Subject to the provisions of the Share Option Scheme, the Board may at its discretion when offering the grant of an option impose any conditions, restrictions or limitations in relation thereto in addition to those set forth in the Share Option Scheme as it thinks fit (to be stated in the letter containing the offer of the grant of the option) including (without prejudice to the generality of the foregoing) conditions, restrictions or limitations relating to the achievement of operating or financial targets, the satisfactory performance by the grantee or the time or period when the right to exercise the option in respect of all or some of the option shares will vest. The amount payable on acceptance of an option is HK\$1. The full amount of the subscription price for the Shares must be paid upon exercise of an option.

The subscription price for any particular option shall be such price as the Board of Directors of the Company may in its absolute discretion determine but shall not be less than whichever is the higher of (a) the nominal value of a Share; and (b) 90 per cent. of the average of the closing prices of the Shares as stated in the Stock Exchange of Hong Kong's daily quotation sheets for the five trading days immediately preceding the date of offer of an option on which there were dealings in Shares on the Stock Exchange of Hong Kong.

The Share Option Scheme will expire on 26 March 2007.

The Stock Exchange of Hong Kong amended the requirements for share option schemes under the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules"). The new requirements have come into effect from 1 September 2001.

As a transitional arrangement applicable to the Share Option Scheme, the Company must comply with the new requirements of the Listing Rules. These new requirements make some of the provisions of the existing Share Option Scheme no longer applicable. The Board of the Company approved a new option scheme which complies with the new requirements of the Listing Rules at the board meeting on 4 March 2002. This new option scheme will be tabled for shareholders' approval at a Special General Meeting to be convened accordingly.

3. The options granted on 27 November 1999 are exercisable in 2 tranches.
4. The options granted on 1 June 2000 are exercisable in 3 tranches.
5. The options granted on 2 March 2001 are exercisable in 3 tranches.
6. No options were cancelled during the year.

In accordance with Rule 17.08 of the Listing Rules, a valuation of the Company's options granted during the financial year has been calculated based on the Black-Scholes option pricing model as stipulated in Rule 17.08. This model was developed for use in estimating the fair value of traded options which do not have vesting restrictions and which are fully transferable. In addition, the option valuation model requires the input of highly subjective assumptions, including the expected stock-price volatility. As the Company's options have characteristics significantly different from those of traded options and because changes in the subjective input assumptions can materially affect the fair value estimate, in the opinion of management, the existing models do not necessarily provide a reliable single measure of the fair value of its options.

The following assumptions, measured based on the date when the options were granted, were used in determining the pro forma amount:

	2001
Stock volatility (assuming 260 trading days per year)	49.81%
Expected life from grant date (in years)	10
Risk-free interest rate (interest rate for the Exchange Fund Notes)	6.0%
Expected dividend yield	4%

Based on the closing price of the Company's share on the date of grant and the above assumptions, the computed fair value of the share options granted during 2001 was HK\$4.89 per option share.

SERVICE AND MANAGEMENT CONTRACTS

There is no service contract, which is not determinable by the Company within one year without payment of compensation (other than statutory compensation), in respect of any Director proposed for re-election at the forthcoming Annual General Meeting.

Details of contracts of significance for the provision of services by related parties are set out in note 30 to the accounts.

MAJOR CUSTOMERS AND SUPPLIERS

The percentages of the five largest customers combined and the five largest suppliers combined are less than 30% of the Group's total turnover and purchases, respectively.

DIRECTORS' INTEREST IN COMPETING BUSINESS

During the year and up to the date of this report, the Directors who are considered to have interests in the following businesses which compete or are likely to compete, either directly or indirectly, with the businesses of the Group, other than those businesses where the Directors have been appointed/were appointed as directors to represent the interests of the Company and/or the Group, pursuant to the Listing Rules are set out below.

Mr Kuok Khoon Loong, Edward is a director of the Allgreen Properties Limited ("Allgreen") group of companies which businesses consist of property investment and development, property and project management, operators of office, retail and service apartments in Singapore. In this regard, Mr Kuok is regarded to be interested in such competing businesses (the "Excluded Businesses") of the Group. Allgreen is listed on the Singapore Stock Exchange.

Messrs Kuok Khoon Loong, Edward, Ang Keng Lam, Wong Siu Kong and Thaddeus Thomas Beczak are directors of the Shangri-La Asia Limited ("SA") group of companies which businesses consist of hotel ownership and operation. KPPI is listed on the Philippine Stock Exchange.

DIRECTORS' INTEREST IN COMPETING BUSINESS (CONTINUED)

Mr Ang Keng Lam is a director of the China World Trade Center Ltd. group of companies which businesses consist of property investment and development, hotel ownership and operation in the PRC. In this regard, Mr Ang is regarded to be interested in the Excluded Businesses of the Group.

The abovementioned Excluded Businesses are managed by publicly listed companies (in the case of Allgreen, SA and KPPI) with independent management and administration.

All the incumbent executive directors maintain certain personal and deemed interests and/or directorships in personal investment entities and/or other entities within the Kerry Group Limited group of companies which businesses consist of property investment and development, hotel ownership and operation, warehouse ownership and operation, port terminal ownership and operation and freight operations. In this regard, they are regarded to be interested in the Excluded Businesses of the Group. However, the size of the businesses undertaken by these entities in which they are appointed directors and/or they have deemed/beneficial interests are considered insignificant and immaterial as compared to the Group.

As the Board of Directors of the Company is independent of the boards of the abovementioned companies carrying out the Excluded Businesses, the Group is capable of carrying on its business independent of, and at arm's length from, the Excluded Businesses mentioned above.

CONNECTED TRANSACTIONS

Details of the connected transactions of the Group during the year are set out below:

- (i) A sale and purchase agreement dated 5 June 2001 made between Kerry Logistics Services (Australia) Limited ("KLSA"), an indirect wholly-owned subsidiary of the Company and Kerry Holdings Limited ("KHL"), a substantial shareholder of the Company, pursuant to which KLSA agreed to acquire from KHL 100 shares of par value US\$1 each (representing its existing entire issued share capital) in Longstone Holdings Limited ("Longstone"), the holding company of the Charlick group of companies comprising Charlick Operations Pty. Limited (now known as Kerry Logistics Holdings (Australia) Pty Ltd), MEFS Transport Pty. Ltd. (now known as Kerry Freight (Australia) Pty Ltd), Charlick Trading Pty. Limited (now known as Kerry Logistics (Australia) Pty Ltd) and Charlicks New Guinea Ltd., together with an interest-free shareholder's loan of US\$3,000,000 due by Longstone to KHL, at a total consideration of A\$6,150,775.
- (ii) An agreement dated 12 July 2001 made between, amongst others, Burgo Inc ("Burgo"), Kerry Properties (H.K.) Limited ("KPHKL"), Kerry Estate Management Limited ("KEML"), Sino Land Company Limited ("Sino"), Campbell Construction Company Limited ("CCCL"), Sing-Ho Finance Company Limited ("Sing-Ho"), Elite Chance Limited ("Elite"), E. Lite (Choi's) Holdings Limited and King Chance Development Limited, pursuant to which each of Burgo, KPHKL, KEML, Sino and CCCL agreed to sell their respective portions of the shares, being the entire issued share capital of Sea Lord Trading Company Limited ("Sea Lord"), Coastline Company Limited ("Coastline") and Energy Plaza Management Company Limited ("Energy Management"), and each of KPHKL, Sino, CCCL and Sing-Ho agreed to sell their respective portions of the outstanding loans owed by Sea Lord, Coastline and Energy Management, to Elite for an aggregate consideration of approximately HK\$402,528,000.

CONNECTED TRANSACTIONS (CONTINUED)

The Company holds an indirect equity interest of 55.5% each in Sea Lord through KPHKL and Burgo, in Coastline through KPHKL and in Energy Management through KEML. Both KPHKL and Burgo are indirect wholly-owned subsidiaries of the Company. KEML is a direct wholly-owned subsidiary of the Company. Sino holds a direct and an indirect (through its wholly-owned subsidiary, CCCL) aggregate equity interest of 44.5% each in Sea Lord, Coastline and Energy Management. Sino is therefore a substantial shareholder and also a controlling shareholder of each of Sea Lord, Coastline and Energy Management. Accordingly, Sino is a connected person of the Company as defined under the Listing Rules.

- (iii) The Group has made various advances to a 75% owned subsidiary (the "Developer") pursuant to an agreement (the "Agreement") with the minority shareholder which holds the remaining 25% interest in the Developer (the "Minority Shareholder"). Pursuant to the Agreement, advances are to be made by the Group to the Developer for financing the development of the property held by the Developer if external financing for the estimated construction and other costs of development cannot be obtained. Such advances shall bear interest at the rate of 1.5% per annum above the prime or best lending rate from time to time of The Hongkong and Shanghai Banking Corporation Limited for Hong Kong dollars in Hong Kong. The advances are secured by way of fixed and/or floating charges over the assets or any part thereof of the Developer. Shareholder's loans provided by the shareholders in proportion to their shareholdings in the Developer are subordinated to such advances by the Group.

The Minority Shareholder is connected to the Group by virtue only of its substantial shareholding in the Developer. As at 31 December 2001, the advances outstanding amounted to approximately HK\$255,474,000 (2000: HK\$181,774,000) and interest charged during the year ended 31 December 2001 amounted to approximately HK\$19,844,000 (2000: HK\$18,351,000).

All the above connected transactions are disclosed in accordance with Chapter 14 of the Listing Rules.

As disclosed by SCMP Group Limited (formerly known as South China Morning Post (Holdings) Limited) ("SCMP Group"), which is a connected person (as defined in the Listing Rules) of the Company by virtue of it being a member of the Kuok Group (as defined in the Company's prospectus dated 23 July 1996), on 31 July 2000, Kerry Logistics (Hong Kong) Limited ("KL-Hong Kong"), an indirect wholly-owned subsidiary of the Company, entered into 5 separate logistics services agreements (together the "Logistics Agreements"), one of which expired on 30 June 2000, with Highlight Trading Limited, Highlight Trading (HK) Limited, SCMP Retailing (HK) Limited and SCMP Book Publishing Limited, all wholly-owned subsidiaries of SCMP Group (the "SCMP Subsidiaries"), regarding the provision of logistics services by KL-Hong Kong to each of the SCMP Subsidiaries. The provision of such logistics services is within the ordinary course of business of KL-Hong Kong and the Logistics Agreements were reached on an arm's length basis.

The entering into of the Logistics Agreements constituted connected transactions of the Company under the Listing Rules. For the purpose of Rule 14.25(1) of the Listing Rules, both the respective basic service fee received as well as fees estimated to be received from the SCMP Subsidiaries under each of the Logistics Agreements and the aggregate basic service fee receivable for all 5 Logistics Agreements whether on an annual basis or in respect of the fixed term of all the Logistics Agreements was less than 0.03% of the book value of the net tangible assets of the Company at the time when SCMP Group disclosed the above connected transactions by way of a press notice on 31 July 2000.

CONNECTED TRANSACTIONS (CONTINUED)

At the year end date, 4 Logistics Agreements (including one having been renewed for a term of one year) were still operative and the aggregate consideration received by KL-Hong Kong therefrom for the financial year ended 31 December 2001 was still below the threshold for disclosure as required by Rule 14.25(1) of the Listing Rules. However, as the Logistics Agreements are still ongoing and the amounts involved might, in future, reach the level required for disclosure as stipulated by Rule 14.25(1) of the Listing Rules, the Company is aware and will make the appropriate disclosure as required by the Listing Rules when necessary.

As disclosed by SCMP Group on 15 August 2001, Kerry Distribution (Hong Kong) Limited ("KD-Hong Kong"), an indirect wholly-owned subsidiary of the Company, entered into a local transportation services agreement (the "Services Agreement") for one year commencing on 15 August 2001 and ending on 14 August 2002 with South China Morning Post Publishers Limited ("SCMP Publishers"), a wholly-owned subsidiary of SCMP Group regarding the provision of transportation and distribution services related to SCMP Publishers' newspaper business by KD-Hong Kong to SCMP Publishers at a service charge of HK\$594,000 per month. The provision of transportation and distribution services is within the ordinary course of business of KD-Hong Kong and the Services Agreement was reached on an arm's length basis.

The entering into of the Services Agreement constituted a connected transaction of the Company under the Listing Rules. However, for the purpose of Rule 14.25(1) of the Listing Rules, the aggregate service charges payable by SCMP Publishers to KD-Hong Kong under the Services Agreement was less than 0.03% of the book value of the net tangible assets of the Company at the time when the Services Agreement was entered into. Therefore, the Company is not required to make any disclosure under the Listing Rules. In the interest of transparency, the Company discloses the above transaction for the information of the Company's shareholders.

During the year, there were other connected transactions as set out in Note 30 to the accounts, which are disclosed herein in accordance with a waiver previously granted by the Listing Division of the Stock Exchange of Hong Kong. In the opinion of the independent non-executive directors of the Company, these transactions were carried out on normal commercial terms, in the ordinary course of business of the Group and are fair and reasonable to the shareholders of the Company.

The Company has complied with the Code of Best Practice, as set out in Appendix 14 of the Listing Rules, throughout the financial year under review.
