Introduction

We have been instructed by the Company to review the interim financial report set out on pages 4 to 18.

Respective responsibilities of directors and auditors

The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of an interim financial report to be in compliance with the Statement of Standard Accounting Practice 25 "Interim Financial Reporting" issued by the Hong Kong Society of Accountants and the relevant provisions thereof. As stated in note 1 to the condensed consolidated financial statements, the Company's financial year end date was changed from 31st March to 31st December during 2002 and the comparative amounts shown for the condensed consolidated income statement, condensed consolidated statement of changes in equity, condensed consolidated cash flow statement and related notes cover the period of six months from 1st April, 2002 to 30th September, 2002. The interim financial report is the responsibility of, and has been approved by, the directors.

It is our responsibility to form an independent conclusion, based on our review, on the interim financial report and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Review work performed

We conducted our review in accordance with the Statement of Auditing Standards 700 "Engagements to Review Interim Financial Reports" issued by the Hong Kong Society of Accountants. A review consists principally of making enquiries of group management and applying analytical procedures to the interim financial report and, based thereon, assessing whether the accounting policies and presentation have been consistently applied unless otherwise disclosed. A review excludes audit procedures such as tests of controls and verification of assets, liabilities and transactions. It is substantially less in scope than an audit and therefore provides a lower level of assurance than an audit. Accordingly we do not express an audit opinion on the interim financial report.

Review conclusion

On the basis of our review which does not constitute an audit, we are not aware of any material modifications that should be made to the interim financial report for the six months ended 30th June, 2003.
