# COMPANY PROFILE

PetroChina Company Limited (the “Company”) was established as a joint stock company with limited liability under the Company Law of the People’s Republic of China (the “PRC”) on November 5, 1999 as part of the restructuring of China National Petroleum Corporation (“CNPC”). In the restructuring, CNPC injected into the Company most of the assets and liabilities of CNPC relating to its exploration and production, refining and marketing, chemicals and natural gas businesses.

The Company, one of the largest companies in the PRC in terms of sales, is engaged in a broad range of petroleum and natural gas-related activities, including:

- the exploration, development and production of crude oil and natural gas;
- the refining, transportation, storage and marketing, including import and export, of crude oil and petroleum products;
- the production and sale of chemical products; and
- the transmission, marketing and sale of natural gas.

The American Depositary Shares (“**ADSs**”) and H shares of the Company were listed on The New York Stock Exchange and The Stock Exchange of Hong Kong Limited on April 6, 2000 and April 7, 2000, respectively.
