THIRD QUARTERLY REPORT 2020

Precision Treatment • Precision Diagnosis • Future Biotechnology Platform 精準治療 • 精準檢測 • 未來生物科技平臺

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors (the "Directors") of China Biotech Services Holdings Limited (the "Company") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive; and there are no other matters the omission of which would make any statement herein or this report misleading.

NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED THIRD QUARTERLY RESULTS

1. GENERAL INFORMATION

China Biotech Services Holdings Limited (the "Company", together with its subsidiaries, the "Group") was incorporated and registered as an exempted company in the Cayman Islands under the Company Law, Cap. 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands on 5 June 2003. On 29 August 2013, the Company deregistered in the Cayman Islands and duly continued in Bermuda as an exempted company under the laws of Bermuda. The registered office of the Company is located at Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda. The head office and the principal place of business of the Company in Hong Kong is located at Suites 1904-05A, 19/F, Sino Plaza, 255-257 Gloucester Road, Causeway Bay, Hong Kong.

The issued shares of the Company have been listed on GEM of The Stock Exchange of Hong Kong Limited (the "Stock Exchange") since 17 June 2004.

The principal activity of the Company is investment holding. The principal activities of its subsidiaries are (i) provision of tumor immune cell therapy, immune cell storage and health management services in the People's Republic of China (the "PRC"); (ii) manufacture, research and development, sale and distribution of health related and pharmaceutical products in the PRC and Hong Kong; (iii) provision of medical laboratory testing services and health check services in Hong Kong; (iv) provision of insurance brokerage services; and (v) trading of securities in Hong Kong.

As at 30 September 2020, the Company's immediate and ultimate holding company is Genius Lead Limited ("Genius Lead"), a company incorporated in Samoa with limited liability and Genius Earn Limited ("Genius Earn"), a company incorporated in the British Virgin Islands ("BVI") with limited liability, respectively.

2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

The unaudited condensed consolidated third quarterly results of the Group have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") (which include all Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and interpretations) issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally accepted in Hong Kong and applicable disclosures by the Rules Governing the Listing of Securities on GEM (the "GEM Listing Rules") and the Hong Kong Companies Ordinance.

The unaudited condensed consolidated third quarterly results have been prepared under the historical cost basis, except for certain financial instruments which are measured at fair value.

The principal accounting policies used in the preparation of the unaudited condensed consolidated third quarterly results for the nine months ended 30 September 2020 are consistent with those applied in the Company's annual report for the year ended 31 December 2019, except for the adoption of new and amendments to HKFRSs that affect the Group and has adopted the first time for the current period's unaudited condensed consolidated third quarterly results.

The HKICPA has issued a number of new and revised standards, amendments to standards and Int (collectively referred to as "new and revised HKFRSs"). The Group has adopted the new and revised HKFRSs which are relevant to the Group's operations and are mandatory for the financial year beginning on 1 January 2020. The adoption of these new and revised HKFRSs does not have any significant financial effect on the Group's unaudited results of operations and financial position.

The Group has not early adopted the new and amendments to HKFRSs that have been issued but are not yet effective.

Hong Kong Profits Tax is calculated at the tax rate of 16.5% (nine months ended 30 September 2019: 16.5%) on the estimated assessable profits arising in Hong Kong during the nine months ended 30 September 2020.

Under the two-tiered profits tax regime, profits tax rate for the first HK\$2 million of assessable profits of qualifying corporations established in Hong Kong will be lowered to 8.25%, and profits above that amount will be subject to the tax rate of 16.5%.

One of the subsidiaries had been certified by the relevant PRC authorities as high technology enterprises. Pursuant to the Income Tax Law in the PRC, the subsidiary was subjected to Enterprise Income Tax rate of 15% for the nine months ended 30 September 2020 (nine months ended 30 September 2019: 15%).

The PRC Enterprise Income Tax has been provided as a rate of 25% for the nine months ended 30 September 2020 (nine months ended 30 September 2019: 25%).

Tax charge on profits assessable elsewhere have been calculated at the rates of tax prevailing in the countries in which the Group operates, based on the existing legislation, interpretation and practices in respect thereof.

DIVIDEND

The Board does not recommend the payment of any dividend for the nine months ended 30 September 2020 (nine months ended 30 September 2019: HK\$Nil).

8. **EARNINGS/(LOSS) PER SHARE**

Basic and diluted earnings/(loss) per share is calculated by dividing the profit/(loss) for the period attributable to owners of the Company by the weighted average number of ordinary shares during the three and nine months ended 30 September 2020 and 2019.

For the three months ended For the nine months ended

The computation of diluted earnings per share does not assume the exercise of the Company's options because the exercise price of those options was higher than the average market price for shares for the three and nine months ended 30 September 2020.

Diluted loss per share for the three and nine months ended 30 September 2019 equals basic loss per share as the exercise of the outstanding share options would be anti-dilutive.

FINANCIAL REVIEW

During the nine months ended 30 September 2020 (the "2020 Q3 Period"), the principal activities of the Group are (i) provision of tumor immune cell therapy, immune cell storage and health management services in the PRC; (ii) manufacture, research and development, sale and distribution of health related and pharmaceutical products in the PRC and Hong Kong; (iii) provision of medical laboratory testing services and health check services in Hong Kong; (iv) provision of insurance brokerage services; and (v) trading of securities in Hong Kong.

Turnover

During the 2020 Q3 Period, the Group recorded a turnover of approximately HK\$547,030,000, representing a significantly increase of approximately 1,180.47% as compared with that of approximately HK\$42,721,000 for the nine months ended 30 September 2019 (the "2019 Q3 Period"). In view of the rapid spread of the novel coronavirus ("COVID-19") epidemic worldwide, tremendous impacts have been brought to the business operation of various industries and overall global economy. In order to capture the market share of demand shift focusing on COVID-19 testing services, the Group has set up a laboratory and an additional temporary laboratory with 16 air membrane in Hong Kong to provide COVID-19 tests to Hong Kong citizens. The third wave of COVID-19 infection came in mid-July in Hong Kong, the Group provided COVID-19 testing services for private clinics, and corporate and government clients, and individuals. As a result, the revenue from medical laboratory testing services and health check services segment increased significantly with strategic development and marketing and promotion campaigns for the 2020 Q3 Period.

Provision of tumor immune cell therapy services

Upon the completion of the acquisition of approximately 67% of equity interest of 上海隆耀生 物科技有限公司 (in English, for identification purpose only, Shanghai Longyao Biotech Company Limited) ("Shanghai Longyao") on 29 March 2019, a company engaged in tumor immune cell therapy, immune cell storage and health management services in the PRC. Shanghai Longyao has completed the clinical research cooperation for cell therapy with 3 Class III Grade A hospitals in the PRC. Also, Shanghai Longyao has conducted an investigator initiated clinical research on its self-developed new generation of CD20-targeted autologous CAR-T. During 2020 Q3 Period, Shanghai Longyao has applied to the Center for Drug Evaluation of the National Medical Products Administration for registration of the clinical trial of a medical product manufactured in China under the product name of LY007 Cellular Injection (the "Product"). The application in relation to the Product has been examined and accepted in accordance with Article 32 of the Administrative License Law of the People's Republic of China. If no rejection or questioning comments are received from the Center for Drug Evaluation within 60 days from the date of application acceptance, Shanghai Longyao may commence clinical trials of the Product in accordance with the submitted proposal. The Product is a chimeric antigen receptor T-cell (CAR-T) injection and is mainly used in the treatment of relapsing and refractory CD20-positive B-cell non-Hodgkin's lymphoma, including diffuse large B-cell lymphoma and metastatic follicular lymphoma. The Product has been self-developed by Shanghai Longyao and incorporates the OX40 co-stimulatory signal design, which is an intellectual property. Experiments have proved that the design enhances the efficacy of the Product without compromising safety. No turnover from this segment was generated during the 2020 Q3 Period.

Manufacture and sale of health related and pharmaceutical products

Manufacture and sale of health related and pharmaceutical products segment recorded a slightly decrease during the 2020 Q3 Period. The turnover of this segment decreased from approximately HK\$1,192,000 for the 2019 Q3 Period to approximately HK\$746,000 for the 2020 Q3 Period mainly due to the tough economic environment in Hong Kong and COVID-19 pandemic.

Provision of medical laboratory testing services and health check services

The Group had offered a wide spectrum of quality health check diagnostic services in Hong Kong through three health check centers and three medical testing central laboratories. The turnover of this segment has increased from approximately HK\$40,059,000 for the 2019 Q3 Period to approximately HK\$539,259,000 for the 2020 Q3 Period. It represented a significantly increased by 1,246.16% as compared with 2019 Q3 Period. To minimise the impact on the performance of the Group resulting from the COVID-19 epidemic, the Group has entered into distribution agreements with suppliers in relation to detection test kit of COVID-19 and provided COVID-19 testing to customers, in order to capture the market share of demand shift focusing on COVID-19 tests. Besides, the Group has set up a laboratory and an additional temporary laboratory with 16 air membrane in Hong Kong to provide COVID-19 tests to Hong Kong citizens and adjusted strategic development and launched marketing and promotion campaigns on medical laboratory testing services and health check services segment. The third wave of COVID-19 infection came in mid-July in Hong Kong, the Group provided COVID-19 testing services for private clinics, and corporates and government clients, and individuals. As a result, the revenue from medical laboratory testing services and health check services segment increased significantly for the 2020 Q3 Period.

Provision of insurance brokerage services

Having completed the acquisition of 51% issued shares in Fortstone International (Hong Kong) Limited ("Fortstone"), a company engaged in insurance brokerage services, on 31 October 2019, the Group has established a foothold in provision of insurance brokerage services and the total turnover from the business was approximately HK\$6,046,000 during the 2020 Q3 Period (2019 Q3 Period: HK\$NiI).

Money lending business

Ferran Finance Limited, an indirect wholly-owned subsidiary of the Company, is a holder of money lenders license under the Money Lenders Ordinance (Chapter 163 of the Laws of Hong Kong). With the increasing market demands of the micro-financing business in Hong Kong, the Group has utilised HK\$16.5 million for the money lending business. The Group's loan portfolio comprises unsecured loans granted to individual customers. The loan receivables carry an interest rate at 8% per annum and are repayable within one year. The money lending business recorded an interest income of approximately HK\$979,000 for the 2020 Q3 Period (2019 Q3 Period: HK\$1,332,000).

Gross profit and gross profit margin

The Group recorded a gross profit of approximately HK\$272,563,000 for the 2020 Q3 Period, representing an increase of approximately HK\$256,874,000 when compared with that of approximately HK\$15,689,000 in the 2019 Q3 Period. Also, the gross profit margin for the 2020 Q3 Period was approximately 49.83%, representing an increase of approximately 13.11 percentage point when compared with the gross profit margin of approximately 36.72% for the 2019 Q3 Period. The increase in gross profit margin was attributable to a substantial growth in the turnover from medical laboratory testing services and health check services segment.

Selling and distribution expenses

Selling and distribution expenses were approximately HK\$8,595,000 (2019 Q3 Period: HK\$9,322,000) for the 2020 Q3 Period, representing a decrease of approximately HK\$727,000 or 7.80% compared with such expenses for the 2019 Q3 Period. The decrease is due to less rental expenses incurred during the 2020 Q3 Period.

Administrative expenses

The administrative expenses mainly consisted of staff costs, share-based payment, legal and professional fees, depreciation, research and development costs, and amortisation of intangible assets. The administrative expenses for the 2020 Q3 Period were approximately HK\$91,184,000, representing an increase of approximately HK\$26,728,000 or 41.47%, as compared with that of approximately HK\$64,456,000 for the 2019 Q3 Period. The increase in administrative expenses was mainly attributable to (i) increase in research and development costs and amortisation of intangible assets of approximately HK\$16,445,000 (2019 Q3 Period: HK\$3,450,000) and HK\$6,532,000 (2019 Q3 Period: HK\$5,273,000) for the 2020 Q3 Period respectively resulted from tumor immune cell therapy services segment; and (ii) increase in staff costs by HK\$4,899,000 due to expansion of medical laboratory testing services and health check services segment.

Finance costs

During the 2020 Q3 Period, the Group's interest expenses amounted to approximately HK\$4,180,000 (2019 Q3 Period: HK\$772,000). The increase in the finance costs was mainly attributable to higher level of other short-term borrowings as the working capital and placing of convertible bonds during the 2020 Q3 Period.

Profit/(loss) for the period

The Group recorded a net profit of approximately HK\$133,543,000 for the 2020 Q3 Period (2019 Q3 Period: net loss of approximately HK\$60,294,000). The turnaround from net loss for the 2019 Q3 Period to net profit for the 2020 Q3 Period was mainly attributable to (i) substantial increase in demand for COVID-19 testing services due to third wave of COVID-19 infection in mid-July in Hong Kong; (ii) one of participants of COVID-19 testing services under Universal Community Testing Programme for Hong Kong citizens; and (iii) a robust growth in revenue and gross profit from medical laboratory testing services and health check service segment with strategic development and marketing and promotion campaigns.

BUSINESS REVIEW

Memorandum of understanding in relation to the possible investment in the equity interest in Hechao Reproductive Medical Centre Limited

On 25 March 2020, the Company entered into a non-legally binding memorandum of understanding with 合巢生殖醫學中心有限公司 (in English, for identification purpose only, Hechao Reproductive Medical Centre Limited) ("Hechao Reproductive Medical Centre") in relation to the Group's possible investment in Hechao Reproductive Medical Centre, which is a company principally engaged in the provision of reproductive medical services. No legally binding agreement has been entered into by the Company with Hechao Reproductive Medical Centre in respect of the possible investment. Details were disclosed in the announcements of the Company dated 25 March 2020 and 24 June 2020.

Repurchase of shares

During the 2020 Q3, the Company repurchased 2,955,000 shares of the Company ranged from HK\$1.01 to HK\$1.28 per share on the Stock Exchange pursuant to the general mandate to repurchase the shares of the Company granted by the shareholders of the Company to the Board at the annual general meeting of the Company held on 15 May 2019 and 26 May 2020. The Company subsequently cancelled the 2,955,000 repurchased shares on 22 July 2020.

Disposal of subsidiaries

Having taken into consideration that the performance of Huge Profit Trading Limited and its subsidiary (collectively, the "Huge Profit Group") for the past financial years was not satisfactory, the Directors considered that the disposal of the Huge Profit Group would enable the Company to free up the resources devoted to this business and redirect the resources to the Group's other existing business which might have higher growth potential to maximise the benefit of the shareholders of the Company. The completion of the disposal of the Huge Profit Group took place on 14 September 2020. For details, please refer to the disclosure made in note 9(a) to the unaudited condensed consolidated financial statement.

Sale and purchase agreement and master services agreement

On 30 September 2020, Sunrise Diagnostic Centre Limited ("**SDCL**"), an indirect non-wholly-owned subsidiary of the Company, and BGI Health (HK) Company Limited ("**BGI**"), a company incorporated in Hong Kong with limited liability and the holder of 40% of the issued share capital of SDCL, entered into a master services agreement in respect of the provision of the COVID-19 test services through RT-PCR method. On the same date, SDCL and BGI also entered into a sale and purchase agreement in relation to the sale and purchase of the equipment for performing COVID-19 nucleic acid testing services at a consideration of HK\$145,393,461.77. Details were disclosed in the announcement of the Company dated 30 September 2020.

FUTURE PROSPECT

The economic outlook for the coming year will continue to be sluggish with the uncertain geopolitical and macroeconomic environment challenges including the ongoing trade conflict between the US and China, Brexit, the social unrest in Hong Kong and novel coronavirus outbreak.

The healthcare industry is also affected to varying degrees. The Group will continue to overcome the adverse effects, adjusting its strategy and continuing to consolidate the market share of its medical testing and healthcare businesses in Hong Kong. At the same time, the focus will be placed on the development and application for registration of immune cell products, striving to achieve breakthroughs in product research and development milestones.

CAR-T technology is considered to be the most promising tumour treatment method. According to the expectation of Coherent Market Insights, its market size will grow exponentially between 2019 and 2028, with a compound annual growth rate as high as 46.1%. CAR-T companies in the market will benefit from the rapid growth of the industry alike.

The management of the Group is confident of the prospects of the biotechnology industry. The Group will seek to obtain clinical approval for cell therapy products as soon as possible and strive for the early launch of CAR-T products for tumour treatment. While serving cancer patients, the CAR-T products will also create more value for the Company. At the same time, the Company will continue to explore and identify better technologies and products internationally for cooperation and acquisition, and continuously enrich the Group's technology reserve and product lines in the field of cell therapy industry. The Company is committed to developing into a competitive company in the international cell therapy industry.

MATERIAL ACQUISITION AND DISPOSAL OF SUBSIDIARIES AND AFFILIATED COMPANIES

Except for the disposal of subsidiaries as disclosed in the section headed "BUSINESS REVIEW" above, the Group did not have any other material acquisition or disposal of subsidiaries and affiliated companies for the 2020 Q3 Period.

EMPLOYEES AND REMUNERATION POLICY

As at 30 September 2020, the Group had a total of 142 (30 September 2019: 136) full time employees which were located in the PRC and Hong Kong. Total staff costs for the 2020 Q3 Period was approximately HK\$50,529,000 (2019 Q3 Period: HK\$34,895,000).

The Group remunerates its employees based on their performance, experience and the prevailing market condition. Performance related bonuses are also granted on a discretionary basis. Other employee benefits include mandatory provident fund, insurance and medical coverage, training and share option scheme.

Provident fund benefits are offered to certain full-time employees through a registered scheme under the Occupational Retirement Schemes Ordinance ("**ORSO**") with the Mandatory Provident Fund exemption. The ORSO scheme is administered by trustees, which are independent, with assets held separately from those of the Group. Under the ORSO scheme, the Group contributes 5% of monthly salaries of employees.

The Group operates a Mandatory Provident Fund Scheme for all qualifying employees in Hong Kong (other than those who are covered under ORSO scheme). The assets of the scheme are held separately from those of the Group, in funds under the control of trustees. The Group contributes 5% of relevant payroll costs to the scheme subject to a maximum of HK\$1,500 per month. The employees in the PRC are members of respective state-managed defined contribution retirement benefits scheme operated by the local government. The employer and the employees are obliged to make contributions at a certain percentage of the basic payroll under rules of the schemes. The only obligation of the Group with respect to the retirement benefit schemes is to make the specified contributions.

The total contributions payable to the above schemes by the Group and charged to the condensed consolidated statement of profit or loss and other comprehensive income for the 2020 Q3 Period were approximately HK\$1,152,000 (2019 Q3 Period: HK\$1,524,000).
