shareholders of**

ESPRIT

As a shareholder, you are a part of a global corporation with a lifestyle brand that is well recognized in many parts of the world. Esprit is not merely about clothes, it is a positive experience that allows you to be who you are. Esprit is not so much about age, it is more about an attitude, the sheer enjoyment of life that never goes out of fashion. Real people, real design, real style - these are our core values and the reasons why we are renowned for the simplicity, sincerity and truth of our products.

Today, Esprit's merchandises can be found in over 40 countries worldwide, and the Group operates approximately 570 directly managed retail stores and has over 6,000 wholesale outlets internationally. Our comprehensive product offerings encompass women's wear, men's wear, kids' wear, as well as shoes and accessories. The **ESPRIT** label is also applied to licensed products ranging from eyewear, jewelry and timewear to homeware and bed & bath products. In addition, we own the popular Red Earth brand name and distribute its cosmetic products.

Since our listings on the Hong Kong and London stock exchanges in 1993 and 1998, the MSCI Hong Kong Index, Hang Seng Index, FTSE All-World Index for Hong Kong and S&P/HKEx LargeCap Index have all included us in recognition of our solid financial strength.
