

The Group has adopted a flexible marketing strategy which will adapt to the needs of the changing market. Although the market is highly competitive, the Group feels it will be able to maintain its place in the market.

Finance

For the nine months ended 31 March 2003, the Group has recorded a turnover of approximately RMB106,717,000 representing a 2% decrease as compared to the same period last year. The Group's turnover slightly decreased due to keen competition of the market and a general worsening of the business climate throughout the region, particularly in the Mainland China, in the wake of the crisis over Severe Acute Respiratory Syndrome ("SARS") and the war in Iraq.

For the nine months ended 31 March 2003, profit attributable to shareholders reduced by approximately RMB20,841,000 to approximately RMB16,611,000, representing a 55.6% decrease as compared with the corresponding period in 2002. Such decrease was primarily due to lower profit margin and the expenses related to transferal of the shares listed from GEM to main board during the period, amounting to approximately RMB4,000,000.

Earnings per share for the nine months ended 31 March 2003 declined to RMB4.75 cents from RMB10.70 cents for the corresponding period in 2002.
