

封面圖畫解說

由嘉利附設之幼兒園內員工子弟所繪畫的圖畫：樹、青草、大自然……，正好配合嘉利擁抱綠化環保的取向。嘉利經過了過去數年間的 effort，現在終能脫胎換骨，就如畫中的一棵大樹，根基穩固，朝氣勃勃。而展望未來，大地充滿生機，我們亦會繼續努力，向卓越之路邁進。

Drawn by children of the nursery established by Karrie in China for the workers. Tree, grass and the nature.....all these speak for the Group's embrace of the concept of environmental protection. After the effort in the last few years, Karrie has undergone a rebirth, just like the thriving tree in the picture. And with the nature decorated with lively growth, we will follow its lead and work hard to continue our march toward excellence.
