CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

1. BASIS OF PREPARATION AND CHANGE IN ACCOUNTING POLICIES AND DISCLOSURES

The unaudited condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants and Chapter 18 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the "GEM Listing Rules").

These unaudited condensed consolidated financial statements should be read in conjunction with the Company's annual financial statements for the year ended 31 December 2020 ("2020 Annual Report"). The accounting policies and methods of computation used in the preparation of these unaudited condensed consolidated financial statements are consistent with those used in the 2020 Annual Report.

Impact of new and revised HKFRSs which are issued but not effective

The Group had not early adopted the new and revised HKFRSs that have been issued but are not yet effective in the period.

The adoption of the new and revised HKFRSs has no significant effect on these unaudited condensed consolidated financial statements.

2. OPERATING SEGMENT INFORMATION

For management purposes, the Group is organised into business units based on their products and services and has two reportable operating segments as follows:

- the media and entertainment segment primarily engages in the organisation/production of and investments in concerts, other entertainment events, film and TV drama production projects and other media and entertainment related businesses; and
- (b) the cremation and funeral services segment primarily engages in the provision of cremation and funeral services and deathcare related business.

Management monitors the results of the Group's operating segments separately for the purpose of making decisions about resources allocation and performance assessment. Segment performance is evaluated based on reportable segment profit/loss, which is a measure of adjusted profit/loss before tax. The adjusted profit/loss before tax is measured consistently with the Group's loss before tax except that finance costs, share-based payment expense and head office and corporate expenses are excluded from such measurement.

Segment assets exclude certain property, plant and equipment, club membership, and other unallocated head office and corporate assets as these assets are managed on a group basis.

Segment liabilities exclude other borrowing and other unallocated head office and corporate liabilities as these liabilities are managed on a group basis.

The segment results and other segment items for the six months ended 30 June 2021 are as follows:

No provision for Hong Kong profits tax has been made for the current period as the Group did not generate any assessable profits arising in Hong Kong during the current period (30 June 2020: Nil). Taxes on profits assessable elsewhere have been calculated at the rates of tax prevailing in the jurisdictions in which the Group operates.
