Hong Kong Exchanges and Clearing Limited
 香港交易所及結算有限公司

CHIEF EXECUTIVE OFFICER

Hong Kong Exchanges and Clearing Limited (HKEX) is the holding company of The Stock Exchange of Hong Kong Limited, Hong Kong Futures Exchange Limited and Hong Kong Securities Clearing Corporation Limited.

HKEX provides a comprehensive range of pre- and post-trade investment services. Business units serving the key functions of capital markets, derivatives market, electronic business and information services, information technology and clearing and settlement are geared to provide services that add value to investors, market intermediaries and listed companies.

The Chief Executive Officer (CEO) will have full management responsibility for the performance of HKEX in implementing its strategy of becoming and remaining the leading regional securities and futures market in terms of size, liquidity and product range, and for enhancing HKEX's comprehensive spectrum of trading and clearing services with its other trading functions such as market regulation and support for Hong Kong's market operations in the wider economy. The successful candidate must also have the authority to lead a special project in the Hong Kong Financial Community.

The successful candidate is likely to oversee the following duties and responsibilities:

- To conceptualise and lead the global strategy of securities and futures markets
- To initiate and lead regulatory initiatives
- To lead projects in the areas of market and sector development of exchanges with clearing houses
- To understand of how Hong Kong and China works
- Ability to deal with multiple stakeholders, i.e. global players as well as local industry
- To liaise for the and working with all regulatory entities
- To possess professional and personal integrity that can be relied on
- To possess good communication skills of high calibre
- Broad experience in the application of information technology in management and operation of exchanges and clearing houses
- To lead the public strategy for management and market related initiatives
- To develop for leading Hong Kong's investment, financial, clearing and futures market for the Greater China region
- Ability to act in the best interests and development of the securities and futures markets which place HKEX at the centre of the development of capital markets in Hong Kong and globally.

Applicants with full details of qualifications and experience, as well as contact information should be addressed to:
