### **FURTHER POSTPONEMENT IN THE RELEASE OF THE AUDITED FINAL RESULTS FOR THE YEAR ENDED 31ST MARCH, 2004**

#### **Further postponement in the release of the audited final results for the year ended 31st March, 2004**

The announcement of the Audited Final Results is further postponed to on or around 21st September, 2004 and it is expected that the Annual Report will be despatched to the shareholders of the Company on or around 27th September, 2004.

The delay in publication of the Audited Final Results and despatch of the Annual Report constitute breaches of Rules 13.49(1) and (2) and Rule 13.46(2)(a) of the Listing Rules respectively. Moreover, as it is currently expected that the AGM will be held on a date around the end of October 2004 and by doing so, the Company will also be in breach of Rule 13.46(2)(b) of the Listing Rules because the date to which the Annual Report was made up, i.e. 31st March, 2004, represents a date falling more than six months before the aforesaid date for the holding of the AGM. The Stock Exchange reserves its right to take appropriate action against the Company regarding the aforesaid breaches of the Listing Rules.

#### **Suspension of trading**

At the request of the Company, trading in the shares of the Company was suspended with effect from 9:30 a.m. on Friday, 27th February, 2004 and will remain suspended pending the publication of announcement(s) to clarify the newspaper articles in relation to the allegation in respect of suspected share price manipulation and share placement.

Reference is made to the announcement (the "Announcement") of the Company dated 30th July, 2004 in relation to the postponement in the release of the audited final results (the "Audited Final Results") of the Group for the year ended 31st March, 2004.

#### **Reasons for further postponement in the release of the audited final results for the year ended 31st March, 2004**

As stated in the Announcement, the Company expected that the Audited Final Results would have been published in the newspapers on 25th August, 2005 and it was originally expected that the annual report of the Company for the year ended 31st March, 2004 (the "Annual Report") will be despatched on or around 31st August, 2004. As the existing financial controller of the Company was appointed on 17th May, 2004 who requires additional time to prepare and obtain certain financial information mainly relating to the Group's inventories and the trade receivables from the Group's franchisees in the PRC (which was numbered at about 60 franchisees as at 31st July, 2004) for the year ended 31st March, 2004 and the subsequent period up to and including 31st July, 2004 in order for the auditors of the Company to complete the necessary audit procedures, the publication of the Audited Final Results and the despatch of the Annual Report will therefore be further postponed.

The postponement in the release of the Audited Final Results, delay in the despatch of the Annual Report and the Annual Report being made up to more than six months from the expected date of the AGM do not constitute breaches to the provision of the Company's articles of associations. The Stock Exchange of Hong Kong Limited (the "Stock Exchange") reserves its right to take appropriate action against the Company in respect of the aforesaid breaches of the Listing Rules.

The meeting of the board of directors (the "Directors") of the Company to consider and to approve the Audited Final Results is expected to be held on or around 20th September, 2004 and the Audited Final Results is expected to be published in the newspapers on or around 21st September, 2004.
