MANAGEMENT DISCUSSION AND ANALYSIS

Cash Flow and Capital Structure

During the year under review, net cash inflow from operating activities amounted to HK\$333.2 million (2000 - HK\$254.0 million). Net interest payment for the year amounted to HK\$397.0 million (2000 - HK\$748.1 million).

Subsequent to the balance sheet date, in March 2002, 250 million new shares ("Consideration Shares") of the Company were allotted, issued and credited as fully paid to a nominee of Prism Communications International Limited ("Prism") at HK\$0.10 per Consideration Share in satisfaction of the consideration for the subscription by Expert Link Technology Limited, a wholly-owned subsidiary company of the Company, for 10 million new shares of HK\$0.01 each in Prism pursuant to the Share Exchange Agreement dated 18th February, 2002 made between, inter alia, the Company and Prism (the "Share Transaction"). Further details relating to the Share Transaction are set out in the section headed "Issue of New Shares under the 20% General Mandate" below.

As at 31st December, 2001, the Group's gross borrowings net of cash and bank balances amounted to HK\$10,135.4 million (2000 - HK\$9,969.4 million). The Group's gearing ratio based on total assets of HK\$14,634.5 million (2000 - HK\$17,873.5 million) was 69% (2000 - 56%). As at 31st December, 2001, the Company recorded a consolidated negative net worth of HK\$160.3 million, which was primarily the result of significant losses incurred and the continuing downward adjustment in the valuation of the investment and hotel properties owned by the Group.

Details of the Group's pledge of assets and contingent liabilities are shown in notes 49 and 50, respectively, to the financial statements.

The majority of the Group's borrowings are denominated in Hong Kong dollar currency and there is no material foreign exchange exposure. Details of the maturity profile of the Group's borrowings are set out in notes 30 to 32 to the financial statements.

Funding and Treasury Policy

The Group adopts a prudent funding and treasury policy with regard to its overall business operations. Property development projects are financed partly by internal resources and partly by bank financing. Project financing is normally arranged in local currency to cover a part of the land cost and a major portion or the entire amount of the construction cost, with interest calculated by reference to the interbank offered rates and the loan maturity tied in to the estimated project completion date. Currency and interest rate exposures are hedged where circumstances are considered appropriate.

Remuneration Policy

The Group employs approximately 2,500 staff in Hong Kong, 300 staff in Canada and 900 staff in The People's Republic of China.

Remuneration packages are generally structured by reference to market terms and individual merits. Salaries are normally reviewed on an annual basis based on performance appraisals and other relevant factors. Staff benefit plans maintained by the Group include provident fund scheme and medical and life insurance.

The Company as well as Paliburg Holdings Limited ("PHL") and Regal Hotels International Holdings Limited ("RHIHL"), the listed subsidiary companies of the Company, each maintains an Executive Share Option Scheme, pursuant to which certain share options were granted under the Executive Share Option Schemes of PHL and RHIHL to selected eligible executives.

A detailed review of the business operations and the outlook of the Group is contained in the Chairman's Report which precedes this report.
