In 2005, we succeeded in delivering the highest profit attributable to shareholders and recorded the third consecutive year of double-digit growth since our IPO in 2002.

Looking ahead, our strategic plan for 2006-2011 will steer the Company towards realising the objective of becoming a top-quality financial services group with a powerful base in Hong Kong, a solid presence in the Mainland of China and a strategic foothold in the region. This provides the theme for our annual report "Moving forward with a strategy for broader frontiers".

Symbolising our aspirations for growth is the Bank of China Tower, our headquarters and a landmark in Hong Kong. The picture was selected from the 1,400 entries of the "Splendour of Night — Bank of China Tower Exterior Lighting Photo Competition", which brought to life the unique design of the building and its lighting.
