TO THE SHAREHOLDERS OF MAXX BIOSCIENCE HOLDINGS LIMITED

(Incorporated in the Bermuda with limited liability)

We have audited the financial statements on pages 19 to 62 which have been prepared in accordance with accounting principles generally accepted in Hong Kong.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

The Company's directors are responsible for the preparation of financial statements which give a true and fair view. In preparing financial statements which give a true and fair view it is fundamental that appropriate accounting policies are selected and applied consistently.

It is our responsibility to form an independent opinion, based on our audit, on those financial statements and to report our opinion solely to you, as a body, in accordance with Section 90 of the Companies Act 1981 of Bermuda (as amended), and for no other purpose. We do not assume responsibility towards or accept liability to any other persons for the contents of this report.

BASIS OF OPINION

We conducted our audit in accordance with Statements of Auditing Standards issued by the Hong Kong Institute of Certified Public Accountants. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the circumstances of the Company and the Group, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements. We believe that our audit provides a reasonable basis for our opinion.

FUNDAMENTAL UNCERTAINTY RELATING TO THE GOING CONCERN BASIS

In forming our opinion, we have considered the adequacy of the disclosures made in Note 3 to the financial statements concerning the adoption of the going concern basis on which the financial statements have been prepared. The financial statements have been prepared on a going concern basis, the validity of which depends upon the Group's ability to generate adequate cash flows in the future. The financial statements do not include any adjustments that may be necessary should the future operations cannot generate adequate cash flows. We consider that appropriate disclosures have been made in respect of the fundamental uncertainty relating to the going concern basis and our opinion is not qualified in this respect.

OPINION

In our opinion the financial statements give a true and fair view of the state of affairs of the Company and the Group as at 31 December 2004 and of the results and cash flows of the Group for the year then ended and have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.
