TO THE SHAREHOLDERS OF TRAVELSKY TECHNOLOGY LIMITED

(Incorporated in the People's Republic of China with Limited Liability)

We have audited the accompanying balance sheets of TravelSky Technology Limited (the "Company") and consolidated balance sheets of the Company and its subsidiaries (hereinafter collectively referred to as the "Group") as at December 31, 2000 and 1999, and the related consolidated statements of income, changes in shareholders' equity and cash flows for the years then ended. These financial statements are the responsibility of the Group's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with International Standards on Auditing issued by the International Federation of Accountants. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company and of the Group as at December 31, 2000 and 1999, and the Group's results of operations and cash flows for the years then ended in accordance with International Accounting Standards issued by the International Accounting Standards Committee, and comply with the disclosure requirements of the Hong Kong Companies Ordinance.
