

To the board of directors

Global Bio-chem Technology Group Company Limited

(Incorporated in the Cayman Islands with limited liability)

INTRODUCTION

We have been instructed by the Company to review the interim financial report for the six months ended 30 June 2002 set out on pages 6 to 18.

DIRECTORS' RESPONSIBILITIES

The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of an interim financial report to be in compliance with Statement of Standard Accounting Practice No. 2.125 "Interim financial reporting" issued by the Hong Kong Society of Accountants and the relevant provisions thereof. The interim financial report is the responsibility of, and has been approved by, the directors of the Company.

REVIEW WORK PERFORMED

We conducted our review in accordance with Statement of Auditing Standards 700 "Engagements to review interim financial reports" issued by the Hong Kong Society of Accountants. A review consists principally of making enquiries of management and applying analytical procedures to the interim financial report and based thereon, assessing whether the accounting policies and presentation have been consistently applied unless otherwise disclosed. A review excludes audit procedures such as tests of controls and verification of assets, liabilities and transactions. It is substantially less in scope than an audit and therefore provides a lower level of assurance than an audit. Accordingly, we do not express an audit opinion on the interim financial report.

REVIEW CONCLUSION

On the basis of our review which does not constitute an audit, we are not aware of any material modifications that should be made to the interim financial report for the six months ended 30 June 2002.
