## CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

**GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.**

**Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.**

*Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.*

*This report, for which the directors (the “Directors”) of China Ocean Fishing Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.*

## REVIEW AND PROSPECT

### OPERATIONAL REVIEW

#### Supply Chain Management and Related Services

The supply chain management service remains the main focus of the Group. The Group is providing intermediate service between suppliers and customers and it takes advantage of the business networks and resources in order to assist small and medium-sized enterprises in various industries to minimise the overall operation cost. Owing to the solid financial background of the Group and the great demand for supply chain service in mainland China, the Group has established many strategic partnerships with other supply chain companies, so as to undertake the operation of purchase and sales based on the services on import and export trade, logistic, customs clearance and storage.

The Group expanded its supply chain management services of aquatic product, the supply chain management and related services has gathered its forward moving momentum again. The Group also expanded its operation to vertically integrate with a fishing subsidiary to secure the supply of aquatic products.

#### Money Lending Business

As at the end of the Period, unsecured loans totaling HK\$1,200,000 were granted to 2 individuals. Depending on the financial strength of the various lenders, the Group charged interest at rates which varied from 12% to 15% per annum. The Group regularly assessed the recoverability risk of its loan receivables portfolio to ensure that impairment loss, if any, would be made in a timely manner. During the Period, the Group generated interest income of approximately HK\$40,000 from its money lending business.

### FINANCIAL REVIEW

The Revenue for the Group decreased for the Period to approximately HK\$159,388,000 as compared to approximately HK\$342,384,000 for the corresponding period in 2018. The Group's aquatic products business generated a total revenue of approximately HK\$153,919,000, the fishing operation also contributed to approximately HK\$5,429,000 to the Group's total revenue. The Group has continued to develop business relationship with its business partners and potential partners in the PRC in order to increase and explore new sources of income. The Group continued to concentrate on aquatic products during the Period and due to consumer's health consciousness, the demand for aquatic product increased.
