Note: In prior years, leasehold land and buildings were stated at cost less depreciation and amortisation. In the current year, leasehold land and buildings are stated at their revalued amount, being the fair value on the basis of their existing use at the date of revaluation less any subsequent accumulated depreciation and amortisation. In the opinion of the directors, the change in accounting policy can better reflect the financial position of the Group. The change in accounting policy in the current year had the effect of increasing total assets at 31 December 2000 by HK\$52,583,000.
