

CORPORATE MISSION

“Growing with you for a better life” has always been the mission of Hengan International. We will continue to adhere to our corporate spirit of “Integrity, Diligence, Innovation and Dedication”. Our goal is “to build an effective corporate management and to develop a quality, ethical and enthusiastic staff team”. By building an excellent corporate culture, reinforcing our brand image, and focusing on consumer and market need, Hengan International will become China’s leading corporation in feminine hygiene products, diapers and family hygiene products.
