**TO THE MEMBERS OF  
TERABIT ACCESS TECHNOLOGY INTERNATIONAL LIMITED  
(Formerly known as Welback Holdings Limited)**  
(Incorporated in Bermuda with limited liability)

We have audited the financial statements on pages 24 to 76 which have been prepared in accordance with accounting principles generally accepted in Hong Kong.

## **RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS**

The Company's directors are responsible for the preparation of financial statements which give a true and fair view. In preparing financial statements which give a true and fair view it is fundamental that appropriate accounting policies are selected and applied consistently.

It is our responsibility to form an independent opinion, based on our audit, on those financial statements and to report our opinion to you.

## **BASIS OF OPINION**

We conducted our audit in accordance with Statements of Auditing Standards issued by the Hong Kong Society of Accountants. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the circumstances of the Group and the Company, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements. We believe that our audit provides a reasonable basis for our opinion.

## **FUNDAMENTAL UNCERTAINTY RELATING TO THE RECOVERABILITY OF TRADE DEBTORS**

In forming our opinion, we have considered the adequacy of the disclosures made in note 20 to the financial statements which explains that the Group is currently engaged in a legal action against North American Foreign Trading Corporation ("NAFT"), including for the recovery of trade receivables in the sum of approximately HK\$18 million. Although it is not possible to determine the outcome of these proceedings with reasonable certainty at this time, after consultation with the Group's legal advisors, the directors are pursuing the aforesaid action vigorously. Accordingly, no provision has been made in these financial statements in respect of this matter. We consider that the fundamental uncertainty has been appropriately disclosed in the financial statements and our opinion is not qualified in this respect.

## **OPINION**

In our opinion the financial statements give a true and fair view of the state of affairs of the Company and of the Group as at 30 June 2002 and of the loss and cash flows of the Group for the year then ended and have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.
