICPA, which are effective for the Group's financial year beginning on 1 October 2018.

#### Adoption of new/revised HKFRSs

| Annual Improvements to HKFRSs | 2014 – 2016 Cycle: HKFRS 1 and HKAS 28        |
|-------------------------------|---|
| Amendments to HKFRS 2         | Classification and Measurement of Share-based |
|                               | Payment Transactions                          |
| HKFRS 9                       | Financial Instruments                         |
| HKFRS 15                      | Revenue from Contracts with Customers         |
| HK(IFRIC) - Interpretation 22 | Foreign Currency Transactions and Advance     |
|                               | Consideration                                 |

Apart from the impact on adoption of HKFRS 9 and HKFRS 15 as set out below, the adoption of those new and revised HKFRSs has no material impact on the Group's results and financial position for the current or prior periods and does not result in any significant change in accounting policies of the Group.

#### **HKFRS 9 "Financial Instruments"**

HKFRS 9 introduces new requirements for recognising and measuring financial assets, financial liabilities and some contracts to buy or sell non-financial items.

Key requirements of HKFRS 9 which are relevant to the Group are:

all recognised financial assets that are within the scope of HKFRS 9 are required to be (i) subsequently measured at amortised cost or fair value. Specifically, debt investments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest on the principal outstanding are generally measured at amortised cost at the end of subsequent accounting periods. Debt instruments that are held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets, and that have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding, are generally measured at fair value through other comprehensive income. All other debt investments and equity investments are measured at their fair value at the end of subsequent accounting periods with gain/loss recognised in profit or loss ("FVPL"). In addition, under HKFRS 9, entities may make an irrevocable election to present subsequent changes in the fair value of an equity investment (that is not held for trading) in other comprehensive income ("FVOCI"), with only dividend income generally recognised in profit or loss.

(ii) in relation to the impairment of financial assets, HKFRS 9 requires an expected credit loss model, as opposed to an incurred credit loss model under HKAS 39 "Financial Instruments: Recognition and Measurement". The expected credit loss model requires an entity to account for expected credit losses and changes in those expected credit losses at each reporting date to reflect changes in credit risk since initial recognition. In other words, it is no longer necessary for a credit event to have occurred before credit losses are recognised.

At 1 October 2018, the management of the Company assessed which business models should be applied to the financial assets held by the Group on the initial application of HKFRS 9 and has classified its financial instruments into the appropriate HKFRS 9 categories as follows:

Notes:

- (a) Please refer to summary of effect of the changes in accounting policies for the financial impact.
- (b) Impairment based on expected credit loss model on these financial assets has no significant financial impact.

The carrying amounts for all financial liabilities at 1 October 2018 have not been impacted by the initial application of HKFRS 9.

#### HKFRS 15 "Revenue from Contracts with Customers"

HKFRS 15 establishes a comprehensive framework for recognising revenue and some costs from contracts with customers. HKFRS 15 replaces HKAS 18 "Revenue", which covered revenue arising from sale of goods and rendering of services, and HKAS 11 "Construction Contracts", which specified the accounting for construction contracts.

The core principle of HKFRS 15 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, HKFRS 15 introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligations in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under HKFRS 15, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when "control" of the goods or services underlying the particular performance obligation is transferred to the customer. Far more prescriptive guidance has been added in HKFRS 15 to deal with specific scenarios. Furthermore, extensive disclosures are required by HKFRS 15.

#### Summary of effect of the changes in accounting policies

The effects on adoption of HKFRS 9 are in relation to the initial fair value measurement of the reclassification at the date of initial application are shown below:

|   | At<br>30 September<br>2018<br><i>HK\$</i> '000<br><i>(Audited)</i> | Effect on<br>adoption of<br>HKFRS 9<br>HK\$'000<br>(Unaudited) | At<br>1 October<br>2018<br>HK\$ '000<br>(Unaudited) |
|---|--|--|---|
| Available-for-sale financial assets<br>Financial assets designated at FVOCI<br>Investment revaluation reserve (recycling) | 7,693  | (7,693)<br>7,693<br>(1,474)                                    | 7,693   |
| Investment revaluation reserve<br>(non-recycling)   |  | 1,474  | 1,474   |
|   | 9,167  |  | 9,167   |

The management of the Company considers that the performance obligations that may be identified under HKFRS 15 are similar to the identification of revenue components under the Group's existing revenue recognition policy and therefore, the adoption of HKFRS 15 does not have any significant impact on recognition of revenue.

The Group has not early applied the new and revised HKFRSs that have been issued by the HKICPA but are not yet effective for the Group's financial year beginning on 1 October 2018.

Prior to the corporate reorganisation undertaken in preparation for the listing of the Company's shares on GEM of the Stock Exchange (the "**Reorganisation**"), the group entities were under the control of Ms. Letty Wan. Details of the Reorganisation are set out in the section headed "History, Reorganisation and Corporate Structure" in the Prospectus. Through the Reorganisation, the Company became the holding company of the companies now comprising the Group. Accordingly, for the purpose of the preparation of the Condensed Consolidated Financial Statements, the Company has been considered as the holding company of the companies now comprising the Group throughout the periods presented. The Group comprising the Company and its subsidiaries resulting from the Reorganisation is regarded as a continuing entity. The Group was under the control of Ms. Letty Wan prior to and after the Reorganisation.

#### **Basis of measurement**

The Condensed Consolidated Financial Statements have been prepared on the historical cost basis except for the financial assets at FVOCI and financial assets at fair value through profit or loss that are measured at fair value.

#### Critical accounting judgements and key sources of estimation uncertainty

The preparation of the Condensed Consolidated Financial Statements in conformity with HKAS 34 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying amounts of assets and liabilities not readily apparent from other sources. Actual results may differ from these estimates.

In preparing the Condensed Consolidated Financial Statements, the significant judgements made by the management in applying the Group's accounting policies and key sources of estimation uncertainty were the same as those that applied to the 2017/18 Annual Report.

## **BUSINESS REVIEW**

The Group is principally engaged in the provision of (i) corporate finance advisory services (including sponsorship, compliance advisory, financial advisory and independent financial advisory); (ii) placing and underwriting services; and (iii) business consulting services, mainly to companies listed on the Stock Exchange, nonlisted companies and potential listing applicants on the stock exchanges mainly in Hong Kong, the PRC, Asia, Europe and North America. The Group's corporate finance advisory services include advising on transactions or compliance matters under the Listing Rules, the GEM Listing Rules or the Takeovers Code in the capacity of financial advisers; giving opinions or recommendations to the independent board committees and independent shareholders of our customers in the capacity of independent financial advisers; acting as sponsor in IPO exercises, advising companies on compliance requirements and acting as compliance adviser to listed companies post-IPO. In respect of providing placing and underwriting services, the Group acts as placing agent, lead manager and/or underwriter in primary and/or secondary market equity fundraising exercise. The Group's business consulting services include reviewing potential customers' business, capital structure and corporate strategic plans, advising on financial reporting, corporate management, internal control and corporate governance, and advising on mergers and acquisitions.

Corporate finance advisory business continues to be the core business of the Group. During the period, the corporate finance advisory business has generated the bulk of the Group's revenue.

On 11 June 2019, the Company entered into a sale and purchase agreement (the "SP Agreement") with Mr. Cheung I Fai ("Mr. Cheung", as seller and guarantor), to acquire 17,000,000 ordinary shares representing the entire issued shares of Wealth Link Securities Limited, a company incorporated in Hong Kong with limited liability and principally engaged in Type 1 regulated activity (dealing in securities) and Type 4 regulated activity (advising on securities) under the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) ("SFO"), at a consideration of HK\$27,000,000 (subject to adjustment, if any) (the "Acquisition"). On 8 July 2019, the Company and Mr. Cheung entered into a supplemental agreement (the "Supplemental Agreement") to revise certain terms in the SP Agreement relating to conditions precedent. Completion of the Acquisition is conditional upon certain conditions set out in the SP Agreement. As at the date of this report, completion of the Acquisition does not take place.

Details of the Acquisition and the Supplemental Agreement are set out in the Company's announcements dated 11 June 2019 and 8 July 2019 respectively.

## FINANCIAL REVIEW

## Revenue

The Group's revenue was derived from three principal sources, namely, provision of corporate finance advisory services, placing and underwriting services, and business consulting services.

The Group's revenue decreased by approximately HK\$100,000, or approximately 0.3% from approximately HK\$29.5 million for the nine months ended 30 June 2018 to approximately HK\$29.4 million for the nine months ended 30 June 2019. Such decrease was attributable to a decrease in contribution from corporate finance advisory services despite an increase in contributions from placing and underwriting services and business consulting services.

#### Administrative expenses and other operating expenses

The Group's administrative expenses and other operating expenses mainly comprised staff costs and related expenses, rental expenses and professional fees.

The Group's administrative expenses and other operating expenses increased by approximately HK\$15.5 million, or approximately 46.0% from approximately HK\$33.7 million for the nine months ended 30 June 2018 to approximately HK\$49.2 million for the nine months ended 30 June 2019. Such increase was mainly attributable to (i) an increase in staff costs and related expenses by approximately HK\$8.7 million, or approximately 33.9% from approximately HK\$25.7 million for the nine months ended 30 June 2018 to approximately HK\$34.4 million for the nine months ended 30 June 2019; and (ii) an increase in rental expenses by approximately HK\$4.3 million, or approximately 104.9% from approximately HK\$4.1 million for the nine months ended 30 June 2018 to approximately HK\$8.4 million for the nine months ended 30 June 2018 to approximately HK\$8.4 million for the nine months ended 30 June 2018 to approximately HK\$8.4 million for the nine months ended 30 June 2018.

The increase in staff costs and related expenses for the nine months ended 30 June 2019 was mainly attributable to (i) new headcount as a result of the acquisition of Baron Global Financial Canada Ltd. which was completed on 30 April 2018; (ii) expansion of our corporate finance team; and (iii) an increase in discretionary bonus.

### Loss for the period

As a result of foregoing, the Group recorded a loss of approximately HK\$17.3 million for the nine months ended 30 June 2019 as compared with a loss of approximately HK\$5.1 million for the nine months ended 30 June 2018.

## **USE OF PROCEEDS**

The net proceeds raised by the Company from the Share Offer were approximately HK\$58.9 million (based on the final Offer Price of HK\$0.68 per Offer Share, being the low-end of the price range stated in the Prospectus), which is lower than the estimated net proceeds of approximately HK\$73.4 million (assuming the Offer Price would be HK\$0.78 per Offer Share, being the mid-point of the price range stated in the Prospectus).

The Group adjusted the use of proceeds in the same manner and in the same proportion as shown in the Prospectus. The adjusted use of proceeds is shown below together with the net proceeds utilised, as at 30 June 2019, as follows:
