

## Strategy built on the strength of our team...

The people behind Hanny are united by a strong dedication to maximizing shareholder value. Through applying entrepreneurial principles, diversifying business interests and working to manage risk, the Hanny team is committed to our shareholders. The stability of the Board of Directors and senior management has always played a key role in our long history of business success. We're proud of our accomplishments, and look forward to continued success with our strategy for the future.

#### TO THE SHAREHOLDERS OF HANNY HOLDINGS LIMITED

*(Incorporated in Bermuda with limited liability)*

We have audited the financial statements on pages 31 to 81 which have been prepared in accordance with accounting principles generally accepted in Hong Kong.

#### **Respective responsibilities of directors and auditors**

The Company's directors are responsible for the preparation of financial statements which give a true and fair view. In preparing financial statements which give a true and fair view it is fundamental that appropriate accounting policies are selected and applied consistently.

It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

#### **Basis of opinion**

We conducted our audit in accordance with Statements of Auditing Standards issued by the Hong Kong Society of Accountants. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the circumstances of the Company and of the Group, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements. We believe that our audit provides a reasonable basis for our opinion.

#### **Opinion**

In our opinion the financial statements give a true and fair view of the state of affairs of the Company and of the Group as at March 31, 2001 and of the loss and cash flows of the Group for the year then ended and have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.
