

Independent review report to the board of directors of Sinopec Shanghai Petrochemical Company Limited

Introduction

We have been instructed by the Company to review the interim accounts set out on pages 17 to 26.

Directors' responsibilities

The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of interim accounts to be in compliance with the relevant provisions thereof and International Accounting Standard 34 "Interim Financial Reporting" adopted by the International Accounting Standards Board. The interim accounts are the responsibility of, and have been approved by, the directors.

Review work performed

We conducted our review in accordance with Statement of Auditing Standards 700 "Engagements to review interim financial reports" issued by the Hong Kong Society of Accountants. A review consists principally of making enquiries of group management and applying analytical procedures to the interim accounts and based thereon, assessing whether the accounting policies and presentation have been consistently applied unless otherwise disclosed. A review excludes audit procedures such as tests of controls and verification of assets, liabilities and transactions. It is substantially less in scope than an audit and therefore provides a lower level of assurance than an audit. Accordingly we do not express an audit opinion on the interim accounts.

Review conclusion

On the basis of our review which does not constitute an audit, we are not aware of any material modifications that should be made to the interim accounts for the six-month period ended 30 June 2001.
