

DIRECTORS' SECURITIES TRANSACTIONS

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers (the "Model Code") as set out in Appendix 10 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited. Having made specific enquiry of all the directors of the Company, the Company has been advised that all of its directors have complied with the required standard as set out in the Model Code applicable during the six months ended 31st December, 2005.

CODE ON CORPORATE GOVERNANCE PRACTICES

In the opinion of the directors, the Company complied with the code provisions (the "Code") as set out in Appendix 14 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") throughout the six months ended 31st December, 2005, except the following:

- (i) The Company has not separated the roles of the Chairman of the Board and the Chief Executive Officer as required under code provision A2.1 of the Code. The Company believes that separation of Chairman and the Chief Executive Officer would not result in enhanced efficiency and improved governance. The balance of power and authority between Chief Executive Officer and the Board is ensured by regular discussion and meetings of the full Board and active participation of independent non-executive directors.
- (ii) Code A4.2 stipulates that all directors including those appointed for a specified term should retire by rotation at least every three years. Certain executive directors of the Company do not rotate as there are specific provisions governing the rotation of directors in the Company's Articles of Association.
- (iii) Code B1.1 stipulates that the Company should establish a remuneration committee. The Company has not established a remuneration committee in view of the Company's size and simple structure. The full Board reviews the remuneration of the executive directors and determines their remuneration.
- (iv) Code C3.3 stipulates that the Company's audit committee should have a set of written terms of reference which should include minimum duties as set out in the Code. On 9th December, 2005 the written terms of reference of the Company's audit committee were revised to incorporate the provisions set out in the Code.
