

Corporate Profile

BALtrans Holdings Limited ("BALtrans Group") is one of Asia's leading freight forwarding and logistics group with a corporate mission to satisfy the needs of the shipping public by striving for excellence in the logistics field.

Established in Hong Kong in 1982 and being the first freight forwarding company to list on the stock exchange of Hong Kong in 1992, BALtrans Group offers a wide range of services including airfreight forwarding, seafreight forwarding, sea-air combination services, exhibition forwarding, air chartering, international household removal, marine insurance brokerage, project shipping and logistics provision. BALtrans Group has been actively developing the mainland China market and has committed to expand its presence to take advantage of the post-WTO China as the world's manufacturing powerhouse.

The acquisition of the Jardine Logistics Group in 2003 is a key milestone in BALtrans Group's commitment in growth through acquisition. Meanwhile, it has created a global freight forwarding and logistics platform with a comprehensive geographical network and a full range of logistics services to serve customers better all over the world.

The quality services of BALtrans Group are supported by a sophisticated IT system enabling Electronic Data Interchange, and a user-friendly BALtrack Cargo Tracing and Tracking System which clients can use conveniently through their internet browser. BALtrans Group obtained ISO9002 accreditation in 1994, demonstrating unrelenting effort in striving for excellence. It is also a member of IATA and its interest group Cargo 2000, which advocates common industry automation standards.
