Liquidity and Financial Resources

The Group's liquidity and financial resources continue to be strong with net surplus cash position of over HK\$250 million as at 31st March, 2002. This is after taking into account settlement of the consideration for the purchase of fixed assets and stock of the Benetton, Sisley and O12 operations in Taiwan, capital expenditure on new store openings and seasonal purchases of the Group.

Total cash balances stood at HK\$411.9 million against bank borrowings of HK\$158.3 million. The increase in bank borrowings by HK\$142.6 million is primarily attributable to short-term bank loans drawn down by the Group's Taiwan subsidiary company to finance the abovementioned acquisition of the Benetton, Sisley and O12 business.

Short-term bank loans and overdrafts required to mainly finance seasonal purchases were borrowed in Hong Kong, Singapore and New Taiwan Dollars as required by the respective operating subsidiary companies. The Group's policy is to minimise exposure to fluctuations in the exchange rate of regional currencies by establishing facilities with local banks so that working capital as well as capital investments requirements can be funded by borrowings in local currency and repaid by cash flow generated from local sales.

The Group's foreign currency purchases were mainly denominated in United States Dollars, Swiss Francs and European Currency Units. Forward exchange contracts were utilised, if considered necessary, to purchase the relevant currency to meet payments.

The Group has maintained a conservative and strong capital structure throughout the financial year under review. As at 31st March, 2002, the current ratio, being current assets divided by current liabilities, was 2.19 times (at 31st March, 2001 : 2.50 times).

 - (a) the design, development, construction and delivery in full operating status on or before 30th September, 2000 of six portals in an internet based retail network (“the Cybermall”);
 - (b) the electronic interface between the Cybermall and physical mall and the related technological infrastructure; and
 - (c) technical advice and recommendations on the ongoing upgrading and improvement of the Cybermall.

Under this agreement, DMC agreed and warranted that the services would be provided for an all inclusive fixed fee of HK\$130 million which represented the agreed estimate of the actual direct costs and time expended by the specialist personnel engaged in fulfilling the contract and without any profit margin and element of mark-up. The subsidiary company would be invoiced for the above services on a monthly basis.

The agreement also required the subsidiary company to pay third party suppliers HK\$110 million for the related specialised hardware and software specified by DMC for the Cybermall project.

The subsidiary company may only terminate the agreement in the event of willful default by DMC and the fixed fee referred to above is payable in full if the subsidiary company terminates the agreement in any other circumstances.

Directors' Interests in Competing Businesses

Set out below is information disclosed pursuant to Rule 8.10 of the Listing Rules :-

- (a) Five directors of the Company, namely, Messrs. Raymond Lee, Ching Sau Hong, Kevin, Edwin Ing, Ng Chan Lam and Walter Josef Wuest (all of whom resigned during the year), who remained as directors of a subsidiary company of S.T. Dupont subsequent to the disposal of the Group's entire interest in S.T. Dupont on 3rd June, 1999, are deemed to have an interest in the subsidiary company of S.T. Dupont under Rule 8.10 of the Listing Rules.

The subsidiary company of S.T. Dupont carries on the sale of S.T. Dupont products in Hong Kong and is deemed as competing with the wholesale and retail businesses of the Group. However, the S.T. Dupont brand mainly specialises in the product categories of luxury lighters and writing instruments, both of which are not core product categories of the Group. Moreover, subsequent to the disposal of the Group's entire interest in S.T. Dupont on 3rd June, 1999, the business of the subsidiary company of S.T. Dupont was taken over by an independent management team which reports directly to S.T. Dupont's head office in Paris. For these reasons, the Group considers that its interests are adequately safeguarded.

- (b) A director of the Company, namely, Mr. Karl Friederich Scheufele (resigned on 1st October, 2001), is the owner and also a director of Chopard Holding S.A.. As such, a disclosure under Rule 8.10 of the Listing Rules is required to be made.

While the distribution of Chopard watches and jewellery in the region's major markets of Hong Kong, Taiwan and Singapore is carried on by the Group, it is nevertheless deemed as competing with the other watch and jewellery brands represented by the Group. However, the Chopard brand is targeted at its own specific customer base which is attracted by its unique history and exclusive product range. Given the distinct features of the Chopard brand and the exclusive rights granted to the Group in the region, the Group considers that its interests are adequately safeguarded.

In order to further safeguard the interests of the Group, those directors of the Company not interested in these competing businesses would on a regular basis review the businesses and operations of the Group to ensure that its businesses are run on the basis that they are independent of, and at arm's length from, those of the above companies.

Substantial Shareholders

As at 31st March, 2002, the following parties were interested in 10 per cent. or more of the nominal value of the share capital of the Company as recorded in the register required to be kept by the Company under Section 16(1) of the SDI Ordinance :-

Oaktree Capital Management, LLC	34,457,500

Note :-
