The net loss attributable to shareholders for each of the four years ended 31st December 2000, 2001, 2002 and 2003 and the shareholders' equity as at the respective balance sheet dates have been restated as a result of the change in the accounting policies for intangible assets in 2001. Loss before taxation and taxation for the year ended 31st December 2000 have not been restated for the continuing and discontinued operations as the directors consider this would involve extra costs and time to do so.
