REPORT OF THE AUDITORS

TO THE SHAREHOLDERS OF

INNOMAXX BIOTECHNOLOGY GROUP LIMITED

(Incorporated in Bermuda with limited liability)

We have audited the accounts on pages 13 to 41 which have been prepared in accordance with accounting

principles generally accepted in Hong Kong.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

The Directors of the Company are responsible for the preparation of accounts which give a true and fair view. In preparing accounts which give a true and fair view it is fundamental that appropriate accounting policies are

selected and applied consistently.

It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our

opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Statements of Auditing Standards issued by the Hong Kong

Society of Accountants. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by

the Directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the

circumstances of the Company and the Group, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered

necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the

accounts are free from material misstatement. In forming our opinion we also evaluated the overall adequacy

of the presentation of information in the accounts. We believe that our audit provides a reasonable basis for our

opinion.

OPINION

In our opinion, the accounts give a true and fair view of the state of affairs of the Company and the Group as at

31st December 2002 and of the loss and cash flows of the Group for the year then ended and have been

properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.
