

Kantone Holdings Limited (www.kantone.com) (stock code 1059) is a global leading IT solutions provider, with expertise in high security, high reliability and high integrity communications networks established over 50 years of proven track record, resulting in trusted relationships with clients in the government and enterprise sectors. It commands a dominant position in the command and control communications solutions in the mission critical services sector, including emergency and rescue operations, and has a presence in over 50 countries.

Kantone's latest addition to the backbone of high security, high reliability, and high integrity IT solutions is the business of e-Gaming, e-Lottery, Leisure and Entertainment. Kantone is a market leader in China in the provision of software and technology infrastructure for one-stop electronic betting solutions. It builds on its long history of online telephone call data handling systems and call centre software applications to develop integrated platforms with secure e-commerce solutions for global gaming and entertainment activities. Kantone aims to become a leader in the global e-gaming and e-lottery market place.

Kantone is listed on The Stock Exchange of Hong Kong Limited and is a subsidiary of Champion Technology Holdings Limited, a communications software group.
