

# Corporate Profile

*China Mengniu Dairy Company Limited (SEHK: 2319) and its subsidiaries (the “Group”) manufacture and distribute quality dairy products in China, including Hong Kong and Macau. It has become one of the leading dairy product manufacturers in China, with **MENGNU** as its core brand. The Group’s diverse products include liquid milk products, such as UHT milk, yogurt and milk beverages, ice cream and other dairy products such as milk powder and milk tablets. In 2004, the Group operated 11 production bases with an aggregate annual production capacity of two million tons.*
