DELAY IN PUBLICATION OF ANNUAL RESULTS AND DESPATCH OF ANNUAL REPORT

The publication of the audited final results announcement of the Company and the despatch of the annual report of the Company for the year ended 31 March 2003 will be delayed for the reasons set out below. The delay in publication of the said final results announcement and despatch of annual report constitute breaches of the Listing Agreement. The Stock Exchange reserves its right to take appropriate action against the Company and/or its directors as a result of such breaches.

The directors of the Company (the "Directors") wish to announce that the publication of the audited final results announcement of the Company for the year ended 31 March 2003 (the "Results") and the despatch of the annual report for the year ended 31 March 2003 (the "Annual Report") have to be delayed as the auditors of the Company have not received all necessary information and supporting evidence they required for their audit purposes including, inter alia, confirmation from the banks relating to the Company's debt restructuring.

For the above reasons, the Directors also do not consider it appropriate for the Company to publish the Results before 31 July 2003. The Directors expect that the Company will be in a position to publish the Results and to despatch the Annual Report on or around 30 September 2003 when all the abovementioned information and supporting evidence should have been obtained.

The delay in publication of the Results and despatch of the Annual Report and the omission of unaudited financial results in this announcement constitute breaches of paragraphs 8(1), 11(1) and 11(3)(i) (c) of the Listing Agreement. The Stock Exchange reserves the right to take appropriate action against the Company and /or Directors in respect of such breaches. However, such delay and omission will not constitute a breach of the Bye-Laws of the Company or the applicable laws of Bermuda.

The Directors have confirmed that they have not dealt in the shares of the Company since 1 July 2003 and have also undertaken not to deal in the shares of the Company until the publication of the annual results announcement.
