

Corporate Profile

Singamas Container Holdings Limited was listed on The Stock Exchange of Hong Kong Limited in 1993. After more than a decade of development, we have evolved into one of the world's leading container manufacturers and logistics service providers. Our container factory and depot networks are among the most comprehensive in the People's Republic of China (the "PRC").

Our manufacturing business is currently supported by nine container factories, eight in the PRC and one in Surabaya, the Republic of Indonesia. Two new factories, located in Hui Zhou, Guangdong Province and Ningbo, Zhejiang Province, the PRC are currently under construction and are expected to commence operations by mid-2006. We manufacture a wide range of products including dry freight containers, collapsible flatrack containers, open top containers, log carriers for railway, refrigerated containers, other specialised containers and container parts. Another company has been established in Qingdao, the PRC and is expected to commence full operations by the second quarter of 2006 for producing container chassis.

Our logistics business includes container depots/terminals, mid-stream and logistics company, running eleven container depots/terminals, eight at the major ports in the PRC – Dalian, Tianjin, Qingdao, Shanghai, Ningbo, Fuzhou, Xiamen and Shunde, two in Hong Kong and one in Laemchabang, Thailand. We also operate a mid-stream company in Hong Kong and a logistics company in Xiamen, the PRC.
