

Profiles of Major Shareholders

Vision Century Limited

Vision Century Limited, which is the holding company of Vision Century Corporation Limited, is a consortium established by Ascendas Pte. Ltd., Fraser and Neave Limited and CyberCity Holdings Limited.

Ascendas Pte. Ltd.

Ascendas Pte. Ltd. ("Ascendas"), the synergistic merger between two subsidiaries of JTC Corporation, Arcasia Land and JTC International's (JTCi) Business Parks and Facilities Group, combines a well-established track record as Asia's foremost provider of total business space solutions. Ascendas has strong regional know-how and networks through its prominence in Singapore, India, China and the Philippines. A global partner in business space solutions, Ascendas' international clientele of some 1,000 customers include Fortune 500 corporations, multinational corporations, leading local enterprises and research organisations.

Ascendas develops, manages and markets science, business, industrial and hi-tech parks. Beyond the traditional role of a brick-and-mortar developer, the company innovates business space solutions to create unique business lifestyle environments that enhance the effectiveness of its customers. Its high-quality portfolio of properties is exemplified by flagship developments such as the world-renowned Singapore Science Park, International Tech Park Bangalore, Xinsu Industrial Development in Suzhou, and Carmelray Industrial Park II in Manila.

Fraser and Neave Limited

With revenues of more than S\$2.5 billion and shareholders' funds in excess of \$3 billion, Fraser and Neave Limited ("F&N"), listed on the Singapore Exchange Securities Trading Limited, today ranks as one of Singapore's most established and successful companies.

Starting as a producer of soft drinks in 1883, it ventured into the business of brewing in 1931, dairies in 1959, glass bottling manufacturing in 1972, properties in 1990, and more recently, publishing and printing.

Profiles of Major Shareholders

The successful transformation and evolution of F&N since its founding attest to its unique strengths: the entrepreneurial spirit of its management and active pursuit of new business prospects and growth; a strong portfolio of brands, painstakingly built up over many years of commitment to quality and consumer satisfaction; strategic alliances and partnerships that have opened new vistas of opportunities for the Group; its solid financial position, which has strengthened over the years as the Group continues to grow and prosper; and the values of hard work, prudence, innovation, teamwork, and professionalism that drives its people — attributes that will propel the the Group forward in the years ahead, to realise its vision of becoming a world-class multinational enterprise with an Asian base.

CyberCity Holdings Limited

CyberCity Holdings Limited ("CCH") is a hi-tech development and investment holding company founded by Dr. Simon Jiang in 1997. One of its shareholders is Temasek eVentures, whose parent company Temasek Holdings is the investment holdings arm of the Singapore Government and participates in private sector direct investment activities globally.

Through CyberCity Investments Limited, the direct investment arm of CCH, numerous investments have been made on China-based technology companies with a view to growing their businesses, attracting strategic investments from high profile international technology partners and ultimately, to capturing investment value.
