

Established in 1992, City Telecom (H.K.) Limited ("City Telecom" or the "Company") is an integrated telecommunications provider, its group is principally engaged in the provision of international telecommunications and fixed network services. Since its establishment, the Company has aggressively marketed City Telecom and its services to capitalize on the growth and deregulation of the Hong Kong telecommunications market. City Telecom (Stock Code: 1137) was listed on the Stock Exchange of Hong Kong Limited in August 1997 with an ADR Listing on the Nasdaq National Market (Ticker Symbol: CTEL) in the USA in November 1999. In addition to the operations in Hong Kong, the group also provides international telecommunications services in Japan and Canada.

Pulling together with perseverance, City Telecom has strived to greater heights, beyond our individual capabilities, against challenging market conditions. Through long term investments and a focused business strategy, we are building a strong future and laying the foundation to become the preeminent integrated telecom service provider.

城市電訊（香港）有限公司（「城市電訊」或「本公司」）於一九九二年創辦，為一綜合電訊服務供應商，其集團主要從事國際電訊及固網業務。自成立以來，本公司致力推廣以城市電訊為品牌的各類服務以掌握香港電訊市場開放及發展所帶來之機會。城市電訊（上市代號：1137）於一九九七年八月在香港聯合交易所上市，並且於一九九九年十一月在美國納斯達克市場以美國預託証券形式上市（上市代號：CTEL）。除本港的業務外，本集團亦於日本及加拿大提供國際電訊服務。

憑著同心協力、自強不息的精神，城市電訊力爭上游，以跨過別人極限的無比勇氣迎接市場環境的考驗。透過新的長遠投資計劃及清晰的業務策略，我們正在開創豐盛的未來，為發展首屈一指的綜合電訊服務供應商奠定基礎。
