

Since early 1990's, the Group has shifted its development base to mainland China and now focuses its business activities in Shanghai on the following three areas:

- property development and investment, particularly in Pudong;
- hospitality and leisure industry in Pudong; and
- manufacturing industries.

Property development is the Group's most principal business, with particular emphasis on high-end residential development. Up till now, over ten property projects of the Group have been completed and construction of a large-scale residential development in Pudong along Huangpu River is in progress.

The Company was renamed as "Tomson Group Limited" in November 2001 to better identify its brand name and goodwill built up in Shanghai for years.

自一九九零年代初期，本集團已將其發展基地轉移至中國內地，現時其業務集中於上海及以下三方面：

- 物業發展及投資，尤以浦東為主；
- 在浦東之款客及消閒業務；及
- 製造業務。

物業發展乃本集團之最主要業務，尤其是高檔之住宅項目。直至目前為止，本集團共有超過十個物業項目已竣工，而一項在浦東沿黃浦江畔之大型住宅發展項目正在興建中。

本公司於二零零一年十一月更名為「湯臣集團有限公司」，以便更有效地突顯其多年來在上海建立之品牌及商譽。
