

Corporate Profile

USI HOLDINGS LIMITED invests in and operates a balanced range of businesses that provide a combination of steady cash-flow and high growth and cover three areas of operation: apparel, property and communications.

Apparel operations comprise well-established garment manufacturing in Hong Kong, China and Southeast Asia and branded products distribution through subsidiaries which own internationally recognised labels such as Gieves & Hawkes.

The Group is expanding its property portfolio in Hong Kong through high quality residential developments to add to its existing investment property holdings. The Waterfront atop the Airport Railway's Kowloon Station at Tsim Sha Tsui, a 1.6 million square foot high quality luxury residential property development project, has been successfully marketed under the WingTai Asia brand. Another property development project, The Hillgrove at Siu Lam, has been launched in December 2001. USI also provides hospitality management services through Lanson Place serviced residences in Southeast Asia.

In communications investments, USI co-founded SUNDAY Communications Limited, a company listed on the NASDAQ and The Stock Exchange of Hong Kong. SUNDAY is an innovative developer and provider of wireless communications and Internet related services in Hong Kong. The Group also has investments in other information technology and software companies.

USI was listed on The Stock Exchange of Hong Kong in 1991. The Group employs more than 6,000 people worldwide.
