(incorporated in Cayman Islands with limited liability)

## INTRODUCTION

We have reviewed the condensed consolidated financial statements of MediNet Group Limited (the “**Company**”) and its subsidiaries (collectively referred to as the “**Group**”) set out on pages 7 to 26, which comprise the condensed consolidated statement of financial position as of 30 September 2020 and the related condensed consolidated statement of profit or loss and other comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the six-month period then ended, and certain explanatory notes. The Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and Hong Kong Accounting Standard 34 “Interim Financial Reporting” (“**HKAS 34**”) issued by the Hong Kong Institute of Certified Public Accountants. The directors of the Company are responsible for the preparation and presentation of these condensed consolidated financial statements in accordance with HKAS 34. Our responsibility is to express a conclusion on these condensed consolidated financial statements based on our review, and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

## SCOPE OF REVIEW

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Hong Kong Institute of Certified Public Accountants. A review of these condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# Report on Review of Condensed Consolidated Financial Statements

## CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the condensed consolidated financial statements are not prepared, in all material respects, in accordance with HKAS 34.

## INTRODUCTION

MediNet is one of the well-known corporate healthcare solutions providers in Hong Kong for more than 25 years. With an enormous medical network and a large team of medical veterans, we provide an extensive range of quality medical/dental services to insurance companies and corporations. We also self-operate two MediNet centres, six dental clinics as well as one DNA genetic laboratory centre in Hong Kong and one high-end dental clinic in Shenzhen (the “**Shenzhen Dental Clinic**”). MediNet offers excellent and satisfying services at a reasonable price to our clients. Our goal is to create a trusted long-term relationship with clients. We devote every effort to understanding our clients well so that their needs are met.

## BUSINESS REVIEW AND OUTLOOK

The outbreak of the coronavirus (the “**Outbreak**”) since January 2020 has significantly affected the business operation of the Group as a result the Group’s revenue decreased by approximately 15.4% when compared with the corresponding period in 2019. However, we turned the loss for the period amounted to approximately HK\$3.1 million for the six months ended 30 September 2019 to profit for the period amounted to approximately HK\$3.9 million for the six months ended 30 September 2020. Such improvement was mainly attributable to (i) we recorded the significantly increase in the revenue of the Shenzhen Dental Clinic by approximately 179.4% when compared with the corresponding period in 2019; (ii) the loss from People’s Republic of China’s (the “**PRC**”) division also declined by approximately 95.5% as compared with the corresponding period in 2019. Such decreased was mainly due to the decrease in staff cost as well as absence of one-off impairment loss in respect of right-of-use assets and property, plant and equipment that were recognized for the year ended 31 March 2020; (iii) the decrease in general and administrative expenses because of effective cost control; and (iv) the receipt of subsidy under the Employment Support Scheme of the Hong Kong SAR Government (the “**Employment Support Scheme**”).

With regard to the Outbreak, we will face put downward pressure on the healthcare business and increase in operation cost such as to secure more personal protective equipment supplies for our frontline staff. Nevertheless, our management team have confidence to overcome all the challenge and continue to seize the opportunity to broaden the sources of income and economise on expenditures as well as maximise the interest of our shareholders.
