

Corporate Profile

Listed in Hong Kong since 1972, New World Development is a leading conglomerate. The Group's four core businesses include property, service, infrastructure and telecommunications.

Property

Service

Our property development portfolio is focused on residential usage in Hong Kong. This is complemented by a sizeable investment property portfolio comprising shopping malls, offices, hotels and service apartments. Our Mainland China property arm — New World China Land — is one of Mainland China's leading property developers.

Our service businesses cover a wide range of activities, including facilities; contracting; transport; financial and environmental services.

Infrastructure

Our infrastructure businesses in Hong Kong, Macau and Mainland China include roads and bridges; energy; water treatment and waste management; container handling and logistics and warehousing.

Telecommunications

In telecommunications, New World Telecommunications provides the full spectrum of fixed-line, broadband, data and IDD services, while New World Mobility offers innovative and customer-oriented mobile and multimedia services.
