Our Vision

To be a First-class Airport Management Company

Beijing Capital International Airport Company Limited (the “Company”) was incorporated as a joint stock company with limited liability in the People’s Republic of China (the “PRC”) on 15 October 1999 to take over and operate the international airport in Beijing the PRC, (the “Beijing Airport”), and certain ancillary commercial businesses pursuant to a group restructuring in preparation for an offering of the Company’s shares. On 27 January 2000, 1,346,150,000 H shares in the Company of RMB1.00 each were issued to the public at HK\$1.87 per share and such shares were listed on The Stock Exchange of Hong Kong Limited (the “Hong Kong Stock Exchange”) on 1 February 2000. On 18 May 2001, as approved by the Ministry of Foreign Trade and Economic Co-operation of the PRC, the Company was converted into a Sino-foreign joint stock limited company.

At present, the Company is mainly engaged in aeronautical and non-aeronautical businesses at the Beijing Airport.

The aeronautical business of the Company consists of the provision of aircraft landings and take-offs and passenger service facilities, safety and security services, fire-fighting services for domestic and foreign airlines.

By the end of 2004, there were 51 airlines operating at the Beijing Airport, including 10 Chinese airlines (including airlines from Hong Kong and Macau) and 41 foreign airlines.

By the end of 2004, there were 202 flight routes to and from the Beijing Airport, including 96 domestic flight routes and 106 international, Hong Kong and Macau flight routes.

The non-aeronautical business of the Company consists of operation of duty free and other retail shops in the terminals, operation of restaurant and other food & beverage businesses, leasing of properties in the terminals, leasing of advertising spaces inside and outside the terminals and operation of car parking either solely or by means of franchise, and the provision of ground handling facilities for ground handling agent companies.

In addition, through jointly controlled entities and a subsidiary, the Company is also engaged in other businesses in relation to operation of the airport, including:

- provision of ground handling service for domestic and foreign airlines through Beijing Aviation Ground Services Co., Ltd. ("BGS"), an entity established and jointly controlled by the Company and a subsidiary of Singapore Airlines Limited;
- provision of air catering service for domestic and foreign airlines as well as provision of food processing service for some restaurants in the downtown area of Beijing through Beijing Airport Inflight Kitchen Ltd. ("BAIK"), an entity established and jointly controlled by the Company and a subsidiary of Singapore Airlines Limited;
- provision of repair and maintenance services for terminal facilities at the Beijing Airport and other domestic airports through Beijing Bowei Airport Support Limited ("Bowe"), a subsidiary of the Company where Airport Business Solution (American) Limited holds the minority interest.
