As at 30th June 2003, the Company has not granted any options to subscribe for Shares under the 2003 Scheme.

The Board does not consider it appropriate to disclose a theoretical value of the Share Options granted to the directors and employees of the Company in the previous years because a number of factors crucial for valuation cannot be determined; such factors include the exercise period and the conditions that a share option is subject to. Accordingly, any valuation of the share options based on the various speculative assumptions would not be meaningful and could be misleading to the shareholders.

PURCHASE, SALE OR REDEMPTION OF SECURITIES

Neither the Company nor any of its subsidiaries has purchased, sold or redeemed any of the Company's securities during the period.
