First Quarterly Report

2020-21

** For identification purpose only*

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors of VBG International Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The directors of the Company (the “Directors”), having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

The Group is principally engaged in the provision of (i) corporate finance advisory services; (ii) placing and underwriting services; (iii) securities brokerage and margin financing; (iv) asset management services; and (v) business consulting services.

Corporate finance advisory

The Group's corporate finance advisory business is operated by its wholly-owned subsidiary VBG Capital Limited ("**VBG Capital**"), a licensed corporation under the Securities and Futures Ordinance (the "**SFO**") (Chapter 571 of the Laws of Hong Kong) to carry on Type 1 (dealing in securities) and Type 6 (advising on corporate finance) regulated activities. The Group's corporate finance advisory services include (i) acting as sponsor in IPO exercises, advising companies on compliance requirements and acting as compliance adviser to listed companies post-IPO; (ii) acting as financial adviser in transactions or compliance matters under the Rules Governing the Listing of Securities on the Stock Exchange, the GEM Listing Rules and/or the Codes on Takeovers and Mergers and Share Buy-backs; and (iii) acting as independent financial adviser to the independent board committees and independent shareholders of listed companies.

Placing and underwriting

Through VBG Capital, the Group acts as placing agent, lead manager and/or underwriter in primary and/or secondary market equity fund-raising exercises of listed companies.

Securities brokerage and margin financing

The Group expanded its business to securities brokerage and margin financing by acquiring a 100% equity interest in Wealth Link Securities Limited ("**Wealth Link Securities**"), a licensed corporation under the SFO to carry on Type 1 (dealing in securities) and Type 4 (advising on securities) regulated activities in 2019. The acquisition was completed on 1 April 2020, and Wealth Link Securities has become a direct wholly-owned subsidiary of the Company since then. Details of the acquisition were set out in the Company's announcement dated 11 June 2019 and the circular dated 23 September 2019. Through Wealth Link Securities, the Group provides securities brokerage and margin financing.

Asset management

The Group established asset management business under VBG Asset Management Limited, a licensed corporation under the SFO to carry on Type 4 (advising on securities) and Type 9 (asset management) regulated activities in 2019. The Group's asset management services include providing advisory services for equity securities, fixed income securities, real estate securities, mutual funds and discretionary portfolio management services for professional clients.

Business consulting

The Group's business consulting business is operated primarily by its wholly-owned subsidiary in Canada, Baron Global Financial Canada Ltd. The Group's business consulting business includes reviewing potential customers' business, capital structure and corporate strategic plans, advising on financial reporting, corporate management, internal control and corporate governance, and advising on mergers and acquisitions, to listed companies and private companies and potential listing applicants.

Corporate finance advisory business continues to be the core business of the Group. During the three months ended 31 December 2020, the corporate finance advisory business accounted for approximately 72.5% of the Group's total revenue. The Group's other businesses, namely, (i) placing and underwriting services; (ii) securities brokerage and margin financing services; (iii) asset management services; and (iv) business consulting services, accounted for approximately 8.8%, 2.0%, 0.3% and 16.4% of its total revenue during the three months ended 31 December 2020, respectively.

FINANCIAL REVIEW

Revenue

For the three months ended 31 December 2020, the Group's total revenue increased by approximately 72.0% to approximately HK\$8.6 million (2019: approximately HK\$5.0 million) primarily attributable to an increase in revenue contributions of approximately HK\$2.2 million, HK\$0.7 million and HK\$0.5 million from corporate finance advisory services, placing and underwriting services and business consulting services, respectively, during the three months ended 31 December 2020.

Other income

Other income increased by approximately 294.7%, from approximately HK\$397,000 for the three months ended 31 December 2019 to approximately HK\$1.6 million for the three months ended 31 December 2020 due to the recognition of government subsidies of approximately HK\$956,000 and recovery of bad debts of HK\$600,000 during the three months ended 31 December 2020.

Administrative expenses and other operating expenses

The Group's administrative expenses and other operating expenses mainly comprised staff costs and related expenses, depreciation of right-of-use assets and professional fees.

The Group's administrative expenses and other operating expenses decreased by approximately HK\$1.8 million, or approximately 13.7%, from approximately HK\$13.1 million for the three months ended 31 December 2019 to approximately HK\$11.3 million for the three months ended 31 December 2020. Such decrease was mainly attributable to (i) a decrease in staff costs and related expenses as a result of a salary freeze for the Group's staff and a downward adjustment of remuneration for the Directors; and (ii) a decrease in other administrative and operating expenses such as office rent and advertising and promotional expenses during the three months ended 31 December 2020.

Loss for the period

As a result of foregoing, the Group recorded a loss of approximately HK\$1.6 million for the three months ended 31 December 2020 as compared to a loss of approximately HK\$7.8 million for the three months ended 31 December 2019.

MATERIAL ACQUISITIONS AND DISPOSALS OF SUBSIDIARIES

The Group did not have any material acquisitions and disposal of subsidiaries during the three months ended 31 December 2020.

PROSPECTS

The business environment will remain challenging in the first half of 2021 due to the uncertainty when the COVID-19 pandemic might come to an end. Despite such uncertainty, the Group will actively seek business opportunities for its corporate finance advisory and placing and underwriting businesses.
