

This year, the Group celebrated its 25th anniversary, and 10th anniversary of listing on the Hong Kong Stock Exchange.

The Group has emerged as a small trader in 1978 into an international fashion accessory corporation having operating presence in 12 jurisdictions. We are glad that the Group managed to weather repercussions brought by worldwide economic slowdowns and record continuous growth in the past 25 years.

Our vision is to be a respected leading multi-brand fashion accessory powerhouse to share the industry growth. We will continue to actively pursue opportunities to capitalize our resources and strengths to sustain a leading stance in the industry with a resultant continuous growth in shareholder value.
