Dynasty's wines are in four main categories — providing a wide range of choices to our consumers

Dynasty has a diversified wine portfolio catering to assorted consumer tastes and preferences. We produce over 50 types of wine products in four main categories, including red wines, white wines, sparkling wines and brandy.

Dynasty Dry Red Wine 王朝乾紅葡萄酒

Using Cabernet Sauvignon and other well-known grapes grown in the PRC vineyards, Dynasty produces its own reputable red wine by applying the fine traditions of red wine making skills from *Remy*. Deep in colour, clear in appearance, Dynasty Dry Red Wine has a rich Cabernet flavour. It is smooth, full-bodied and solid, leaving a lingering after-taste on the palate. Dynasty Dry Red Wine is our best selling item.

Dynasty Extra Dry White Wine 王朝乾白葡萄酒

Produced from the high quality Muscat, Italian Riesling, Carignan and some other renowned grapes, Dynasty Extra Dry White Wine is pale lemon with a green tinge. It is clear and bright, giving a fruity, refreshing and full-bodied taste. It is an award-winning product in many international wine competitions.
