

**Champion Technology Holdings Limited** ([www.championtechnology.com](http://www.championtechnology.com)) is the holding company of a communications software group of companies, with subsidiaries specialising in wireless technologies formed in 1930, and software development established in 1987. Capitalising on its wireless transmission and information software experience, the Group has successfully integrated different communications technologies into a comprehensive range of wireless solutions and services.

In recognition of the potential of the digital economy, the Group has in recent years been focusing on a number of fundamental Internet solutions, namely, speed and capacity of access, security and authenticity, digital content creation, and e-Commerce. The Group's objective is to build on its global presence, especially in China, to promote e-services.

Champion Technology Holdings Limited has a primary listing on The Stock Exchange of Hong Kong Limited. Its shares are also traded over-the-counter in the United States by means of American Depositary Receipts.
